Jones

Jr,2017-11-27 We human beings all have one thing in common we all face giants in our lives that threaten our safety and well being Every day we face some type of challenge that troubles our minds No matter how huge your giant is you can beat it by faith in God through Jesus Christ Look at the size of God He is bigger than all your giants God can do anything The question Can God can emphatically be changed to an exclamatory statement God can After reading and practicing the principles of this book you will see giants falling at your feet through your faith in God **Tillamook Rock Lighthouse** Debra Baldwin, Lighthouse Digest Magazine,2018 Built in 1880 Oregon s Tillamook Rock Lighthouse has had the most notorious reputation of any lighthouse on the Pacific Coast of the United States Fierce storms regularly catapulted huge boulders through the lantern with waves that broke over its 136 foot height earning it the modern nickname Terrible Tilly It has been described as a pint sized Alcatraz and many keepers could not stand its confinement However there were some who actually enjoyed it and even came to love it A rare glimpse of the more pleasant side of daily life on the Rock is shown in newly rediscovered historic photographs taken by the keepers who faithfully served there This important visual legacy serves to temper the horrific view of Terrible Tilly and provides a new perspective that perhaps an assignment to Tillamook Rock Lighthouse was not so wholly terrible after all *Proceedings* Albany (N.Y.).
