

Sunset and evening star, And one clear call for me!

- ❑ The poem opens with the speaker talking about the "sunset" and the "evening star." It is the end of the day ("sunset"), and the evening star, which is actually the planet Venus, is rising.
- ❑ The end of the day is, apparently, a "clear call" for the speaker. But a "clear call" for what? To go home? Is there some kind of horn blowing?
- ❑ Consider your prior knowledge about Tennyson. Perhaps he is speaking metaphorically here about his approaching death. That would explain the sunset, and the call could be all those trumpets, beckoning him to Heaven.
