Photographers Peter E. Palmquist, 2000 Fashioned in the North Anna Dahlgren, 2020-07-15 This edited volume showcases new examples previously untold stories of images photographers publications and institutions partly unknown outside the Nordic countries The authors examine the reasons for and implications of this underexposure taking on a photographic metaphor While simultaneously challenging previously taken for granted ideas of the center and periphery in this field the book also widens the study of fashion photography Notably the hybridity of approaches may enrich future studies of fashion photography In Fashioned in the North fashion photography is viewed as a transnational phenomenon and a material object as well as a medium that is part of a media system and a result of archival systems and history writings Furthermore the book displays how studies of fashion photography can be so much more than stories of a few names and iconic images or studies of individual and periodic style Indeed the study of fashion photography may be a prism through which we can uncover cultural social economic and ideological aspects of society at present and in the past **History of Photography** Laurent Roossens, Luc Salu, 1989 An unannotated bibliography of 11 209 books on photography since 1914 grouped under 3 000 alphabetically arranged headings Entries include author editor contributors title place and year of publication publisher and number of pages and illustrations Annotation copyrighted by Book News Inc Portland OR
