Rhetorical Education In America Cheryl Jean Glenn,2009-03-15 A timely collection of essays by prominent scholars in the field on the past present and future of rhetoric instruction From Isocrates and Aristotle to the present rhetorical education has consistently been regarded as the linchpin of a participatory democracy a tool to foster civic action and social responsibility Yet questions of who should receive rhetorical education in what form and for what purpose continue to vex teachers and scholars The essays in this volume converge to explore the purposes problems and possibilities of rhetorical education in America on both the undergraduate and graduate levels and inside and outside the academy William Denman examines the ancient model of the citizen orator and its value to democratic life Thomas Miller argues that English departments have embraced a literary research paradigm and sacrificed the teaching of rhetorical skills for public participation Susan Kates explores how rhetoric is taught at nontraditional institutions such as Berea College in Kentucky where Appalachian dialect is espoused Nan Johnson looks outside the academy at the parlor movement among women in antebellum America Michael Halloran examines the rhetorical education provided by historical landmarks where visitors are encouraged to share a common public discourse Laura Gurak presents the challenges posed to traditional notions of literacy by the computer the promises and dangers of internet technology and the necessity of a critical cyber literacy for future rhetorical curricula Collectively the essays coalesce around timely political and cross disciplinary issues Rhetorical Education in America serves to orient scholars and teachers in rhetoric regardless of their disciplinary home and help to set an agenda for future classroom practice and curriculum design **Vernacular Insurrections** Carmen Kynard,2013-04-02 Winner of the 2015 James M Britton Award presented by Conference on English Education a constituent organization within the National Council of Teachers of English Carmen Kynard locates literacy in the twenty first century at the onset of new

thematic and disciplinary imperatives brought into effect by Black Freedom Movements Kynard argues that we must begin to see how a series of vernacular insurrections protests and new ideologies developed in relation to the work of Black Freedom Movements have shaped our imaginations practices and research of how literacy works in our lives and schools Utilizing many styles and registers the book borrows from educational history critical race theory first year writing studies Africana studies African American cultural theory cultural materialism narrative inquiry and basic writing scholarship Connections between social justice language rights and new literacies are uncovered from the vantage point of a multiracial multiethnic Civil Rights Movement

On Second Language Writing Tony Silva, Paul Kei Matsuda, 2012-12-06 On Second Language Writing brings together internationally recognized scholars in a collection of original articles that collectively delineate and explore central issues with regard to theory research instruction assessment politics articulation with other disciplines and standards In recent years there has been a dramatic growth of interest in second language writing and writing instruction in many parts of the world Although an increasing number of researchers and teachers in both second language studies and composition studies have come to identify themselves as specialists in second language writing research and teaching practices have been dispersed into several different disciplinary and institutional contexts because of the interdisciplinary nature of the field This volume is the first to bring together prominent second language writing specialists to systematically address basic issues in the field and to consider the state of the art at the end of the century and the millennium

Keywords in Writing Studies Paul Heilker, John Vandenberg, 2015-02-15 Keywords in Writing Studies is an exploration of the principal ideas and ideals of an emerging academic field as they are constituted by its specialized vocabulary A sequel to the 1996 work Keywords in Composition Studies this new volume traces the evolution of the field's lexicon taking into account the wide variety of theoretical educational professional and institutional developments that have redefined it over the past two decades Contributors address the development transformation and interconnections among thirty six of the most critical terms that make up writing studies Looking beyond basic definitions or explanations they explore the multiple layers of meaning within the terms that writing scholars currently use exchange and question Each term featured is a part of the general disciplinary parlance and each is a highly contested focal point of significant debates about matters of power identity and values Each essay begins with the assumption that its central term is important precisely because its meaning is open and multiplex Keywords in Writing Studies reveals how the key concepts in the field are used and even challenged rather than advocating particular usages and the particular vision of the field that they imply The volume will be of great interest to both graduate students and established scholars

True to the Language Game Keith Gilyard, 2013-08-15 In True to the Language Game Keith Gilyard one of the major African American figures to emerge in language and cultural studies makes his most seminal work available in one volume This collection of new and previously published essays contains Gilyard's most relevant scholarly contributions to deliberations about linguistic diversity cultural

identity critical literacy writing instruction literary texts and popular culture The volume also features contemporary treatises on such timely topics as students right to their own language code switching pedagogy and political discourse surrounding the rise of Barack Obama Gilyard weaves together serious analysis theoretical work policy discussions and personal reflections on the interplay of language literacy and social justice to make True to the Language Game essential reading for students and scholars in rhetorical studies composition studies applied linguistics and education

Interrogating Privilege Stephanie Vandrick, 2009-10-23 Interrogating Privilege is a welcome combination of personal essays and academic research blending theory analysis and narrative to explore the function and consequences of privilege in second language education While teachers focus on the learning process and class goals are quite important there is not enough attention paid to the types of privilege or lack thereof that individuals bring to the classroom Through chapters that can either stand alone or be read together with topics such as gender age and colonialism the author is the daughter of missionary parents in second language teaching this book seeks to address the experiences of teachers scholars and students as whole persons and to observe the workings of identity and privilege in the educational setting
