

Teaching Elementary Social Studies

A Lesson Plan for Teachers

Teaching Of Social Studies In Elementary School

James Zarrillo

Teaching Of Social Studies In Elementary School:

Teaching Social Studies in Elementary Schools Edgar Bruce Wesley, 1952 *Teaching Elementary Social Studies* James Zarrillo, 2000 This text presents a methodology that offers every child a chance to succeed regardless of language culture intellectual ability physical attributes emotional capabilities or social skills Teaching Elementary Social Studies encourages teachers to recognize that each child is unique and brings a special set of skills and abilities to the classroom The unifying theme of the text is diversity and the author introduces several dimensions beyond the pluralistic nature of the student population It promotes the idea that diverse students require a diverse pedagogy and offers specific ways to introduce meaningful topics in ways that will engage all students Provides a foundation for teaching social studies Informs pre service teachers about the national standards documents that dictate curriculum planning for social studies Introduces students to Expectations for Excellence Curriculum Standards for the Social Studies National Standards for Civics and Government National Content Standards in Economics Geography for Life and National Standards for History Addresses the fundamentals of teaching social studies Provides instruction for creating lessons based on MI inquiry and student interaction Advocates the need for social studies lessons that infuse multicultural perspectives Each lesson mini lesson group project or unit concludes with a section on Effective Teaching in Today s Diverse Classroom Includes descriptions of activities group projects lessons and mini lessons to model good social studies instruction Includes numerous examples of multicultural literature Samples lessons mini lessons projects and activities all reference multicultural and historical literature and Internet websites teachers can access to enrich social studies teaching and learning Promotes good citizenship as a goal of social studies **Social Studies in Elementary Education** Walter Parker, 2012 This new edition of the most widely used social studies methods text on the market houses a wealth of content strategies tools and resources for teaching K 8 social studies Writing with the same clarity friendly tone and solid content of previous editions Parker details the mission of social studies education and explores the many ways this mission can be made to serve the full range of learners in a diverse multicultural society He lays out the elements of a strong social studies curriculum explains effective teaching methods and presents a wealth of field tested examples exercises activities and lesson plans that will enliven every social studies classroom Back cover **Teaching Social Studies** James Little, Gerald L. Wilson, Virginia Wilson, 1993-01-30 Just as society has changed dramatically over the last century so have the social sciences This valuable reference chronicles the historical development of social studies as a discipline in elementary and secondary schools It also assesses the current state of teaching and research in the social sciences and history at the pre college level and it charts new directions for the future of social studies in secondary and elementary schools By tracing the historical development of social studies the reference indicates how social studies has constantly been redefined to meet the changing needs and expectations of society At the same time the historical context provided by the authors sheds new light on the current state of social studies in the curriculum and the development of social

studies in the future The book begins with introductory chapters that overview themes and issues common to all areas of history and the social sciences The chapters that follow summarize and assess the developments and trends of particular fields commonly thought to constitute social studies The volume concludes with chapters on broad topics including the place of religion in the social studies curriculum the role of writing in history and the social sciences and the professional training of social studies teachers Each chapter begins with a section of reflections on the development of the discipline followed by a section on current issues and trends followed by a final section of projections for the future of the discipline The result is a comprehensive overview of the past present and future of social studies in elementary and secondary schools and an indispensable reference for educators historians and social scientists
