

English 393: Technical Writing

Spring 2016 Syllabus

Kelly Cresap, Ph.D. Tawes 1234
kcresap@umd.edu

Overview and Objectives of the Course:

English 393 is a hands-on workshop in preparing, reviewing, revising, and finalizing documents typical of the workplace, including letters and resumes, memos, proposals, and both written and oral reports. Students learn to improve the readability and usefulness of their writing in a variety of professional styles and formats. Students are graded not only on their ability to produce individual work, but also on their ability to collaborate in research and writing, as well as in evaluating and improving one another's work.

Required Text: Mike Markel, *Technical Communication*, 11th ed. (Boston: Bedford/St. Martin's Press, 2010); hyperlink <http://www.bedfordstmartins.com/techcomm>. This book is available in print or online format.

Recommended Text: I strongly recommend a grammar and style guide such as Diana Hacker *The Bedford Handbook* or Hodges' *Harbrace Handbook*. Most students arrive in their junior and senior years of college with an inadequate grasp of standard English usage in grammar, spelling, and punctuation. Although English 393 is not designed to focus on these skills, it is impossible to excel in the course without them. Refer also to the Writing Center listing below.

Grade Percentages/Sequence of Assignments: Assignments will be graded according to the following percentages: 1A. Résumé, and 1B. Cover letter (15%); 2. Proposal memo and annotated bibliography (10%); 3. Claim letter and adjustment letter (10%); 4. Progress report (10%); 5. Major project (30%); 6. Oral presentation (10%). This is also the sequence of assignments, except that the cover letter (1B) will be due after assignment 2. Together, these assignments total 85%; the remaining 15% of the grade is based on the weekly journal, the informal in-class presentation, and general class participation. Note: There is no final exam in this course.

Assignment Submission Requirements: Assignments are due at the start of class on the date indicated on the course schedule and assignment sheet. Papers should meet, not exceed, required length. In general, use 12-point font size, one inch margins, and left-side justification only. On rare occasions I may accept papers submitted via email or disk. Keep all of your drafts, as well as in-class work.

Late Papers: Late papers will be lowered one letter grade for the first class period, and two letter grades for each subsequent class period. No computer or illness excuses (without off-campus doctors' notes) for late papers will be accepted. You must write all of the required papers and receive a C or better on them to pass the course. If you receive a D or an F on a
