Sleeping Lord:

David Jones, Disability and Modernist Form Colette Nic Aodha, 2025-10-16 Employing a fresh theoretical approach to David Jones work this is the first book to use disability studies as a lens through which to consider his post war work Unpacking the distinct corporeality in the work of Welsh modernist maker poet painter and engraver David Jones 1895 1974 that emerges from the trauma of Jones s participation in the Great War this book frames the complex modes of embodiment in his post war work In doing so it relates Jones s pioneering visual art and poetic form to antecedents William Blake and modern artists Sarah Lucas and Damien Hirst while using materiality to form connections between modernism disability and the liturgy of the Eucharist upon which Jones centres his work

Hiding The Hebrews: Did America Kidnap The Lost Tribes of Israel? Dante Fortson, Are the tribes of Israel really lost or were they hidden as prophesied in Psalms 83 The Bible seems to indicate a multi national conspiracy to hide Israel and wipe out the memory of who they really are If this is true then history as we know it has been hijacked and it is only through searching that we will find the truth In this book you ll find the answers to the following questions just to name a few Why does a 1747 English map place the tribe of Judah on the slave coast of Africa Why do slave ledgers show slaves being registered with Hebrew names fresh off of the ships Why did slaves sing songs in Hebrew and call out to Yah for help Why did Christ mention the slavery of Israel as a sign of the end of the age Are the times of the Gentiles coming to an end If you are 100% honest with yourself as you find the answers to these questions your eyes will be opened If you re ready to start this eye opening adventure through scripture then keep reading ISRAEL IS STILL A NATION TO GOD AND ALWAYS WILL BE Thus saith the LORD which giveth the sun for a light by day and the ordinances of the moon and of the stars for a light by night which divideth the sea when the waves thereof roar The LORD of hosts is his name If those ordinances depart from before me saith the LORD then the seed of Israel also shall cease from being a nation before me for ever Thus saith the LORD If heaven above can be measured and the foundations of the earth searched out beneath I will also cast off all the seed of Israel for all that they have done saith the LORD Jeremiah 31 35 37

The Consciousness Game Shikhar Srivastava, 2020-06-03 There are secrets shrouded by willful ignorance of mankind to learn the codes that model the laws of Nature And then there is an Inner Voice which strives to demystify these secrets lying in open and within Consciousness is the soul of the soul the immortal within the mortals the greatest secret of God s creation and the ultimate quest of spirituality We understand Consciousness as the Inner Voice forever guiding but seldom acknowledged It took an autistic mind to understand the presence of this superpower in him that began a Game of Karma and Coincidences in which Consciousness evolves by self realization attained by unworldly experiences to uncover secrets after secrets during its journey through five human bodies leading to the ultimate mystery of God

All Wonders in One Sight Theresa M. Kenney, 2021-03-01 In the seventeenth century many leading poets wrote poems about Christ s infancy though charm and sweetness were not the leading note Because these poets were university educated classicists many of them also Catholic or Anglican priests they wrote in an elevated style with elevated language and their concerns were deeply theological as well as poetic In an age of religious controversy their poems had controversial elements and because these poems were mostly intended for private use and limited circulation they were not generally singable hymns of public celebration of Christ s birth However far from dry academic pieces these poems offer a wide variety of approaches to both their subject the infant Jesus and the means of presenting it All Wonders in One Sight examines the ways in which early modern English poets understood and accomplished the poetic task of representing Christ as both Child and God Focusing on the intellectual and theological content of the poems as well as the devotional aims of the poets Theresa M Kenney aims to reveal their understandings of divine immanence and the sacrament of the Eucharist
