Together We Equip Jody Dean, Hal Stewart, 2018-02-23 In *Together We Equip* you will discover the biblical foundation for equipping others Equipping others in ministry is a process you bring with you as the leader Its both personal and public Its you as an individual and your church This book will challenge you to take responsibility to grow spiritually engage the culture and share the gospel Further you will discover the impact of discipleship in the local church by examining mentoring small groups and preaching as relevant means to equip others In the later chapters of the book seasoned church ministry leaders with years of experience in making disciples through equipping ministry of the local church share many practical ways to equip others and lead church ministries childrens ministry youth ministry collegiate ministry mens and womens ministry adult and senior adult ministries Many ministry leaders do not know how to make disciples They know accept and believe the Great Commission Matt 28 19-20 Yet they struggle with practical approaches and methods to carry out a viable equipping ministry The book will help you elevate the importance of personal growth making disciples and assist you to align your age graded and gender based ministry leadership development

Growing People Through Small Groups David Stark, Betty Veldman Wieland, 2004-07-01 This fresh look at small groups starts with people and principles rather than program and structure Stark and Wieland examine why many small group ministries fall short of their goals and they offer strategies that start with God s leading and people s needs

Straightforward informative and practical this new organic system works for smaller churches as well as larger ones Useful for lay leaders small group members and pastors who want people to thrive and develop their spiritual gifts Together We Can Atelia I. Melaville,1993-12 Helps communities improve coordination of education health human services for at risk children families Five stage process getting together building trust ownership developing a strategic plan taking action going to scale Directory of key contacts organizational resources Bibliography 42 Days of the Word Driven Life Soungyell Choi,2022-06-30 Forty Two Days of the Word Driven Life is a collection of many of the Bible s lessons and stories with a focus on seven major themes faith prayer worship relationships service mission and the Word These themes will help you grasp the most essential values for living as a Christian As you read you ll consider questions such as How can you prepare your heart before a personal meditation each day What must you do daily to receive greater grace from God How can you assess your current spiritual condition What missteps are some churches making that are hurting their holiness If we hope and strive to live a life led by the Word God the Holy Spirit will help us in our weakness Surely the Word will not only lead us to glorify God but also will lead us to live a blessed life Inspired by The Purpose Driven Life by Pastor Rick Warren this addition to Christian literature will help any church or Christian reignite their faith and walk closer to the Lord D2 Phil McKinney II,2019-03-12 Following Jesus is a lifelong journey of transformation Follow me These two words changed the lives of twelve unlikely individuals in the first century and they can change the course of your life as well Many people claim to follow Jesus but truly following him involves a commitment to transformational discipleship not just nominal acceptance Discipleship was the mission of Christ and therefore as disciples it is our mission as well both to be disciples and to make disciples Following as a disciple of Jesus begins with hearing his call and then desiring to grow in our relationship with him However we are too often satisfied with simply receiving God s grace and neglect to give it back We desire to gain all the privileges of a disciple minus the commitment to be one As a result we need to develop a consistent coordinated and intentional plan for greater spiritual growth and discipleship focused on gaining an everincreasing ability to apply God s Word to life If you want more than sitting in pews and checking off church participation boxes if you are ready to live the life Christ calls you to by following him with all your heart soul mind and strength this book is for you The Method of Moments in Electromagnetics, Second Edition Walton C. Gibson,2014-07-10 Now Covers Dielectric Materials in Practical Electromagnetic Devices The Method of Moments in Electromagnetics Second Edition explains the solution of electromagnetic integral equations via the method of moments MOM While the first edition exclusively focused on integral equations for conducting problems this edition extends the integral equation framework to treat objects having conducting as well as dielectric parts New to the Second Edition Expanded treatment of coupled surface integral equations for conducting and composite conducting dielectric objects including objects having multiple dielectric regions with interfaces and junctions Updated topics to reflect current technology More material on the calculation of near fields Reformatted equations and

improved figures Providing a bridge between theory and software implementation the book incorporates sufficient background material and offers nuts and bolts implementation details It first derives a generalized set of surface integral equations that can be used to treat problems with conducting and dielectric regions Subsequent chapters solve these integral equations for progressively more difficult problems involving thin wires bodies of revolution and two and three dimensional bodies After reading this book students and researchers will be well equipped to understand more advanced MOM topics
