Small Parties in Western Europe

Comparative and National Perspectives

SAGE Modern Politics Series Volume 27 sponsored by
the European Consortium for Political Research (ECPR)

Small parties are a defining feature of the political systems of many Western European countries. This book provides a comparative and national perspective on the role of small parties in the political process.

The book examines the role of small parties in the political process, focusing on the role of small parties in the formation of governments and the role of small parties in the legislative process.

The book also examines the role of small parties in the political process, focusing on the role of small parties in the formation of governments and the role of small parties in the legislative process.

The book also examines the role of small parties in the political process, focusing on the role of small parties in the formation of governments and the role of small parties in the legislative process.

The book also examines the role of small parties in the political process, focusing on the role of small parties in the formation of governments and the role of small parties in the legislative process.

The book also examines the role of small parties in the political process, focusing on the role of small parties in the formation of governments and the role of small parties in the legislative process.

The book also examines the role of small parties in the political process, focusing on the role of small parties in the formation of governments and the role of small parties in the legislative process.

The book also examines the role of small parties in the political process, focusing on the role of small parties in the formation of governments and the role of small parties in the legislative process.

The book also examines the role of small parties in the political process, focusing on the role of small parties in the formation of governments and the role of small parties in the legislative process.

The book also examines the role of small parties in the political process, focusing on the role of small parties in the formation of governments and the role of small parties in the legislative process.

Small Parties In Western Europe Comparative And National Perspectives

ML Morrison

Small Parties In Western Europe Comparative And National Perspectives:

Small Parties in Western Europe Ferdinand Müller-Rommel, Geoffrey Pridham, 1991-02-01 This is the first comparative analysis of small parties in Western Europe It fills a significant gap in the comparative study of political parties and party systems in the region It formulates five approaches to the study of small parties and then applies these to selected national case studies This original work will be of value to all political scientists interested in parties and party systems in Western Europe

Regionalist Parties in Western Europe Lieven De Winter, Huri Tursan, 2003-08-29 Ethnoregionalist parties are an increasingly influential political phenomenon in many Western European countries Despite this there has been little systematic study of these important political parties This volume fills the gap with an exploration of the successes and failures experienced by ethnoregionalist parties in post war Europe Regionalist Parties in Western Europe looks in detail at the fortunes of twelve regionalist parties in the Basque country Corsica French speaking Belgium Scotland Wales Catalonia Flanders Italy and South Tyrol

New Challenger Parties in Western Europe Airo Hino, 2012-06-12 This book provides a systematic and comparative account of the rise of new challenger parties across Western Europe It analyses how parties that challenge the conventional party system by addressing issues neglected by existing parties can succeed and fail Systematically comparing 229 elections since 1950 across 15 European democracies including the United Kingdom France Germany Italy the Benelux and Scandinavian countries this book questions why new challenger parties are more successful in some countries than others and analyses the conditions that determine their emergence and subsequent success or failure As one of the first systematic and comparative examinations of new challenger parties this book looks at both new politics parties and extreme right parties and the structures to aid their emergence at the time of an election Identifying two distinctive stages of party development the author adopts a double hurdle model involving first the chances of emergence and second sustained success This framework in combination with a wide range of empirical data provides for an innovative and insightful analysis of a neglected topic New Challenger Parties in Western Europe will be of interest to students and scholars of government comparative politics and political parties

The extreme Right in Western Europe Elisabeth Carter, 2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it

investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally

The A to Z of the Green Movement Miranda Schreurs,Elim Papadakis,2009-09-21 Human beings have been concerned about nature and their place in it for millennia Disquiet about the consequences of human action on the natural environment date back to the ancient Greeks and Romans The efforts of the green movement can be traced back to the 19th century In this period individuals groups and organizations began campaigning for the conservation and preservation of natural areas and the protection of wildlife species Efforts to combat pollution also began It was not until the 1960s however that the green movement in its more modern incarnation emerged The green movements that arose at this time maintained the concerns with conservation preservation and industrial pollution held by earlier generations but added to their agenda new issues including justice equality participatory democracy and sustainability The A to Z of the Green Movement provides a detailed and comprehensive overview of green parties and movements green issues and green concepts This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on countries in the world where green parties or proto parties have formed green movement organizations major international environmental conferences and green concepts This useful reference will be greatly valued by students academics journalists and policymakers alike

Radical or Redundant? Liam Weeks,2011-11-30 While the type of small political party In Ireland has varied their fate it seems has not Although some enjoy a brief time in the sun termination is the long term prospects for all minor parties The usual pattern is a speedy ascent an impact on the political system including a time in government followed by a prolonged termination This book examines this pattern of evolution for minor or small parties in Irish politics As the Irish state has changed so too have the types of parties that have emerged With the first time entry of the Greens into government in 2007 their wipeout in 2011 the termination of the Progressive Democrats in 2009 and the failure of a new party to emerge despite the on going financial crisis the time is ripe for this analysis

The Green Challenge Dick Richardson,Chris Rootes,2006-01-16 A comprehensive account of the development of Green parties in Europe demonstrating the shifting balance of party political competition the factor the authors believe most strongly influences the fortunes of the Greens

Political Parties in the UK Alistair Clark,2018-08-22 The second edition of this popular textbook provides a systematic and comprehensive introduction to UK party politics combining chapters on each of the main parties Conservative Labour the Liberal Democrats and the Scottish National Party with an assessment of post devolution Scotland Wales and

Northern Ireland Clark analyses the extraordinary recent developments in UK politics including Brexit the 2015 and 2016 Labour leadership contests and the surprise 2017 general election exploring how these events have impacted the political parties the people of the UK and the UK's position in the world The book also covers the rise of minority parties such as UKIP the influence of the media and party campaigning organisation and funding Written in an accessible style this new edition is an essential companion for students taking modules on British Political Parties Party Politics or British Politics more generally as well as functioning as a useful background text for modules in Comparative Political Parties It is an ideal introduction for all readers new to the topic New to this Edition A new chapter on the Scottish National Party takes account of their rise their role as a governing party in Scotland and becoming the third largest party at Westminster Up to date coverage of all the latest developments affecting UK political parties including the Scottish referendum the 2015 and 2017 general elections the 2016 devolved elections and Brexit Extended coverage of the rise and fall of UKIP

Anti-Political Establishment Parties Amir Abedi, 2004-07-31 Recent electoral success of the Freedom Party in Austria List Pim Fortuyn in The Netherlands the People's Party in Denmark and the National Front in France have demonstrated the appeal of parties that challenge the political establishment This book seeks to explain why these parties have achieved a political breakthrough but unlike other studies in the area does not concentrate on only one type of party Instead it attempts to determine preconditions for the success of anti political establishment parties in general avoiding any time specific or ideology specific explanations

The Politics of Southern Europe José Magone, 2003-02-28 European integration has had a profound impact on the politics of Southern Europe a region that was initially at the margin of the decision making processes of the European Union but is gradually becoming more and more influential This volume offers a comparative overview of modern politics in Spain Portugal Italy and Greece focusing in particular on the process of integration of these countries into the European Union and on the impact of European public policy The author analyzes the development of Southern European political systems from the establishment of democratic governments to the most recent political events looking at each individual system and finding patterns similarities of development as well as differences between them Among the topics examined are the building of institutions the parties and party systems foreign policies the political culture of each country and the recent efforts towards the creation of a space of security and peace in the Mediterranean
