Smoldering Flames Clara Palmer Goetzinger, 1928 Catalog of Copyright Entries. New Series Library of Congress. Copyright Office, 1929 Part 1 Books Group 1 v 25 Nos 1 121 March December 1928 *The Chicago of Fiction* James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on Chicago-centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The Chicago of Fiction* A Resource Guide, James A. Kaser provides detailed synopses for more than 1,200 works of fiction significantly set in Chicago and published between 1852 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e., class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included.

Smoldering Flames Clara Palmer Goetzinger, 2011-10 Catalog of Copyright Entries, 1928 *Smoldering Flames. Adventures and Emotions of a Flapper. With Illustrations by Glenn Sheffer* Clara Palmer Goetzinger, 1928 **ZANE GREY Ultimate Collection: Historical Novels, Western Classics, Adventure Tales & Baseball Stories (60+ Titles in One Volume)** Zane Grey, 2024-01-09 The ZANE GREY Ultimate Collection presents an unparalleled compilation of over sixty works showcasing the literary prowess of an iconic figure in American literature. This anthology encompasses a diverse range of genres, including historical novels, Western classics, adventure tales, and even baseball stories, thus reflecting Grey's versatility and rich storytelling craft. His vivid prose and immersive narrative style transport readers to the untamed landscapes of the American West while also drawing them into the intricacies of human experience, morality, and exploration. Each piece is steeped in a deep understanding of the American spirit and the cultural contexts of their times, making this collection a quintessential resource for both casual readers and scholars alike. Zane Grey (1872-1939) was not only a prolific writer but also a passionate outdoorsman whose adventures in American wilderness informed much of his fiction. His experiences as a dentist combined with his fascination for the rugged life of cowboys and the allure of historical narratives deeply shaped his narrative voice. Grey's commitment to authenticity in his storytelling is evident throughout his works, and his life experiences uniquely position him to explore themes of adventure, love, conflict, and reconciliation within the American landscape. I highly recommend the ZANE GREY Ultimate Collection to readers who seek an expansive and profound understanding of early 20th-century American literature. This extensive anthology not only serves as an introduction to Grey's

significant contributions but also provides an engaging journey through the complexities of American identity and adventure. In this collection both long time fans and new readers will find themselves captivated by the enduring spirit and storytelling genius of Zane Grey.
