Bibliometrics in Social Work Gary Holden, Gary Rosenberg, Kathleen Barker, 2013-01-11 Bibliometrics in Social Work examines the cross disciplinary field of bibliometrics including the multiple techniques and applications that have been described in the scholarly literature Moving beyond this general overview the authors examine applications of bibliometrics in social work Subsequent chapters detail how the technique can be used to demonstrate the eventual impact on the field of publications in selected journals These analyses are conducted using the bibliometric technique referred to as citation analysis The authors then move on to present what will be a controversial proposal to some in the field using bibliometrics techniques in making academic personnel decisions The authors propose that hiring retention tenure and promotion decisions could be made more uniform and fair by using citation analysis A series of experts in bibliometric analyses then critically respond to these initial chapters The authors conclude by weaving their responses to these commentators with new scholarship on bibliometrics that has recently appeared This unique book is a valuable aid for social work scholars Drawing on broad interdisciplinary streams of scholarship from around the world the collection illuminates a field that is not well known to social workers While cautiously advocating for a number of applications of the technique the authors balance this position by presenting a comprehensive summary of the criticisms of the technique and by the inclusion of a series of critical commentaries by the leading experts on these issues in the field of social work Bibliometrics in Social Work both summarizes what we know and pushes the field to think about how social work professionals can use this approach to improve our scholarship and the evaluation of scholars Bibliometrics in Social Work addresses theoretical and methodological issues pros and cons from the view of numerous bibliometric scholars bibliometrics outside of social work applications within social work previously reported in the literature estimates that have been reported in the literature of how much social workers publish and how much impact those publications have had how citation analysis can be used to analyze a selection of publications in a single journal and their subsequent impact how citation analysis might be used to improve academic employment decisions concerns regarding self citation and multiple authorship measurement issues in bibliometrics e g age adjustments concentration citedness and uncitedness the Price Index lag times persistence synchronous and diachronous self citations the Multiple Author Qualifier Bibliometrics in Social Work critically examines these methods and their applications in social work The book will be an enlightening read for social work scholars and those academic administrators involved in the evaluation of social work scholars as well as academic librarians that support social work programs *Social Work, Health, and International Development* Serge Dumont, Myreille St-Onge, 2013-05-13 Sharpen your social work in health care knowledge and skills Social Work Health and International Development Compassion in Social Policy and Practice presents leading international experts from a range of disciplines providing the latest in research theory and practical solutions to advance social work in health care issues Readers get a refreshed view on ways to put social policy into a compassionate and

empathetic framework with strategies to more effectively meet today's challenges in social work and health care. This superb selection of papers from the Fourth International Conference on Social Work in Health and Mental Health held in Quebec provides a unique perspective on social work and the development of a more compassionate world. Social Work Health and International Development Compassion in Social Policy and Practice focuses on areas essential to every social worker no matter where they practice. The book explores the increased importance of compassion and solidarity among social workers, the essential need to effectively address the HIV/AIDS pandemic, strategies to more fully address aging issues and best practices. The latest research findings and data are discussed to modify approaches and revitalize the field all to help the world become a more caring, compassionate place. Topics in Social Work Health and International Development Compassion in Social Policy and Practice include social work interventions to lead needy countries from health to economic growth, the concept of solidarity as a fundamental notion in social work, the need to revisit social work's ethical foundations, cultural competence in responding to the HIV/AIDS pandemic, a comprehensive action plan to deal with HIV/AIDS, a study on grandparents caring for children of AIDS victims, multilevel interventions to promote elderly people's mental health, forming partnerships that promote the diverse voices of older people, recognizing deficiencies to increase cultural competency in staff, best practice case management approach to improve patient adherence to care, Internet-based intervention for caregivers of persons with dementia, dyadic peer support, pilot intervention for parents of children with lung disease, continual education for increased professional competence, much more. Social Work Health and International Development is invaluable reading for social workers, health practitioners, researchers, and clinicians. International Social Work Stefan Borrmann, Michael Klassen, Christian Spatscheck, 2007-04-05. The book focuses on three key issues of international social work: on international dimensions of social problems and how social work practice can deal with these challenges; on cultural issues social workers have to think of when practicing; teaching and developing social work on an international level; and finally on aspects of international approaches in social work education. The authors are practicing and teaching social work in several countries and their personal and educational background allowed them to gain a profound experience on international social work. This makes the authors not only writing about international perspectives but also from an international perspective.

International Social Health Care Policy, Programs, and Studies Gary Rosenberg, Andrew Weissman, 2006. International Social Health Care Policy Program and Studies presents a collection of papers drawn from the Ninth Doris Siegel Memorial Fund Colloquium that focuses on social work and international health issues, emphasizing an international exchange and cooperation as a crucial facet of meeting global health challenges.
