Social Security In Latin America Pressure Groups Stratification And Inequality:

Social Security in Latin America Carmelo Mesa-Lago, 1978-11-15 A comprehensive and sophisticated study of the relationship between social security policy and inequality in Latin America Individual case studies of Chile Uruguay Peru Argentina and Mexico are presented that provide a historical analysis of each country's social security policy the pressure groups involved the present structure of the systems and a statistical examination of the inequality among these pressure groups

Welfare, Poverty and Development in Latin America Christopher Abel, Colin M. Lewis, 2015-12-30 The book analyzes the social consequences of recent development strategies in Latin America The volume introduces readers to official strategies private initiatives and individual responses to issues of welfare and poverty during the twentieth century These issues are addressed from several disciplines A substantial introduction is followed by a wide range of case studies including Pinochet's Chile the Haiti of the Duvaliers and Nicaragua under the somocistas and sandinistas as well as Brazil Mexico the Argentine Cuba and Colombia

Four Worlds of the Welfare State in Latin America Ilán Bizberg, 2024-03-20 This book explores the trajectories and structures of Latin American welfare states using a typology developed through conceptual and historical analyses of social protection systems in Latin America It argues that social protection can be accomplished by different actors in distinct societies be that the State civil society the market or families This work defines four types of welfare worlds based on who administers and allocates resources the socio corporatist the statist the commodified and the familial Author Ilan Bizberg delves on the historical trajectories of ten Latin American countries each with a unique analysis of the corresponding social protection system Uruguay Argentina Brazil Costa Rica Chile Mexico Colombia Bolivia Peru and Ecuador The book begins with a meaningful discussion on the welfare state as a necessity of modern capitalist societies Then it counters the consequences of the disembeddedness of the economy from society and the way the social protection system protects the society against this rupture Chapters focus on the health system pensions and assistance programs of these countries with diverse case studies that include analyzing the performance of the health systems during the pandemic The book closes with a discussion on gender and the situations women face and encounter under and within different social protection regimes

Globalization and Welfare Restructuring in China Huisheng Shou, 2016-10-14 In the past few decades the change in China's welfare system has been characterised by a balanced distribution of benefits across social sectors and the institutionalization of welfare redistribution This process has occurred without significant political change that would empower politically disadvantaged groups such as the urban and rural poor This book questions what has motivated the regime to redistribute welfare benefits through an institutionalized manner whilst its political structure remains largely unchanged By situating China within the broader context of East Asia and against the backdrop of globalization since the 1980s this book examines the institutional origin and development of China's new welfare system Through doing this it provides an understanding of the nature of the Chinese state in dealing with its economy and society in

a context of global economic integration A global local dynamics framework highlights the importance of the interactive relationship between China's integration into the world economy and its unique geopolitical constraints which together induce the regime to listen to its subjects and follow a move to the middle in welfare restructuring Offering a novel explanation of the welfare globalization relations in a non democratic setting this book will be of interest to students and scholars of Social Policy International Political Economy and Chinese Politics Mexico Through Russian Eyes, 1806-1940 William Harrison Richardson, 2010-11-23 In this unique book William Richardson analyzes the descriptions given of Mexico by an assortment of Russian visitors from the employees of the Russian American Company who made their first contacts in the early nineteenth century to the artists diplomats and exiles of the twentieth century He explores the biases they brought with them and the interpretations they relayed back to readers at home Richardson finds that Russians had a particular empathy for the Mexicans sharing a perceived similarity in their histories conquest by a foreign power a long period of centralized authoritarian rule an attempt at liberal reform followed by revolution **Cuban Studies 18** Carmelo Mesa-Lago, 1988-10-01 Essays in volume 18 include discussions of Cuba's approach to the Latin American debt crisis its two century old race problem and its impact on Cuba's relations with Africa differences between urban and rural living conditions and development and the recent housing situation in Cuba Examinations of scholarly research include a survey of major historical works on Cuba over the past twenty five years and an analysis of how the revolution has affected the scholar's craft and access to manuscripts and archives The Debate section features comments on discussions in Cuban Studies 17 of sex and gender relations in today's Cuba as well as the ongoing issue of Cuba's economic planning and management system **Routledge Handbook of Brazilian Politics** Barry Ames, 2018-10-25 With contributions from leading international scholars this Handbook offers the most rigorous and up to date analyses of virtually every aspect of Brazilian politics including inequality environmental politics foreign policy economic policy making social policy and human rights The Handbook is divided into three major sections Part 1 focuses on mass behavior while Part 2 moves to representation and Part 3 treats political economy and policy The Handbook proffers five chapters on mass politics focusing on corruption participation gender race and religion three chapters on civil society assessing social movements grass roots participation and lobbying seven chapters focusing on money and campaigns federalism retrospective voting partisanship ideology the political right and negative partisanship five chapters on coalitional presidentialism participatory institutions judicial politics and the political character of the bureaucracy and eight chapters on inequality the environment foreign policy economic and industrial policy social programs and human rights This Handbook is an essential resource for students researchers and all those looking to understand contemporary Brazilian politics *The Mexican Republic* Stanley C. Green, 2010-11-23 Green offers a colorful account of the first decade of Mexican independence from Spain He views the failed attempt to establish a strong republic and the subsequent civil war that plagued the young nation From this first decade two polarized factions

emerged one federalist and populist the other attempted to keep much of the old order of authoritarianism and church power established under colonialism They were to be called the Liberals and the Conservatives who would vie for power over the next century

The Rise and Fall of the Privatized Pension System in Chile Andrés Solimano, 2021-02-18 The Rise and Fall of the Privatized Pension System in Chile focuses on the Chilean experience with a privatised pension system since the early 1980 when launched by the Pinochet regime It explores economic financial and political economy dimensions of a private pension system based on individual savings capacity implemented in a highly unequal country The book also highlights the role played by the pension system as a mechanism of savings redistribution from wage earners and the self employed to the funding of big corporations at home and abroad in a process intermediated by profit making pension fund management companies The book compares the resilience of Chile's private pension system with the reversals of the privatised pension system in recent years in countries of Latin America and Central Eastern Europe It outlines a program of structural pension reform towards a more progressive public based system

Democracy at Work Brian Wampler, Natasha Borges Sugiyama, Michael Touchton, 2020 Demonstrates how specific dimensions of democracy participation citizenship rights and an inclusionary state enhance human development and well being

The Film Industry in Brazil Randal Johnson, 2010-11-23 Looking back through the prism of the severe economic crisis for filmmaking in the 1980s The Film Industry in Brazil explores the unusual relationship between the state supported industry which often produced politically radical films and the authoritarian regime that had held sway for twenty years To ground his analysis Johnson covers the early years of the film industry 1898 1930 attempts at industrialization during the 1930s and 1940s film industry congresses and government film boards 1950 1966 the National Film Institute 1966 1975 and the expansion of the state's role from 1969 through 1980 Well conceived carefully researched and documented Johnson's study fills a major gap in film studies by tracing the development of this industry in Brazil focusing specifically on its relationship to the state

Voices, Visions, and a New Reality J. Ann Duncan, 2010-11-23 This book introduces to a larger audience the work of a group of Mexican writers whose work reflects the stimulus of the boom of the 1960s especially in the experimental nueva novella Duncan views the work of six writers in the context of more well known writers of the period Ruflo Fuentes and Del Paso and concludes with a chapter on other recent innovators in Mexican literature Despite their diversity these texts share many common features and unlike social realism the works are not openly political but at the same time they question assumptions about reality itself and the relation of fiction to truth

Peru and the International Monetary Fund Thomas Scheetz, 2010-11-23 Thomas Scheetz shows that the International Monetary Fund's approach in 1980s Peru did not address the roots of debt and financial crisis but instead has instituted inadequate stopgap policies which have caused great inequities because of incorrect or biased assumptions He argues that policies to eliminate excess demand in fact harm the poor and the support the rich

Labor, Class, and the International System Alejandro Portes, John Walton, 2013-09-17 Labor Class and the

International System explores the interface between the labor process class structure and the global requirements of accumulation as a necessary complement to the analysis of capital and dominant institutions and focus on this interaction to clarify some of the apparent contradictions and bring the general models in line with empirical reality The book provides analysis of concepts and hypotheses derived from general theory with available empirical knowledge on each particular topic Each chapter addresses problem areas namely international migration pre capitalist modes of production and the reproduction of the urban labor force and dominant ideologies of inequality and class structure Sociologists political scientists economists researchers and students of international studies will find the book very interesting and insightful

Population ageing and international development Peter Lloyd-Sherlock, 2010-01-20 Over the next 40 years the number of people aged 60 in the world many of whom live in developing regions will grow by 11 4 billion What will old age be like for them This original book provides an analysis of links between development population ageing and older people challenging some widely held misconceptions It highlights the complexity of international experiences and argues that the effects of population ageing on development are influenced by policy choices The book will be of interest to a range of academic disciplines including economics gerontology social policy and development studies as well as policy makers and practitioners concerned with developing countries

Pinochet's Economic Accomplices Juan Pablo Bohoslavsky, Karinna Fernández, Sebastián Smart, 2021-01-12 With a focus on Chile Pinochet's Economic Accomplices An Unequal Country by Force uses theoretical arguments and empirical studies to argue that focusing on the behavior of economic actors of the dictatorship is crucial to achieve basic objectives in terms of justice memory reparation and non repetition measures This book makes visible a number of cases of economic complicity with the Chilean dictatorship and explains their links with the radical inequalities the country has today while proposing a theoretical framework for their study Scholars of Latin American studies history sociology economics business and human rights will find this book particularly useful

The Life, Music, and Times of Carlos Gardel Simon Collier, 1986-12-15 In the first biography in English of the great Argentinian tango singer Carlos Gardel 1890 1935 Collier traces his rise from very modest beginnings to become the first genuine superstar of twentieth century Latin America In his late teens Gardel won local fame in the barrios of Buenos Aires singing in cafes and political clubs By the 1920s after he switched to tango singing the songs he wrote and sang enjoyed instant popularity and have become classics of the genre He began making movies in the 1930s quickly establishing himself as the most popular star of the Spanish language cinema and at the time of his death Paramount was planning to launch his Hollywood career Collier's biography focuses on Gardel's artistic career and achievements but also sets his life story within the context of the tango tradition of early twentieth century Argentina and of the history of popular entertainment

Colombia's Pension Reform Klaus Schmidt-Hebbel, 1995 IFC Lessons of Experience No 1F This report reviews the experience of the International Finance Corporation IFC in its role as advisor and investor in privatization transactions during the past decade

In pursuit of its mandate to further economic development by encouraging the growth of productive private enterprise in developing countries the IFC has naturally and increasingly been involved in supporting this movement The premise of the report is that privatization will always be partly based on political considerations including expected redistribution of wealth and the resulting winners and losers It discusses the IFC s experience from two perspectives as an advisor involved before the sale which illustrates how the IFC assists in the trade off between political and economic goals to conclude a deal and after privatization which discusses the resulting economic benefits The IFC asserts that its role in privatization is defined by the evolving frontiers of political commitment Within those frontiers it can help expand privatization possibilities by performing advisory assignments providing necessary investments and developing capital market institutions The IFC demonstrates that privatization strategies can assume many forms with few set prescriptions Other language editions English ISBN 0 8213 3447 6 Stock No 13447 Russian out of print ISBN 0 8213 3545 6 Stock No 13545 Spanish out of print ISBN 0 8213 3451 4 Stock No 13451 Second-wave Neoliberalism Christina Ewig,2010 Analyzes the politics of neoliberal health sector reform and its effects in Peru Focuses on the intersecting dynamics of race class and gender in the developing world Provided by publisher **Doing Good Or Doing Better** Monique Kremer,Peter van Lieshout,Robert Went,2009 Development policies in the globalising world
