Our Land is Made of Courage and Glory E. J. Westlake, 2005 Our Land Is Made of Courage and Glory Nationalist Performance of Nicaragua and Guatemala adds to a growing and timely body of work on nationalist drama Examining important twentieth century plays that few people have written about in English E J Westlake analyzes the phenomenon of nation as performance by focusing on the definition of a people national metaphors and the uses of national history Westlake discerns the common characteristics that constitute nationalist plays a genre that seeks to legitimate the nature of a nation by defining its boundaries race language citizens and history Particularly relevant in an era influenced by imperialism migration and globalization the volume probes the concepts of nation and nationalism in the context of postcolonial literary and performance theory Our Land Is Made of Courage and Glory covers the political and theatrical history of Nicaragua and Guatemala Westlake examines how the blending of races factors into nationalism with a look at the play *El tren amarillo* by Manuel Galich and uses Nobel laureate Miguel Ángel Asturias's *Soluna* to show how nationalists appropriate Mayan culture to create a sense of the Guatemalan people and culture She discusses the mapping of history as a linear progression in Alan Bolt's *Banana Republic* and as a cycle of patricide in *Por los caminos van los campesinos* by Pablo Cuadra Westlake also suggests that Rolando Steiner's *La noche de Wiwil* a play taken from an eyewitness account acts as a site of official national memory and she examines as well the canonizing of the folk ballet *El Gueguence* to further explore the notion of sites of memory versus lived memory Raising essential questions about the future of nationalism and nationalist performance Our Land Is Made of Courage and Glory will be of interest to scholars and students in drama Latin American theatre studies political science and history

Gendered Scenarios of Revolution Rosario Montoya, 2012-12-06 In 1979 toward the end of the Cold War era Nicaragua's Sandinista movement emerged on the world stage claiming to represent a new form of socialism Gendered Scenarios of Revolution is a historical ethnography of Sandinista state formation from the perspective of El Tule a peasant village that was itself thrust onto a national and international stage as a model Sandinista community This book follows the villagers' story as they joined the Sandinista movement performed revolution before a world audience and grappled with the lessons of this experience in the neoliberal aftermath Employing an approach that combines political economy and cultural analysis Montoya argues that the Sandinistas collapsed gender contradictions into class ones and that as the Contra War exacerbated political and economic crises in the

country the Sandinistas increasingly ruled by mandate as vanguard party instead of creating the participatory democracy that they professed to work toward In El Tule this meant that even though the Sandinistas created new roles and possibilities for women and men over time they upheld pre revolutionary patriarchal social structures Yet in showing how the revolution created opportunities for Tule os to assert their agency and advance their interests even against the Sandinistas own interests this book offers a reinterpretation of the revolution s supposed failure Examining this community s experience in the Sandinista and post Sandinista periods offers perspective on both processes of revolutionary transformation and their legacies in the neoliberal era Gendered Scenarios of Revolution will engage graduate and undergraduate students and scholars in anthropology sociology history and women s and gender studies and appeal to anyone interested in modern revolution and its aftermath
