## **Society Politics In England 1780 1960:**

*Society and Politics in England, 1780-1960* John Fletcher Clews Harrison, 1965      **Labour and the Poor in England and Wales, 1849-1851** Jules Ginswick, 2017-09-25 First Published in 1983 Routledge is an imprint of Taylor Francis an informa company      **British Economic and Social History** R. C. Richardson, William Henry Chaloner, 1996      *Late Victorian Britain 1875-1901* J.F.C. Harrison, 2013-06-17 Drawing heavily on the recollections and literature of the people themselves Harrison places late Victorian Britain firmly in its social and political context      *Victorian England 1837-1901* Josef Lewis Altholz, J. L. Altholz, 2002-08-22 This book contains 2 500 bibliographical entries covering most aspects of the history of Victorian England      *Routledge Library Editions: The History of Social Welfare* Various, 2021-08-05 This set of 25 volumes originally published between 1805 and 1992 amalgamates original nineteenth century material and more recent research and analysis on the development of social welfare in Britain and Europe From Elizabethan poor relief through the Poor Laws of the nineteenth century to the establishment of the British National Health Service in the mid twentieth century this set provides a comprehensive overview of the germination and establishment of modern social welfare Although the set mainly focuses on social welfare in Britain it also contains some work on welfare in Europe This set will be of keen interest to those studying the history of social welfare social policy poverty and class      **Economy and Society: Selected Writings** Karl Polanyi, 2018-06-29 Few figures are more crucial to understanding the upheavals of our contemporary era than Karl Polanyi In a world riven by social and economic crises from rising inequality to the decay of democratic institutions and profound technological disruption Polanyi s path breaking account of the dynamics of market capitalism and his defence of society and nature against the dangerous tendencies of the market capitalist system are more relevant than ever This book brings together Polanyi s most important articles and essays to give a unique selection of his essential shorter writings mixing classic texts with significant but previously little known pieces It highlights the coherence and richness of Polanyi s theoretical and political approach making it indispensable for understanding his overarching intellectual contribution The volume includes his interwar writings which deal with the world economic crisis and the socialist alternative to conservative and fascist developments his reflection on political theory and the international situation after the war and his comparative studies of economic institutions Polanyi s political writings are complemented and supported by the critique of economic determinism and what he termed our obsolete market mentality This book is an invaluable companion to Polanyi s masterpiece *The Great Transformation* and an essential resource for students and scholars of political economy sociology history and political philosophy      **Labour and the Poor in England and Wales, 1849-1851: Lancashire, Cheshire, Yorkshire** Jules Ginswick, 1983 The letters to *The Morning chronicle* from the correspondents in the manufacturing and mining districts the towns of Liverpool and Birmingham and the rural districts      **Europe's Uncertain Path 1814-1914** R. S. Alexander, 2012-01-30 *Europe s Uncertain Path* is an introduction to Europe s turbulent history from 1814 to 1914 It

presents a clear narrative of the major political events set against the backdrop of social economic and cultural change An introduction to Europe s turbulent history from 1814 to 1914 Provides students with a solid grounding in the main political events and social changes of the period Explains the causes and outcomes of major events the effect of the emergence of mass politics the evolution of political ideologies and the link between foreign and domestic policy Offers balanced coverage of Eastern Western and Central Europe Illustrations maps and figures enhance student understanding **Modernism, Cultural Production, and the British Avant-garde** Edward P. Comentale,2004-07-05 Edward Comentale exposes the links between art literature and early twentieth century capitalism Comentale shows how apparently progressive avant garde movements in their celebration of individualism competition and labor worked hand in hand with a market defined by a monstrous increase in production and consumption Comentale provides an interdisciplinary study examining art and sculpture as well as writing by Virginia Woolf T S Eliot and H D among others in the light of psychoanalytic economic and political theory This book will be of interest to scholars of literary and cultural modernism Political Representation and Elections in Britain (Routledge Library Editions: Political Science Volume 12) Peter Pulzer,2013-04-15 Originally published in 1972 this edition includes expanded sections on class and voting and elites and participation in modern democracy Many popular misconceptions about the militancy of party activists the relations between MPs and constituents the role of TV and the fairness of the electoral system are critically examined Equally important is the review of representational theories from Greek to Victorian in the light of what we know today about the workings of Parliament the role of pressure groups and the mixture of rational and irrational motives in human behaviour A range of twentieth century critiques including those of Robert Michels Joseph Schumpeter Robert Dahl and Peter Bachrach is presented Wherever possible British experience is compared with that of the USA continental Europe or the Commonwealth The Victorians Laurence Lerner,2025-06-30 First published in 1978 The Victorians presents a survey of the Victorian era exploring the relationship between literature and society through three distinct sections The first delineates the literary history in two chapters on the Victorian novel and Victorian poetry respectively In the second and largest section of a series of essays discuss various fundamental aspects of Victorian society the economic and social framework government and institutions the sense of the past painting and illustration religion and the role of women The third section offers two essays which explicitly relate a particular work to the society one on Dicken s Dombey and Son and the other on Tennyson s The Princess By turning to each essay after the rounded picture of Victorian society given in the previous section the reader will not only find her appreciation enhanced but will also be enabled to argue back on equal terms in a way that is never possible with the survey of literature alone This book is a must read for scholars and researchers of English literature **JT Wilson and the Fraternity of Duckmaloi** Patricia Morison,2019-12-01 In the 1890s four young scientists at Sydney University two Scots a Londoner and an Australian began sustained research into Australian native fauna for which each was awarded the FRS They all went on to pursue notable

careers in the biological sciences concluding in London 46 8 and Cambridge This book follows their careers and enduring friendship exploring in detail the life of its senior member J T Wilson 1861 1945 who was professor of anatomy at Sydney University 1890 1920 and Cambridge 1920 1933 and had abiding interests in science philosophy education and military affairs The narrative is mainly concerned with issues of historical interest to scientists and medical educationists though some like Empire relations and the contribution of Scots to Australia s development will interest a wider readership Many of the preoccupations of Wilson and his colleagues remain topical the debate between biological science and religion the struggle to interpret Darwin s theory without placing Homo sapiens at the top of an evolutionary tree pure versus applied science vocationalism versus scholarship in university education      **British Chartists in America, 1839-1900** Ray Boston, 1971 Study of historical facts concerning the chartist social movement viewed from the experience of British immigrants in the USA in the 19th century covers the implantation and decline of a working class movement its socialist aspirations social conflicts and involvement in social reform issues and trade unionism etc and includes biographical notes on prominent British chartists in America Bibliography Biographies British chartists in the USA      Prophet John Wroe Edward Green, 2005-06-23 Prophet John Wroe 1782 1863 found fame through his many predictions his preaching and the establishment of the Christian Israelite Church in the early 1820s Edward Green places Wroe s life and career in the context of an industrialised society struggling to find values and needing to believe in themselves as the Chosen People      The Explosion of British Society, 1914-1970 Arthur Marwick, 1971 First edition has title The explosion of British society 1914 62
