Sugar And Power In The Dominican Republic Eisenhower Kennedy And The Trujillos:

Sugar and Power in the Dominican Republic Michael R. Hall, 2000-01-30 A study of the powerful impact that sugar had on U S Dominican relations as the primary vehicle of reciprocal manipulation from 1958 to 1962 Sugar and Power examines the development of the sugar industry in the Dominican Republic Hall uncovers new evidence that supports the belief that U S Latin American relations during this period were frequently a two way street with the United States reacting to Latin American initiatives just as frequently as Latin Americans responded to American initiatives Both Eisenhower and Kennedy used sugar quota legislation as a foreign policy tool At the same time the Trujillo regime played upon Washington s fear of communism in response to the Cuban revolution to obtain an expanded sugar quota Drawing heavily on U S and Dominican government documents this study argues that the U S initiated economic sanctions against Trujillo to gain hemispheric support against Castro s Cuban revolution Kennedy expanded those sanctions in an attempt to push the Dominican Republic along the path toward democracy Although Juan Bosch s election at the end of 1962 and the allotment of a generous sugar quota indicated the apparent success of U S foreign policy toward the Dominican Republic the overthrow of Bosch in 1963 indicated that the path toward democracy was longer than American policy makers had anticipated This case study in the role of economic coercion in U S Latin American relations during the Cold War tries to present a balanced account of both sides of the story

A Companion to John F. Kennedy Marc J. Selverstone, 2014-03-24 b A COMPANION TO JOHN F KENNEDY A COMPANION TO JOHN F KENNEDY Marc J Selverstone has compiled an indispensable volume of essays on John F Kennedy and his presidency written by a stellar cast of scholars What stands out in sharp relief in this wide ranging and authoritative book is how consequential were Kennedy s thousand days for the United States and for the world and how controversial is his legacy Fredrik Logevall Stephen and Madeline Anbinder Professor of History Cornell University Marc J Selverstone has brought together a remarkable group of scholars who illuminate the many important ideas of and events that occurred during this brief administration This book is the best record of the Kennedy years Alan Brinkley Allan Nevins Professor of American History Columbia University This collection of talented scholars and their research and thoughts on John F Kennedy is an invaluable resource a deeply informed conversation for the ages Richard Reeves writer syndicated columnist and senior lecturer at the Annenberg School for Communication at the University of Southern California

A Companion to Dwight D. Eisenhower Chester J. Pach, 2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the

Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history *Precarious Paths to Freedom* Aragorn Storm Miller, 2016-05-15 Miller analyzes US Venezuelan relations during the 1950s and 1960s as a case study for the broader political dynamics of the hemisphere and beyond during the critical period of the global Cold War He addresses the perception that US foreign policy toward Latin America was an overwhelming failure in which initiatives intended to promote democracy and modernization and to insulate the hemisphere from the ideological struggles of the global Cold War reaped only authoritarian regimes uneven and sluggish economic growth and abstract debates over capitalism and communism that distracted attention from Latin America's pressing socioeconomic problems *Precarious Paths to Freedom* demonstrates that Washington rather achieved success by cultivating a partnership with a democratizing Venezuela From 1958 onward US policymakers identified Venezuela as the crucial bulwark against political extremism and as the ideal partner in the creation of a modernized prosperous and pro US Latin America *The Sources of Social Power: Volume 4, Globalizations, 1945-2011* Michael Mann, 2012-12-28 Distinguishing four sources of power ideological economic military and political this series traces their interrelations throughout human history This fourth volume covers the period from 1945 to the present focusing on the three major pillars of post war global order capitalism the nation state system and the sole remaining empire of the world the United States In the course of this period capitalism nation states and empires interacted with one another and were transformed Mann's key argument is that globalization is not just a single process because there are globalizations of all four sources of social power each of which has a different rhythm of development Topics include the rise and beginnings of decline of the American Empire the fall or transformation of communism respectively the Soviet Union and China the shift from neo Keynesianism to neoliberalism and the three great crises emerging in this period nuclear weapons the great recession and climate change **The Origins of Overthrow** Payam Ghalehdar, 2021 Emotional frustration and US regime change The 1906 intervention in Cuba The 1909 1912 intervention in Nicaragua US dealings with the Dominican Republic 1963 65 US dealings with Iran 1979 80 US dealings with Iraq 2001 03 What's Love Got to Do with It? Denise Brennan, 2004-05-14 An ethnographic case study of sex tourism in the Dominican Republic showing how the sex trade is linked to economic and cultural globalization **Neighborly Adversaries** Michael J. LaRosa, Frank O. Mora, 2007 Providing a balanced and interdisciplinary interpretation this comprehensive reader traces the troubled U S Latin American relationship from the beginning of the nineteenth century to the post 9 11 period Thoroughly revised and updated the second edition includes original essays on critical issues such as immigration and the environment In addition a new section helps students understand the most important themes and topics that unify and divide the United States and Latin American nations today The readings are framed by the editors opening chapter on the history of the relationship part introductions

and abstracts for each selection Methodologically interdisciplinary yet comparative and historical in organization and structure this collection will benefit students and specialists of Latin America s complex historical social and political relationship with its northern neighbor

Historical Dictionary of the Dominican Republic Eric Paul

Roorda,2016-04-28 The colony called Santo Domingo which became the Dominican Republic was the violent crucible in which the ingredients of the New World drawn from America Europe and Africa were fused together for the first time humans religions technologies animals plants and learned behaviors The history of the Dominican Republic diverged from the patterns established by the rest of Latin America as it ultimately gained independence not from Spain but from Haiti and Spain later recolonized the country during a watershed period in the 1860s In the 20th century the United States occupied the Dominican Republic on two formative occasions from 1916 to 1924 and again in 1965 1966 interventions detailed in this volume At every turn the backdrop to this pattern of shaky sovereignty has been the extreme instability of Dominican politics which has been punctuated by incessant civil wars coups and periods of dictatorship until the last few decades The Historical Dictionary of the Dominican Republic contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Dominican Republic

A Companion to American Foreign Relations Robert Schulzinger,2008-04-15 This is an

authoritative volume of historiographical essays that survey the state of U S diplomatic history The essays cover the entire range of the history of American foreign relations from the colonial period to the present They discuss the major sources and analyze the most influential books and articles in the field Includes discussions of new methodological approaches in diplomatic history

Everything You Need to Know About Latino History Himilce Novas,2007-11-27 The popular

primer to Latino life and culture Latinos represent the fastest growing ethnic population in the United States In an accessible and entertaining question and answer format this completely revised 2008 edition provides the most current perspective on Latino history in the making including New Mexico governor Bill Richardson s announced candidacy for the 2008 presidential election Ugly Betty the hit ABC TV show based on the Latino telenovela phenomenon The number of Latino players in Major League baseball surpassing the 25 percent mark Immigration legislation and the battle over the Mexican border The state of Castro s health and what it means for Cuba More than ever this concise yet comprehensive reference guide is the ideal introduction to the vast and varied history and culture of this multifaceted ethnic group

Our

Caribbean Kin Alai Reyes-Santos,2015-06-15 Beset by the forces of European colonialism US imperialism and neoliberalism the people of the Antilles have had good reasons to band together politically and economically yet not all Dominicans Haitians and Puerto Ricans have heeded the calls for collective action So what has determined whether Antillean solidarity movements fail or succeed In this comprehensive new study Ala Reyes Santos argues that the crucial factor has been the

extent to which Dominicans Haitians and Puerto Ricans imagine each other as kin Our Caribbean Kin considers three key moments in the region's history the nineteenth century when the antillanismo movement sought to throw off the yoke of colonial occupation the 1930s at the height of the region's struggles with US imperialism and the past thirty years as neoliberal economic and social policies have encroached upon the islands At each moment the book demonstrates specific tropes of brotherhood marriage and lineage have been mobilized to construct political kinship among Antilleans while racist and xenophobic discourses have made it difficult for them to imagine themselves as part of one big family Recognizing the wide array of contexts in which Antilleans learn to affirm or deny kinship Reyes Santos draws from a vast archive of media including everything from canonical novels to political tracts historical newspapers to online forums sociological texts to local jokes Along the way she uncovers the conflicts secrets and internal hierarchies that characterize kin relations among Antilleans but she also discovers how they have used notions of kinship to create cohesion across differences **Fidel**

Castro and Africa's Liberation Struggle Sabella Ogbobode Abidde, Charity Manyeruke, 2020-10-01 The post 1959 Cuban government's engagement with Africa which was led by its charismatic and revolutionary leader Fidel Castro had two connecting dimensions military internationalism and humanitarian internationalism While African states and societies benefited immensely from these engagements it was Fidel Castro's military assistance towards the decolonization of and the pushback of Apartheid South Africa that received the loudest attention and ovation in the developing world Fidel Castro this book argues was never motivated by economic selfish or geopolitical considerations but rather by the altruism and the certainty of his worldview and by the historical connection between the peoples of Cuba and Africa The principle of international solidarity socialism and the emancipation of Africa was a much desired aspiration and attainment Beginning covertly in Algeria in 1961 and the Congo and Guinea Bissau in 1964 and more conspicuously in Angola in 1975 Fidel Castro and his socialist government was at the forefront supporting liberation movements in their struggle against colonialism Defining Castro's engagement with Africa was his support for the People's Movement for the Liberation of Angola MPLA against the United States backed Apartheid South Africa which supported the National Liberation Front of Angola FNLA and the National Union for the Total Independence of Angola UNITA **Historical Dictionary of Haiti** Fequiere

Vilsaint, Michael R. Hall, 2021-08-01 This book covers the history of Haiti starting in 1492 with the initial European landing of the island to the present day Haiti shares the island of Hispaniola with the Dominican Republic Haiti proclaimed its independence from France on January 1 1804 following the only successful slave revolution in the Americas As a result of the Haitian Revolution 1791 1804 Haiti became the first independent Latin American nation and the second independent nation in the Western Hemisphere after the United States Throughout its history it has suffered political violence and a devastating earthquake which killed over 300 000 people Historical Dictionary of Haiti Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important

personalities as well as aspects of the country's politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Haiti. **Encyclopedia of U.S.**

Military Interventions in Latin America Alan McPherson, 2013-07-08 This unique reference shows how the United States has intervened militarily, politically, and economically in Central America, South America, and the Caribbean from the early 19th century to the present day. What do baseball, American war crimes, and a slice of watermelon have in common in the annals of Latin American history? Believe it or not, this disparate grouping reflects the cultural and historical remnants of America's military and political involvement in the region. As early as 1811, the United States began intervening in the affairs of Central America, South America, and the Caribbean, and it hasn't stopped since. This compelling reference analyzes both the major interventions and minor conflicts stemming from our nation's military operations in these areas and examines the people, places, legislation, and strategies that contributed to these events. In addition to documented facts and figures, the alphabetically organized entries in *Encyclopedia of U.S. Military Interventions in Latin America* present fascinating anecdotes on the subject, including why the United States once invaded Panama over a slice of watermelon, how an intervention in Nicaragua landed our country on trial for war crimes, and how the popularity of baseball in Latin America is a direct result of American influence. Primary source documents and visual aids accompany the content. **The Cold War** Spencer C.

Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991. The Cold War, superpower face-off between the Soviet Union and the United States, dominated international affairs in the second half of the 20th century and still reverberates around the world today. This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world-changing event, including wars, new military technologies, diplomatic initiatives, espionage activities, important individuals and organizations, economic developments, societal and cultural events, and more. This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict. The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War, which are followed by some 1,500 entries on key individuals, wars, battles, weapons systems, diplomacy, politics, economics, and art and culture. Each entry has cross-references and a list of books for further reading. The text includes more than 100 key primary source documents, a detailed chronology, a glossary, and a selective bibliography. Numerous illustrations and maps are inset throughout to provide additional context to the material. *Covert*

Regime Change Lindsey A. O'Rourke, 2018-12-15 Lindsey A. O'Rourke is Assistant Professor of Political Science at Boston College. Her research focuses on regime change, international security, and US foreign policy. **The History of American Foreign Policy from 1895** Jerald A. Combs, 2015-02-12 This important text offers a clear, concise, and affordable narrative and analytical history of American foreign policy since the Spanish-American War. The book narrates events and policies but

goes further to emphasize the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves

Holding the Line George White, 2005 The Eisenhower administration's confrontation with Africa demonstrates the significance of race in the creation and execution of American foreign policy In this new work historian George White Jr explores the ways in which Eisenhower diplomacy influenced by America's racialized fantasies fears and desires turned the Cold War into a global sanctuary for the rehabilitation of Whiteness

Parameters, 2001
