comes together is breathtaking Goodreads reviewer Secrets Lies Visions If you think you know your history think again When Selkie Moon escapes her abusive marriage and reclaims the name her dead mother gave her she lands in Hawaii with a little red suitcase and not much else As she rebuilds her life her new friends amuse her with stories from the local folklore But when a vision appears to Selkie in a kahuna's mirror and threatens her life it unleashes a series of events so strange and frightening they begin to lift the lid on long buried secrets What really happened on the beach thirty three years ago Why did her step mother rename her Elkie And why won't her father talk about it As her reality crumbles around her Selkie must learn to trust her psychic twinges and investigate every belief her life is built upon And time is running out What she discovers begins a journey that will take her around the globe to uncover one secret after another and summon the courage and resourcefulness to survive each one The First Lie Hawaii The Second Path France The Third Note Ireland If you love complex mysteries with lightning pace twists and turns you never see coming quirky clues and a sprinkling of the supernatural then you'll love The Secrets of Selkie Moon Get it now *The Secrets of Revelation* Sekhar Reddy Vasa,2017-01-31 Dear readers God had created Adam and had installed him as the guardian of the Garden of Eden and from his side bone he had created the woman Though Adam was not aware of the fruit of a tree that was pertinent to the destruction of humans which had existed in the garden itself God himself had informed Adam that the destruction of man would take place for sure through the eating of that fruit But Adam and Eve both were subjected to the preaching of the serpent they had consumed that forbidden fruit and had received death and the punishment from the God Later during the period of Noah God had chosen Noah and his family and had made them build the ark for one hundred and twenty years During that period through Noah God had revealed about the disastrous floods and the destruction of the world through that flood well in advance But there was not any repentance in the humans The result was the great disastrous floods Later during the period of Moses as God had intended to get the Israelis from the slavery he had chosen their leader Through Moses he had intimated about the destruction that was going to take place in Egypt to the Pharaoh the ruler and his province But the result was just the destruction Even though God had revealed them in advance about the destruction In this way God had been warning people about the upcoming destruction through the prophets well in advance The reason is his ambitioning that they would repent for their sins and would come into his protection The citizens of Nineveh are those who had given up their mistakes and had repentance These through the preaching of Jonah had realized their mistakes they repented for their sins and had received the protection of God In this way God himself had revealed about the deeds of destruction that he was about to perform through the preaching of the people that he had chosen and if they do not repent for their sins he had been destroying them Similarly Lord Christ has foretold about the incidents that are going to happen at the end of world to his beloved disciple John This would have been taken place two thousand years ago Those who had learnt all the incidents that would take place by the period of Doomsday from the period of Jesus Christ and had acquired repentance had been protected

since then But those had not repented had not been sentenced yet But the treatise of Revelation is full of mysteries secrets and arcana The multitudes opine that this treatise is a tough nut to crack for the ordinary people God warns that the destruction is inevitable It is the ambition of God that each and every one must know the secrets of his coming because God is not the one who performs the deeds secretly He would reveal it well in advance through his prophets he would give them some time and if they do not acquire repentance he would destroy them As a part of that he had chosen us he had bestowed us the divine wisdom and instigated us to write in a simple way that each and every one would easily understand the secrets of revelation that explains the reason and the ways the world is going to end and through this book he is giving a warning to the citizen of the entire world So I plead you as the messenger of the Father Son and Holy Sprit to repent and live a life that is worthy of God Otherwise the end of world is inevitable inevitable inevitable Let the Grace of the Lord be with his servants Amen
