Summary Guide To Corpus Vasorum Antiquorum:

Summary Guide to Corpus Vasorum Antiquorum Thomas H. Carpenter, 1984 This historic 1933 publication documents the important collection of Egyptian Greek and Italian pottery assembled in the early years of what is now the Kelsey Museum of Archaeology This collection brought together in part for teaching purposes contains a wide range of classic pottery types and is illustrative of the development of pottery over time in these Mediterranean cultures The volume consists of a portfolio containing loose unbound plates and explanatory text with catalogue as is the standard for the CVA

A Research Guide to the Ancient World John M. Weeks, Jason de Medeiros, 2014-11-25 The archaeological study of the ancient world has become increasingly popular in recent years A Research Guide to the Ancient World Print and Electronic Sources is a partially annotated bibliography The study of the ancient world is usually although not exclusively considered a branch of the humanities including archaeology art history languages literature philosophy and related cultural disciplines which consider the ancient cultures of the Mediterranean world and adjacent Egypt and southwestern Asia Chronologically the ancient world would extend from the beginning of the Bronze Age of ancient Greece ca 1000 BCE to the fall of the Western Roman Empire ca 500 CE This book will close the traditional subject gap between the humanities Classical World Egyptology and the social sciences anthropological archaeology Near East in the study of the ancient world This book is uniquely the only bibliographic resource available for such holistic coverage The volume consists of 17 chapters and seven appendixes arranged according to the traditional types of library research materials bibliographies dictionaries atlases etc The appendixes are mostly subject specific including graduate programs in ancient studies reports from significant archaeological sites numismatics and paleography and writing systems These extensive author and subject indexes help facilitate ease of use

Corpus Vasorum Antiquorum Thomas Mannack, 2010

The Red and the Black Brian A. Sparkes, 2013-10-16 The Red and the Black covers the major stages in the history of Greek pottery production both figured and plain as they are understood today It provides an up to date evaluation of ways of studying Greek pottery and encourages new approaches There is a detailed analysis of the subject matter of figured scenes covering some of the main preoccupations of ancient Greece myth fantasy and everyday life Furthermore it sets the artefacts in the context of the societies that produced them highlighting the social art historical mythological and economic information that can be revealed from their study This volume also covers a hitherto neglected area the history of the collecting of Greek pottery through the Renaissance and up to the present day It shows how market values have gradually increased to the high prices of today and goes on to take a closer look at the enthusiasm of the collectors
