Developing the Higher Education Curriculum Brent Carnell, Dilly Fung, 2017-11-13 A complementary volume to Dilly Fung's A Connected Curriculum for Higher Education 2017 this book explores research based education as applied in practice within the higher education sector A collection of 15 chapters followed by illustrative vignettes it showcases approaches to engaging students actively with research and enquiry across disciplines It begins with one institution's creative approach to research based education UCL's Connected Curriculum a conceptual framework for integrating research based education into all taught programmes of study and branches out to show how aspects of the framework can apply to practice across a variety of institutions in a range of national settings The 15 chapters are provided by a diverse range of authors who all explore research based education in their own way Some chapters are firmly based in a subject discipline including art history biochemistry education engineering fashion and design healthcare and veterinary sciences while others reach across geopolitical regions such as Australia Canada China England Scotland and South Africa

The final chapter offers 12 short vignettes of practice to highlight how engaging students with research and enquiry can enrich their learning experiences preparing them not only for more advanced academic learning but also for professional roles in complex rapidly changing social contexts

Workforce Investment Act United States. General Accounting Office,2002

Workforce Investment Act Sigurd R. Nilsen,2002 Directors of 505 local workforce investment boards WIBs nationwide were surveyed to understand implementation status linkages with education and factors affecting implementation of the Workforce Investment Act WIA of 1998 Findings indicated nearly all local WIBs established a youth council and a network of youth service providers local boards found it challenging to get parents and youth to participate on youth councils a number of local areas found it difficult to identify and select youth service providers through the competitive selection process because low numbers of providers responded to requests for proposals educators participated on youth councils and delivered services but remained tentative partners two factors facilitated implementation experience in collaborative efforts among youth serving agencies and placing priority on youth development and legislative requirements such as documenting income eligibility meeting spending requirement for out of school youth measuring performance indicators and setting performance goals and meeting partnering requirements impeded implementation progress or adversely affected service delivery Appendixes include a comparison of key youth provisions under WIA and the Job Training Partnership Act and Department of Labor comments Contains 28 footnotes YLB
