*Summer of Fire* Jill Sheldon, 1998 **Summer of Fire and Blood** Lyndal Roper, 2025-02-11 In this extraordinary and brilliant book Helen Castor author of *She Wolves* a prize winning historian offers the definitive account of the sixteenth century uprising that revolutionized Europe The German Peasants War was the greatest popular uprising in Western Europe before the French Revolution In 1524 and 1525 it swept across Germany with astonishing speed as well over a hundred thousand people massed in armed bands to demand a new and more egalitarian order The peasants took control of vast areas of southern and middle Germany torching and plundering the monasteries convents and castles that stood in their way But they proved no match for the forces of the lords who put down the revolt by slaying somewhere between seventy and a hundred thousand peasants in just over two months In *Summer of Fire and Blood* the first history of the German Peasants War in a generation historian Lyndal Roper exposes the far reaching ramifications of this rebellion Though the war's victors portrayed the uprising as naive and inchoate Roper reveals a mass movement that sought to make good on the radical potential of the Protestant Reformation By recovering what the people themselves felt and believed *Summer of Fire and Blood* reconstructs the thrilling tragic story of the peasants fight to change the world
