*Bloom's How to Write about Tennessee Williams* Jennifer Banach, 2009 Tennessee Williams is recognized as one of America's greatest dramatists and as an innovator of post World War II theater He looked for a mechanism for portraying the truth in theater at a time when traditional approaches no longer worked Both in form as well as in subject matter Williams

confronted audiences with what had been taboo topics and underrepresented domestic and social realities His notable contributions to literature include *The Glass Menagerie* *A Streetcar Named Desire* and *Cat on a Hot Tin Roof* Coverage of Williams s major works and suggested essay topics will be invaluable to students and researchers *Tennessee Williams* Philip Kolin,1998-10-28 The plays of Tennessee Williams are some of the greatest triumphs of the American theatre If Williams is not the most important American playwright he surely is one of the two or three most celebrated rivaled only by Eugene O Neill and Arthur Miller In a career that spanned almost five decades he created an extensive canon of more than 70 plays His contributions to the American theatre are inestimable and revolutionary *The Glass Menagerie* 1945 introduced poetic realism to the American stage *A Streetcar Named Desire* 1947 explored sexual and psychological issues that had never before been portrayed in American culture *Cat on a Hot Tin Roof* 1955 dared to challenge the political and sexual mores of the Eisenhower era and his plays of the 1970s are among the most innovative works produced on the American stage But Williams was far more than a gifted and prolific playwright He created two collections of poetry two novels four collections of stories memoirs and scores of essays Because of his towering presence in American drama Williams has attracted the attention of some of the most insightful scholars and critics of the twentieth century The 1990s in particular ushered in a renaissance of Williams research including a definitive biography a descriptive bibliography and numerous books and scholarly articles This reference book synthesizes the vast body of research on Tennessee Williams and offers a performance history of his works Under the guidance of one of the leading authorities on Williams expert contributors have written chapters on each of Williams works or clusters of works Each chapter includes a discussion of the biographical context of a work or group of writings a survey of the bibliographic history an analysis of major critical approaches which looks at themes characters symbols and plots a consideration of the major critical problems posed by the work an overview of chief productions and film and television versions a concluding interpretation and a bibliography of secondary sources The volume concludes with a selected general bibliography and a comprehensive index **New York Magazine** ,1982-06-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Intercourse Andrea Dworkin,2008-08-01 Andrea Dworkin once called Feminism s Malcolm X has been worshipped reviled criticized and analyzed but never ignored The power of her writing the passion of her ideals and the ferocity of her intellect have spurred the arguments and activism of two generations of feminists Now the book that she s best known for in which she provoked the argument that ultimately split apart the feminist movement is being reissued for the young women and men of the twenty first century *Intercourse* enraged as many readers as it inspired when it was first published in 1987 In it Dworkin argues that

in a male supremacist society sex between men and women constitutes a central part of women's subordination to men This argument was quickly and falsely simplified to all sex is rape in the public arena adding fire to Dworkin's already radical persona In her introduction to this twentieth anniversary edition of *Intercourse* Ariel Levy the author of *Female Chauvinist Pigs* discusses the circumstances of Dworkin's untimely death in the spring of 2005 and the enormous impact of her life and work Dworkin's argument she points out is the stickiest question of feminism Can a woman fight the power when he shares her bed
