A RADICAL APPROACH TO  
CHILD REARING

# Summerhill A Radical Approach To Child Rearing

**Harley Rothstein**

## **Summerhill A Radical Approach To Child Rearing:**

*Summerhill* Alexander Sutherland Neill, 1960 The author records his unique opinions on child rearing and education as practiced in the experimental school called Summerhill he has run in England for forty years      **Summerhill, a Radical Approach to Child Rearing** Alexander Sutherland Neill, 1960      *Summerhill, a radical approach to child rearing* A. S. Neill, 1977      **On the Side of the Child** William Ayers, 2003 A S Neill s radical approach to child rearing is as controversial today as it was in 1960 Neill s code of freedom emphasized the principles of freedom love and positive discipline in the care and education of children These ideals continue to evoke admiration by many who have found them key to not only raising healthy happy children but also to stemming the tide of violence in our schools and society Others dismiss these same principles for being idealistic at best and harmful at worst In this wonderful account Bill Ayers speaks as a parent and an educator who has spent years in the classroom experimenting with Neill s progressive approach While Ayers admits to being a long time fan of Neill s he also admits that Neill s techniques sometimes seemed more than a little loony when they first appeared It is Ayers s honest straightforward approach that makes his treatment of Neill so valuable and relevant to how we treat and raise our children today This vital and unique volume is a great read for parents teachers and anyone considering alternative visions for raising children and overcoming violence in today s society It also features key sections from the original text of *Summerhill A Radical Approach to Child Rearing* that Ayers identifies as critical to understanding Neill s philosophy William Ayers dialog with A S Neill is particularly important at this time when high stakes testing and an obsession with stigmatizing children as ADD or Hyperactive is a substitute for treating students as respected citizens of their schools Neill and Ayers understand the importance of choice voice and respect in the lives of adolescents and they honor and celebrate it From the Series Foreword by Herb Kohl Bill Ayers a creative and insightful educator begins where A S Neill left off by challenging us to think outside the box and push for true freedom and democracy in our schools This book is a must read not only for educators but also for professionals and parents who care about children and for whom building a truly humane and just society is paramount Jane R Hirschmann Chair NYS Parents Coalition to End High Stakes Testing

*Summerhill, A Radical Approach to Child Rearing, by A.S. Neill. With a Foreword by Erich Fromm* Alexander Sutherland Neill, 1962      **Summerhill: a radical approach to child rearing, with a foreword by E. Fromm** Alexander Sutherland Neill,      *Summerhill* Alexander Sutherland Neill, 1962 Radical opinions on the important aspects of parenthood and child rearing of Summerhill School      *The Greatest Educators Ever* Frank M. Flanagan, 2005-11-10 A fascinating look at the greatest educators of all time including Rousseau Newman Montessori and Freire *The Greatest Educators Ever* brings together the most influential and interesting educators of all time With entries ranging from Plato to Jesus and Froebel to Freire This book provides a fascinating overview of the development of educational thought through the ages Frank Flanagan writes engagingly and accessibly considering each educator s unique contribution and placing it in a historical and

intellectual context A fascinating read for educators and students alike      **Summerhill** ,1970 A criticism of Summerhill a radical approach to child rearing by A S Neill Harmondsworth Mddx Penguin Books 1968      Alternative Schools in British Columbia 1960-1975 Harley Rothstein,2024-08-09 The tumultuous 1960s was an era of the counterculture political activism and resistance to authority Conventions and values were challenged and new approaches to education captured the imaginations of parents teachers and students Reacting against the one size fits all nature of the traditional public school system groups of parents and teachers in Canada and the United States established alternative schools or free schools based on the Progressive child centred philosophy of John Dewey and the Romantic ideas of Summerhill founder A S Neill In Alternative Schools in British Columbia 1960 1975 Harley Rothstein tells the story of ten such schools that arose in the province of British Columbia Drawing on 350 self conducted interviews newspaper articles personal journals and school records Dr Rothstein invites readers to experience the early days of alternative schools He describes the educational philosophy curriculum and governance of these institutions and introduces readers to the people who were at the heart of alternative communities Tracing the evolution successes and challenges of each school he presents the day to day experience and brings to life the ethos of the 1960s era Historians educators and all curious readers will become immersed in this engaging account of a group of educational pioneers on Canada s west coast and how they inspired the liberalization of the public school system that would come in the 1970s      **Music Education** Michael L. Mark,2008 This book is an eye opening and mind expanding collection of important writings chosen with erudition and situating music education in the long sweep of history from Plato to the present and diverse cultures      **Music Education** Michael Mark,2013-02-11 Music Education Source Readings from Ancient Greece to Today is a collection of thematically organized essays that illuminate the importance of music education to individuals communities and nations The fourth edition has been expanded to address the significant societal changes that have occurred since the publication of the last edition with a greater focus on current readings in government philosophy psychology curriculum sociology and advocacy This comprehensive text remains an essential reference for music educators today demonstrating the value and support of their profession in the societies in which they live      **Once and Future Feminist** Merve Emre,2018-08-14 Feminist writers and scholars consider whether technology has made good on its promise to liberate women sexually biologically economically and politically In Once and Future Feminist editor and lead essayist Merve Emre turns a critical eye on the role of technology in feminism both past and present With her starting point the fertility benefits offered by Silicon Valley tech companies Emre posits that such reproductive technologies as egg freezing and in vitro fertilization aren t inherently emancipatory they often make women even more vulnerable to exploitation in the workplace Almost fifty years ago radical feminist Shulamith Firestone viewed developments in reproductive technology with skepticism arguing in The Dialectic of Sex that they are only incidentally in the interests of women when at all Engaging other feminist writers and scholars this collection broadens out to examine whether technology

in general has made good on its promise to liberate women sexually biologically economically and politically In this context Once and Future Feminist considers not only whether or not a radical emancipatory feminism is possible today but what such a feminism might look like Contributors Irina Aristarkhova Michael Bronski James Chappell Mary Darnovsky Silvia Federici Chris Kaposy Sophie Lewis Andrea Long Chu Annie Menzel Cathy O Neil Sarah Sharma Diane Tober Miriam Zoll

Disavowed Knowledge Peter Maas Taubman,2012-05-22 This is the first and only book to detail the history of the century long relationship between education and psychoanalysis It provides not only a historical context but also a psychoanalytically informed analysis     **Liberty Means Freedom for All** Steven H. Propp,2012-11 Thomas Anderson has just graduated from CSU Stentoria with his degree in Political Science It s an election year and as a young progressive in California who has been raised by equally progressive parents he is very much concerned with the political issues currently being discussed in the mass media A chance encounter with a fellow graduate named Kelly Kelso however shakes up his settled view of the world He is challenged to examine the rising number of alternatives to the two party system presented by third party movements such as the Libertarian Party and the Green Party and is forced to acknowledge that there is far more to politics than simply Democrat versus Republican and liberal versus conservative Thomas delves energetically into not only the growing Libertarian movement but the free market perspective of the Austrian School of economics as well as the rigid yet compelling view of Ayn Rand s philosophy of Objectivism His explorations grow wider now encompassing the Tea Party movement and the Christian Right tax resisters and gun rights advocates survivalists and militia members anarchists communists and Democratic Socialists as well as the Occupy Wall Street movement He debates the radical environmental views of animal welfare and animal rights advocates and challenges opponents of corporate globalism as well as deniers of global warming as he struggles to reformulate and articulate his own developing beliefs while coping with a sea of conflicting ideas and opposition But this abstract political theory is brought into sharp encounter with concrete political reality when Thomas hears a news report of an armed conflict with authorities taking place just outside of town involving someone with whom he has become emotionally involved     **Salvaging a Teenage Wasteland** Andrew J. Finch,2024-10-22 This book provides the first major historical account of the recovery high school movement from its beginnings in the alternative schools of the 1970s that overlapped with the first adolescent substance use treatment programs     **Asian Americans at the Margins** H. Roy Kaplan,2025-01-30 As the United States wrestles with the rising tide of hate crimes Asian Americans have been disproportionately victimized From the infamous Chinese Exclusion Act of 1882 to contemporary attempts to restrict Asian land ownership Asian Americans continue to be regarded as different aliens in their own country Why are they still regarded as outsiders despite their scientific cultural and other contributions to U S society This book exposes the origin and current perceptions of myths and stereotypes about Asian Americans with a look at prospects for their recognition and acceptance by the dominant white society     *Anarchist Seeds Beneath the Snow* David Goodway,2006-01-01 From William Morris to Oscar

Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history This work seeks to recover that indigenous anarchist tradition It argues that a recovered anarchist tradition could be a touchstone for contemporary political radicals      **Encyclopedia of Educational Reform and Dissent** Thomas C.

Hunt,2010-01-20 The history of American education is replete with educational reform and to a lesser extent educational dissent Consider the present you have various forms of privatization school choice the No Child Left Behind act home schooling value added accountability alternative teacher preparation programs on line instruction etc This range of activity is not exceptional For instance consider the past progressive education open education the junior high school the middle school Life Adjustment education career education vocational education the comprehensive high school school to work year round schooling behavioral objectives proficiency exams high stakes testing whole language learning packages and self paced instruction modular scheduling site based management all presented as the way to reform American schools at least in part Then you have the reformers themselves such as John Dewey George Counts Herbert Kohl John Holt Charles Silberman Admiral Hyman Rickover James Bryant Conant all the way back to Horace Mann himself Dissenters and dissenting movements while not as numerous and certainly not as well known in educational circles count the various faith based schools and individuals such as Archbishop Hughes of New York Clearly this is an area rich in ideas rife with controversy and vital in its outcome for individuals and the nation as a whole And yet strangely enough there exists no major encyclopedia bringing the varied strands together in one place as a ready reference for scholars teachers school administrators and students studying to enter the educational profession This two volume work is intended to be that authoritative resource Key themes and topics include biographies of reformers and dissenters theoretical and ideological perspectives key programs and legislation judicial verdicts impacting educational change in America the politics and processes of educational reform and policy making dissent and resistance to reform technology s impact on educational reform A Reader s Guide in the front matter groups entries around such themes to help readers find related entries more easily      **Film and the Anarchist**

**Imagination** Richard Porton,2020-10-26 Hailed since its initial release Film and the Anarchist Imagination offers the authoritative account of films featuring anarchist characters and motifs Richard Porton delves into the many ways filmmakers have portrayed anarchism s long traditions of labor agitation and revolutionary struggle While acknowledging cinema s predilection for ludicrous anarchist stereotypes he focuses on films that wittingly or otherwise reflect or even promote workplace resistance anarchist pedagogy self emancipation and anti statist insurrection Porton ranges from the silent era to the classics Z ro de Conduite and Love and Anarchy to contemporary films like The Nothing Factory while engaging the works of Jean Vigo Jean Luc Godard Lina Wertm ller Yvonne Rainer Ken Loach and others For this updated second edition Porton reflects on several new topics including the negative portrayals of anarchism over the past twenty years and the contemporary embrace of post anarchism

## Embracing the Tune of Term: An Psychological Symphony within **Summerhill A Radical Approach To Child Rearing**

In a global eaten by screens and the ceaseless chatter of instantaneous transmission, the melodic elegance and emotional symphony developed by the published term usually disappear into the backdrop, eclipsed by the persistent noise and disturbances that permeate our lives. But, situated within the pages of **Summerhill A Radical Approach To Child Rearing** a wonderful literary value filled with organic emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that charming masterpiece conducts visitors on a mental journey, well unraveling the hidden melodies and profound affect resonating within each cautiously crafted phrase. Within the depths with this touching assessment, we will investigate the book is main harmonies, analyze its enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
