Sun Coast Surf Practice Set For College Accounting:

College Accounting James A. Heintz, Robert W. Parry, 2001-02-08 This text presents concepts simply while ensuring the best most accurate coverage College Accounting is designed to make accounting understandable to virtually everyone without sacrificing substance and technical correctness A step by step straightforward approach helps students build practical accounting skills that are needed when entering the world of work The text presents simple topics first and gradually builds to more advanced topics so learners are not overwhelmed The narrative approach covers a simpler example of a service business before moving to a merchandising business and finally a manufacturing environment **Australian**
