Sitting Bull Stanley Vestal,2014-12-17 If that is Long Hair I am the one who killed him White Bull the young nephew of Sitting Bull said when Bad Juice pointed out Custer s body immediately after the Battle of the Little Big Horn Yet it was Sitting Bull who acquired the notoriety and was paraded in Buffalo Bill s Wild West Show as the warrior who killed Custer But this new edition of Stanley Vestal s classic biography of

the famous chief emphasizes that Sitting Bull's fame does not rest upon the death of Custer's five troops. Had he been twenty miles away shooting antelope that morning he would still remain the greatest of the Sioux. The stirring account of the death throes of a mighty nation and its leader is the story of the greatest of the Sioux and his struggle to keep his people free and united. The Sioux were formidable warriors as attested to by men who fought against them like General Anson Mills who said: "They were the best cavalry in the world their like will never be seen again but they were up against an overwhelming tide of soldiers, homesteaders and bureaucrats. Sitting Bull fought long and hard and He was a statesman one of the most farsighted we have had but statesmanship could not prevail against such odds." This powerful biography of Sitting Bull is brought to a new generation of readers in a new and expanded edition for much new material had been added to the original edition published in 1932 that could not be disclosed while the informants were still living. Sitting Bull is a moving account of the epic courage of one man in the face of his inevitable defeat as the last defender of his people's rights. *A Dreamer's Tales* Edward John Moreton Drax Plunkett Baron Dunsany, 2019-11-22 There was a time lost in the mists of antiquity when the dreamer could wander his fantasy land at will and set down his/her experiences on paper at leisure without worrying about deadlines and contracts when he/she could pen his words without worrying whether his book will hit the bestseller charts or not when writing was pure pleasure. Lord Dunsany was a product of those times. *A Dreamer's Tales* is exactly that: a bunch of stories, fables and legends and some pieces which defy any kind of description varying in quality and length bunched together in this slim volume. They share only one quality: the gossamer structure of dreams captured in the early morning before they melt away totally in the harsh light of the day. **A Dreamer's Tales (□□□□□)** Lord Dunsany, 2011-11-15 Book Jungle provides classic literature in a modern format. Thousands of historical titles are now readily available to the public. Because of the original condition of many of these historical manuscripts imperfections are possible. The value of these manuscripts lies in their historical significance and vivid accounts of the world from thousands of authors and storytellers. Book Jungle is proud to bring these rare volumes back into public use and to make them available to everyone. **Archemodorus's Dreamer's Dictionary, etc**, 1815 **Bamboo** Lyon Sharman, 1914 *The Destinies of Individuals and of Nations* Rudolf Steiner, 1990-05 Steiner started each of these lectures given during the war years with a verse for those who had died. He begins this volume with a consideration of the destinies of nations from a spiritual point of view. He goes on to consider the Christ Impulse and the Michaelic Spirits that serve him. Also included are lectures on the three stages of imaginative knowledge: the rhythm of sleeping and waking; the relation between our physical and etheric bodies and the prophetic nature of dreams. The last lecture takes up the question of the cosmic meaning of our sense impressions and of our thinking, feeling and willing. **Native Anthologies II** Zia Akhtar, 2022-01-01 This book is a dramatic reconstruction of the life stories of 3 Native Americans chiefs who lived on the American frontier in the 19th century. It gives a view of history that comes from the perspective of the Native American peoples. The narratives revolve around 3 giants of history: Sitting Bull, Chief Joseph and

Geronimo who belonged to the Indian tribes of the American West that roamed on the Plains since their origins They had signed treaties with the US Government the Great Father in Washington but which had been infringed by the settlers driven by the greed of appropriating the land that belonged collectively to the Indigenous peoples The journey on the frontier to escape the Cavalry which was trying to subdue the Native Americans was arduous prolonged and dramatic
