 Brooks VandeHey,2018-10-05 Supermodel turned marketing executive Miranda Sinclair Newman is pregnant and she
 discovers her ex fianc s secret He has a rare form of blood cancer that was found in his blood work while preparing to get his
 marriage license That revelation sets off a chain of events that will cause him and Miranda an emotional and heartbreaking
 dilemma Presented with all the facts she is confused about what to do next She still desperately loves her ex Alex Anderson
 who was her first love and mentor But there is no denying that Matthew Newman is her soulmate that she adores more than
 life itself She needed to think about her innocent baby twins and what was right to do by both men she loved so much in her
 heart and soul She prays about what to do so she doesn t lose either of the men she can t live without She decides to propose
 for the three of them to enter into a private arrangement where they will live together and raise the twins so no one has to be
 cut out of her life Because with her gift of ESP she knows they both have a very good chance of being the biological father of
 the twins she s carrying The only other option for her is to annul her quickie marriage to Matt and raise her twins as a single
 mother With her world that has been turned upside down by both men who are tearing her heart apart emotionally Her only
 hope is if they love her enough not to want to give her up and go along with the conditions of the arrangement It turns out
 after doing a lot of soul searching and no other options they agree to do it because they can t imagine their world without her
