Sundancers and River Demons Conger Beasley, 1990-01-01 1991 Thorpe Menn Award for Literary Achievement Mapping the Invisible Landscape Kent C. Ryden, 1993 Any landscape has an unseen component a subjective component of experience memory and narrative which people familiar with the place understand to be an integral part of its geography but which outsiders may not suspect the existence of OCounless they listen and read carefully This invisible landscape is make visible though stories and these stories are the focus of this engrossing book Traveling across the invisible landscape in which we imaginatively dwell Kent RydenOCohimself a most careful listener and readerOCoasks the following questions What categories of meaning do we read into our surroundings What forms of expression serve as the most reliable maps to understanding those meanings Our sense of any place he argues consists of a deeply ingrained experiential knowledge of its physical makeup an awareness of its communal and personal history a sense of our identity as being inextricably bound up with its events and ways of life and an emotional reaction positive or negative to its meanings and memories Ryden demonstrates that both folk and literary narratives about place bear a striking thematic and stylistic resemblance Accordingly Mapping the Invisible Landscape examines both kinds of narratives For his oral materials Ryden provides an in depth analysis of narratives collected in the Coeur d Alene mining district in the Idaho panhandle for his consideration of written works he explores the OC essay of place OCO the personal essay which takes as its subject a particular place and a writer's relationship to that place Drawing on methods and materials from geography folklore and literature Mapping the Invisible Landscape offers a broadly interdisciplinary analysis of the way we situate ourselves imaginatively in the landscape the way we inscribe its surface with stories Written in an extremely engaging style this book will lead its readers to an awareness of the vital role that a sense of place plays in the formation of local cultures to an understanding of the many layered ways in which place interacts with individual lives and to renewed appreciation of the places in their own lives and landscapes What the River Carries Lisa Knopp, 2012-05-18 In this informed and lyrical collection of interwoven essays Lisa Knopp explores the physical and cultural geography of the Mississippi Missouri and Platte rivers she has come to understand and cherish At the same time she contemplates how people experience landscape identifying three primary roles of environmental perception the insider the outsider and the outsider seeking to become an insider Viewing the waterways through these approaches she searches for knowledge and meaning Because Knopp was born and raised just a few blocks away she considers the Mississippi from the perspective of a native resident a dweller in the land She revisits places she has long known Nauvoo Illinois the site of two nineteenth century utopias one Mormon one Icarian Muscatine Iowa once the world's largest manufacturer of pearl mussel shell buttons and the mysterious prehistoric bird and bear shaped effigy mounds of northeastern Iowa On a downriver trip between the Twin Cities and St Louis she meditates on what can be found in Mississippi river water state lines dissolved oxygen smallmouth bass corpses family history wrecked steamboats mayfly
