Young, 2017 This book demonstrates how the modern relationship between leaders and followers in America grew out of late nineteenth and early twentieth century charismatic social movements *States of Liberation* Samuel Clowes Huneke, 2022-01-27 States of Liberation traces the paths of gay men in East and West Germany from the violent aftermath of the Second World War to the thundering nightclubs of present day Berlin Following a captivating cast of characters from gay spies and Nazi scientists to queer politicians and secret police bureaucrats States of Liberation tells the remarkable story of how the two German states persecuted gay men and how those men slowly over the course of decades won new rights and created new opportunities for themselves in the heart of Cold War Europe Relying on untapped archives in Germany and the United States as well as oral histories with witnesses and survivors Huneke reveals that communist East Germany was in many ways far more progressive on queer issues than democratic West Germany **Insiders' Guide® to Orange County, CA** Elizabeth Borsting, 2010-06 Setting Orange County California Make The Music Go Bang! that the sport is only the fourth most popular team game on the island by participation In Blood and Thunder O Callaghan traces the dramatic evolution whereby a rugby nation that was deeply attached to amateurism has made such a dramatic success of professionalism From the sequence of events that led Ireland s private Catholic secondary schools to embrace rugby to the controversies and crises that have shaken Irish rugby including the Northern Troubles the Belfast rape trial and the rising toll of head injuries Blood and Thunder tells the rich and fascinating story of Irish rugby Blood and Thunder is more than a social and political history of Irish rugby It is also a shadow history of modern Ireland rooted in brilliant original research and packed with terrific stories
