Sunday In The Park With George:

Sunday in the Park with George, 1991 Applause Libretto Library This 1995 Pulitzer Prize winning musical was inspired by the painting A Sunday Afternoon on the Island of La Grande Jatte by Georges Seurat A complex work revolving around a fictionalized Seurat immersed in single minded concentration while painting the masterpiece the production has evolved into a meditation on art emotional connection and community This publication contains the entire script of the musical Sunday is itself a modernist creation perhaps the first truly modernist work of musical theatre that Broadway has produced a watershed event that demands nothing less than a retrospective even revisionist look at the development of the serious Broadway musical Frank Rich The New York Times Magazine

George Amy J. Riordan, 2005 This analysis serves to reveal the strong interconnectedness between museums and theatre mentioned only briefly by other scholars as uniquely demonstrated by Stephen Sondheim's musical *Sunday in the Park with George*. Because Sondheim chose George Seurat's museum housed painting *Sunday on the Island La Grande Jatte* as the foundation for his show, museum practices including labels, titles, ways of seeing and curatorial authority to which Seurat's painting has already been subjected can also be located in Stephen Sondheim's musical. However, in the musical, the artist is returned authority over his painting above museum practice and curator bias. By granting the artist such dominion over the artwork, Sondheim redirects the focus from Seurat's innovative pointillist style as commonly found in history books to a focus on the relationship between artist and artwork, allowing for artist and painting to converse.

The American Musical Marc Bauch, 2003 Although almost neglected in research and studies on American Literature, the American Musical is certainly the most interesting and the most popular genre of American theater and drama. It has been influenced by the necessities of a self-funding commercial theater system of a democratic country. The fact that it has developed in a country of democracy means that it should be a genre for everyone, the intellectual and the common man. Broadway has provided all these. In his study, Marc Bauch analyzes three American Musicals: namely *South Pacific* 1949 by Richard Rodgers and Oscar Hammerstein, *West Side Story* 1957 by Leonard Bernstein, Arthur Laurents and Stephen Sondheim, as well as *Sunday in the Park with George* 1984 by Stephen Sondheim and James Lapine. Special attention is paid to the themes and topics, the literary means and the dramatic dodges of the aforementioned American Musicals. The three analyses are extended with historical overviews of the American Musical. Marc Bauch is also the author of *Themes and Topics of the American Musical after World War II* 2001, also published by Tectum Verlag.
