

Sunken Island

U.S. Coast and Geodetic Survey

Sunken Island:

The Sunken Island of Atlantis Unger,1865 *Walking in Paradise* Elizabeth Creelman,Libby Creelman,2000

Newfoundland writer Libby Creelman finds the emotional heart of her characters characters continually seeking and breaking connections with others though they rarely know it A girl welcomes cruelty into her life in an attempt to get closer to a father living with chronic pain A woman obsessed with her lineage draws her family into inheriting more than they bargained for A young boy burdened by the adults with whom he keeps company arrives at the end of a brief sailing trip directing their futures as well as his own A woman returns home to spend a weekend with old high school friends and at last understands something about her mother that had been trailing her for years Suddenly her voice turns soft almost tender But you know what you used to say at bedtime don t you You used to hold my face in your hands and say You re the best mommy in the universe She wants us to savour the image of me holding her face cherishing her reading her mind These are stories about dislocation and about home about leaving it returning to it needing it rejecting it crafted in a style that is controlled yet sympathetic

Vanished Islands and Hidden Continents of the Pacific Patrick D. Nunn,2008-10-31 Islands as well as entire continents are reputed to have disappeared in many parts of the world Yet there is little information on this subject concerning its largest ocean the Pacific Over the years geologists have amassed data that point to the undeniable fact of islands having disappeared in the Pacific a phenomenon that the oral traditions of many groups of Pacific Islanders also highlight There are even a few instances where fragments of Pacific continents have disappeared becoming hidden from view rather than being submerged In this scientifically rigorous yet readily comprehensible account of the fascinating subject of vanished islands and hidden continents in the Pacific the author ranges far and wide from explanations of the region s ancient history to the meanings of island myths Using both original and up to date information he shows that there is real value in bringing together myths and the geological understanding of land movements A description of the Pacific Basin and the ups and downs of the land within its vast ocean is followed by chapters explaining how long before humans arrived in this part of the world islands and continents that no longer exist were once present A succinct account is given of human settlement of the region and the establishment of cultural contexts for the observation of occasional catastrophic earth surface changes and their encryption in folklore The author also addresses the persistent myths of a sunken continent in the Pacific which became widespread after European arrival and were subsequently incorporated into new age and pseudoscience explanations of our planet and its inhabitants Finally he presents original data and research on island disappearances witnessed by humans recorded in oral and written traditions and judged by geoscience to be authentic Examples are drawn from throughout the Pacific showing that not only have islands collapsed and even vanished within the past few hundred years but that they are also liable to do so in the future

India Directory, Or, Directions for Sailing to and from the East Indies, China, Australia, Cape of Good Hope, Brazil, and the Interjacent Ports James

Horsburgh,1836 Complete List of Lights and Other Marine Aids, Atlantic Coast of the United States ,1953 *India Directory, Or Directions for Sailing To And From The East Indies, China, New Holland, Cape Of Good Hope, Brazil And The Interjacent Ports* James Horsburgh,1827 **Atlantic Coast Pilot** ,1878 *Hy Brasil: The Metamorphosis of an Island* Barbara Freitag,2013 Brasil Island better known as Hy Brasil is a phantom island In the fourteenth century Mediterranean mapmakers marked it on nautical charts to the west of Ireland and its continued presence on maps over the next six hundred years inspired enterprising seafarers to sail across the Atlantic in search of it Writers too fell for its lure While English writers envisioned the island as a place of commercial and colonial interest artists and poets in Ireland fashioned it into a fairyland of Celtic lore This pioneering study first traces the cartographic history of Brasil Island and examines its impact on English maritime exploration and literature It investigates the Gaelicization process that the island underwent in nineteenth century and how it became associated with St Brendan Finally it pursues the Brasil Island trope in modern literature the arts and popular culture Tongan Place Names Edward Winslow Gifford,1923 **Spoil Island** Charlie Hailey,2013-08-01 Is there an allure of spoiled places Spoil islands are overlooked places that combine dirt with paradise waste land with brave new world and wildness with human intervention Although they are mundane products of dredging these islands form an uninvestigated archipelago that demonstrates the potential value and contested re valuation of landscapes of waste To explore these islands Spoil Island Reading the Makeshift Archipelago navigates a course along the U S east coast moving from New York City to Florida Along the way a general populace squats picnics and reflects on the islands while other forces are also at work New York City parks commissioner Robert Moses first deplores then adopts Hoffman and Swinburne Islands UN Secretary General U Thant meditates on the East River s Belmont Island businessman John D MacArthur rejects the purchase of Peanut Island artist Christo surrounds Miami s spoil islands Key Westers debate the futures of two spoil islands that mark their sunset view and artist Robert Smithson augments this archipelago materially and conceptually Historical and contemporary stories highlight each island s often contradictory ecologies that pair nature with infrastructure public concerns with private development rationalized urbanism with artistic impulse and order with disorder Spoil islands put you in places you normally wouldn t and perhaps shouldn t be To examine these marginalized topographies is to understand emergent concerns of twenty first century place making public space and natural and artificial infrastructure Today spoil islands constitute an unprecedented public commons where human agency and nature are inextricably linked Spoil Island will be of interest to anyone working in the areas of architecture cultural history cultural geography environmental studies or environmental philosophy Linking the islands with their environmental aesthetics Charlie Hailey provides a lively and critical topography of places that play a part in current events and local situations with global implications **Flyfisher's Guide to the Northeast Coast** Phil Shook,2009-02 Comprehensive coverage of the best fishing waters along the northeast coast **Landmarks in Ancient Dover, New Hampshire** Mary P. Thompson,2009-05 A gazetteer covering Dover Durham Lee

Madbury Rollinsford Somersworth Newmarket Newington and Greenland Identifies many localities both prominent and obscure the people that lived there ancient folklore and traditions name origins etc Intere *Light List* ,1943 **Atlantic Coast of the United States** United States. Bureau of Light-Houses,1933 **Light List** United States. Coast Guard,1959

World War II Pacific Island Guide Gordon L. Rottman,2001-12-30 Covering all Pacific islands involved in World War II military operations this book is a detailed single source of information on virtually every geo military aspect of the Pacific Theater Arranged regionally and to the extent possible chronologically according to when islands entered the war entries provide complete background information Along with island names nicknames Allied code names location and wartime time zones the entries include such topics as the island s physical characteristics weather health hazards historical background native population natural resources and military value Japanese and Allied strategies and operations military problems caused by terrain military installations Japanese units and key commanders Allied units and key commanders and brief battle descriptions are also covered along with the island s postwar status A valuable resource for researchers historians military history enthusiasts and war gamers the book provides complete background information on the geo military aspects of the Pacific Ocean region its islands and the roles they played in the war 108 maps provide specific information Until now geo military information could only be found by searching four to ten publications on each island **Light List, Atlantic Coast of the United States, Northern Part** United States. Coast Guard,1937 **Atlantic Local Coast Pilot** U.S. Coast and Geodetic Survey,1888 **Biological Report** ,1986 *Annual Report of the Secretary of War* United States. War Department,1900
