Tomlinson,1999 The sixth edition Essentials of Children s Literature offers a concise straightforward presentation of children s literature that engages students and motivates them to share literature with children Written with a comprehensive facts only approach this lucid resource offers an abundance of examples to illustrate how to use children s literature in the classroom **Teaching and Learning Literature with Children and Young Adults** ,1995 **The Horn Book Guide to Children's and Young Adult Books** ,2008

Integrated Language Arts in the Elementary School Susan Jane Tchudi,1994 Integrated Language Arts in the Elementary School reflects many of the most important recent developments in language arts teaching both in the United States and internationally In keeping with current theory and research in children s language learning the text emphasizes the view that the language areas should not be isolated into separate areas of study but should be integrated with an emphasis on whole meaningful experiences that absorb and engage students **Essentials of Children's Literature** Carl M. Tomlinson,Carol Lynch-Brown,1995 The sixth edition Essentials of Children s Literature offers a concise straightforward presentation of children s literature that engages students and motivates them to share literature with children Written with a comprehensive facts only approach this lucid resource offers an abundance of examples to illustrate how to use children s literature in the classroom Creating Literacy Instruction for All Children Thomas G. Gunning,2000 Creating Literacy Instruction for All Children is a comprehensive practical text that provides its readers with step by step guidance for teaching all major aspects of reading and writing Gunning s text helps students discover approaches and techniques that fit teachers personal styles and situations It aims to present as fairly completely and clearly as possible the major methods and strategies shown to be successful in research and practice The text features sample lessons for virtually every major literacy skill

strategy and offers numerous reinforcement suggestions and generous listings of materials With two updated chapters on word analysis skills strategies the text continues to give teachers the information and techniques they need to implement a systematic and functional program of word analysis that is integrated with students reading and writing The text also presents the theory behind the methods so students will be free to choose adapt and or construct their own approaches as they create literacy instruction This edition endorses the viewpoint that a well prepared classroom teacher is capable of effectively instructing most struggling readers and writers

Children's Literature in the Classroom Janet Hickman, Susan Ingrid Hepler, Bernice E. Cullinan, 1994

English/language Arts Curriculum Resource Handbook, 1992

Creating Reading Instruction for All Children Thomas G. Gunning, 1996 This book will not tell you how to teach reading Teaching reading is in large measure a matter of making choices Should you use basal readers or children s books or both Should you teach children to read whole words or to sound out words letter by letter or both Should you have three reading groups or four or no groups There are no right answers to these questions The answers depend on your personal philosophy your interpretation of the research the level at which you are teaching the kinds of students you are teaching community preferences and the nature of your school or school district s reading program

Literature and the Child Bernice E. Cullinan, Lee Galda, 1998 With a slender design and appealing art Cullinan and Galda present a thought provoking discussion on how children can read to respond read to learn and read to enjoy This text provides evaluation criteria for selecting superior children s books rather than listing thousands of titles and synopses Booklists direct readers to quality literature and extended discussions of selected titles demonstrate the selection criteria Multicultural literature is discussed throughout the text with a separate chapter on more specific multicultural issues Numerous teaching ideas many of which are contributed by classroom teachers provide practical applications This is a book for teachers stressing the use of good books in a literature based curriculum
