**Sunset Beach** Trip Purcell,2002-05-08 For Laura Babson a seven week vacation on Sunset Beach North Carolina s southernmost beach seemed a relaxing way to escape the routines of life as a doctor s wife in a small town For sports columnist Neal Nickelsen an eight week sabbatical on the pristine barrier island promised great things for his golf game But after seeing each other for the first time in more than twenty years they soon discover this summer would be about something entirely different

**The North Carolina Historical Review** ,1998 *The Greatest Love Story Never Told* Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been

maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other

**Life in Flip Flops** Sonja B. DeChene,2012-05-31 Cool Youre reading the back of my book which means the front caught your eye Now youre just about ready to open it up and well since I still have your attention So this is my first book a lifetime in the making And you wont find any fancy reviews by important people written here What you will see is my invitation especially for you Between the covers is an eclectic collection of true stories extracted from my life and imaginati on Its not a how to book or a dramatic tale of triumph Its simply thoughts about everyday life that most anyone can relate to yet spend little time putting much thought into This compilation of short stories wont change your life But Im pretty sure it will warm your heart make you smile and make you think you might even shed a tear or two And it just might inspire you to tweak your outlook on life just a little bit That my friend is up to you So steal a few moments for yourself and curl up with Life in Flip Flops And if a bon fire with smores breaks out halfway through then youre right where you need to be Enjoy

earthy and unpretentious always ready to laugh at himself and the world always eager to learn from others and to cheer them on in his broad Boston accent I have never met a man so utterly without personal vanity or a sense of self importance and yet so filled with self confidence about his larger mission Gil had a saintly quality of selfless dedication and yet he was also endearingly human We couldn't have stood him otherwise Gil was a big bear of a man and he could be as cuddly as a teddy or as powerful as a grizzly He told great dirty jokes His room was a mess He danced on the tables His hugs were Olympian Both kingly and comforting he reminded me of the fuzzy purple African violets he raised so tenderly He was Our Funny Valentine the most loving and loveable man I have ever known Gil wanted to leave a message to the world It was a message he lived all his life and especially in his last years of healing and dying The message is that with community you can do anything Being with Gil in community as he lived into dying was a transforming experience for all of us sorrow and suffering that is consciously shared can become almost a blessing I think Gil would want me to add that I need to let folks know that if you are with your buddies you can even have a wonderful time while you're dying The experiences of Gil's last days also gave a clear message to me and others who were close at the bedside that death is merely the doorway to new spiritual adventures Gil lived big and he died big and all our souls got bigger as we made the last journey with our Big Soul Buddy Finally and perhaps most importantly Gil was a great man because he made you feel that you were great and made you want to do great things See the Gil Lopez Community Website at [gillopez.net](http://gillopez.net) for photographs information about the three documentaries in which Gil was featured and new stories of the lives and work of Gil's buddies
