Regarding Educación Bryant Jensen, Adam Sawyer, 2013-01-28 The Latino Education Crisis not only threatens to dash the middle class aspirations of the nation's largest immigrant group it is also an ominous sign for democratic engagement and global competitiveness for U S society as a whole This timely book argues that this crisis is more aptly characterized as a Mexican Education Crisis This book brings together voices that are rarely heard on the same stage Mexican and U S scholars of migration schooling and human development to articulate a new approach to Mexican American schooling a bi national focus that highlights the interpersonal assets of Mexican origin children Contributors document the urgency of adopting this approach and provide a framework for crossing national and disciplinary borders to improve scholarship policy and practice associated with PreK 12 schooling

Bilingual Education María Estela Brisk, 2006-04-21 *Bilingual Education From Compensatory to Quality Schooling Second Edition* maintains its original purpose of synthesizing the research on successful bilingual education in order to demonstrate that quality bilingual education is possible and desirable Findings from a wide range of studies are integrated to provide a clear picture of bilingual education in today's schools and a professional understanding of the foundations and issues surrounding bilingual education programs The recommendations offered provide a comprehensive basis for planning developing improving and evaluating bilingual programs For clarity these recommendations are discussed with respect to the whole school the curriculum and the classroom but it is stressed that they need to be applied in a holistic way because they depend on each other All educators who work or will work with bilingual students classroom teachers administrators and curricula developers will find the information in this text essential and will appreciate the straightforward approach and easy reading style New in the Second Edition A new Chapter 1 Pursuing Successful Schooling includes the definition of success that frames the content of the book and a review of how the research on bilingual education has changed Chapter 2 Bilingual Education Debate is substantially revised to address major changes in demographics and legislation Chapter 3 Contextual and Individual Factors Supports and Challenges is updated to include important new research on the external and internal factors affecting learners and a new section on peers Chapter 4 Creating a Good School is reorganized and updated Chapter 5 Creating Quality Curriculum is updated throughout particularly the sections on teaching content areas and assessment Chapter 6 Creating Quality Instruction includes extensive new material in the sections on Teaching English and In English and Teaching Students with Limited Schooling Chapter 7 Beyond the Debate has an extensive new section describing and analyzing how the framework for quality education can be used as a guide to help create a new program

Language Teacher Identities Matthew Clarke, 2008 This book explores the development of the first cohort of students to complete a new Bachelor of Education in English language teaching in the United Arab Emirates theorizing the students learning to teach in terms of the discursive

construction of a teaching identity within an evolving community of practice *Interest in Mathematics and Science Learning* Ann Renninger, Martina Nieswandt, Suzanne Hidi, 2015-04-19 *Interest in Mathematics and Science Learning* edited by K Ann Renninger, Martin Nieswandt and Suzanne Hidi is the first volume to assemble findings on the role of interest in mathematics and science learning. As the contributors illuminate across the volume's 22 chapters, interest provides a critical bridge between cognition and affect in learning and development. This volume will be useful to educators, researchers, and policy makers, especially those whose focus is mathematics, science, and technology education.

Handbook of Research on Engaging Immigrant Families and Promoting Academic Success for English Language Learners Onchwari, Grace, Keengwe, Jared, 2019-04-26 In the past few years, there has been an influx of immigrant children into the school system, many with a limited understanding of English. Successfully teaching these students requires educators to understand their characteristics and to learn how to engage immigrant families to support their children's academic achievements. The *Handbook of Research on Engaging Immigrant Families and Promoting Academic Success for English Language Learners* is a collection of innovative research that utilizes teacher professional development, models, assessment practices, teaching strategies, and parental involvement strategies to develop ways for communities and educators to create social and academic conditions that promote the academic success of immigrant and English language learners. While highlighting topics including bilingual learners, family engagement, and teacher development, this book is ideally designed for early childhood, elementary, middle, K-12, and secondary school teachers, school administrators, faculty, academicians, and researchers.
