Popp, 2006-04-21 The goal of this book a theoretically based well organized useful guide for teaching is to help the beginning teacher create a classroom environment that integrates literacy development with learning in all areas of the curriculum The major

components of an integrated language program are identified and the skills teachers need to implement this kind of program in their own classrooms are described. Designed to be kept and used as a resource in the classroom, this text provides fundamental information about language arts teaching. A constructivist orientation, an emphasis on teachers as reflective decision makers, and vivid portrayals of the classroom as a community of learners and inquirers are woven throughout the book. Key features include a wealth of models, suggestions, and step by step guidelines for introducing integrated teaching and learning practices into elementary classrooms at the kindergarten, primary, and intermediate levels; a focus on relevant research in language arts and professional teacher development; true to life classroom narratives that model instructional strategies and demonstrate interactions between real teachers and students; and an innovative chapter format that makes the text accessible as a resource for student beginning and experienced teachers.

Innovative Approaches to Teaching Multilingual Students Mary Amanda Stewart, Holly Hansen-Thomas, 2022-12-01. The purpose of this book is to guide teachers to understand theory related to teaching multilingual students and put it into practice in their classrooms. Throughout each chapter, the authors uniquely bring together relevant theory regarding language, e.g., the multilingual turn, second language acquisition, translanguaging, literacy, e.g., reading comprehension, new literacy studies, multimodality, and culture, e.g., funds of knowledge, culturally sustaining pedagogies. The chapter authors practicing ESL, bilingual, world language, language immersion, and mainstream teachers share how they are innovatively teaching multilingual students by understanding theory and applying it to their instructional setting. The audience for this book is teachers of multilingual students who are in the dynamic process of language acquisition. This includes TESOL, ESL, bilingual, language immersion, and world language teachers, as well as mainstream teachers who teach bilingual students. Essentially, all educators in modern society. The book is of particular interest for teacher education programs since each chapter explains theory and then illustrates exactly how one teacher put that theory into practice in teaching multilingual students.

Women Versed in Myth Colleen S. Harris, Valerie Estelle Frankel, 2016-09-23. Throughout history, men have prayed to gods and poets have interpreted ancient myths for new audiences. But what about women? With sections on teaching and modern writing, this collection of new essays examines how modern female poets, including H.D., Louise Glück, Ruth Fainlight, Rita Dove, Sylvia Plath, and others, have subverted classical expectations in interpreting such legends as Persephone, Helen, and Eurydice. Other mythological figures are also explored and rewritten, including Buddhism's Kwan Yin, Celtic Macha, the Aztecs' Coatlicue, Pele of Hawaii, India's Sita, Sumer's Inanna, Yemouja of the Yoruba, and many more.
