Tear Here:

Pull Gently, Tear Here Alexandra Leggat, 2009-11-02 *Pull Gently Tear Here* is critically acclaimed poet Alexandra Leggat's first collection of short stories. In these short tales about fitting in the lives of the characters are pulled in circles as pieces of their identity are torn away by the day to day events shaping their lives. In *Dodger* a young boy who escapes his abusive family searches for empathy from petty criminals and an affluent woman whose flawless life cracks when their worlds cross paths. In the satirical story *Acrylic Dreams* Leggat reveals that something as superficial as nail polish can produce a radical effect on men. And in the poignant *All Trapeze Artists and Clowns* we experience one character's struggle to achieve the trappings of success in life. OCo the happy relationship the satisfying career and the proud family. OCo then upon attaining these treasures realizing that it's not all it's cracked up to be. *Your Career Starts Here*, 1988 **The Nimborean Language** J.C. Anceaux, 2014-10-22, **Training and Racing the Greyhound** Darren Morris, 2014-11-30 This practical book is aimed at all greyhound enthusiasts and will be of help to the more experienced professional trainer as well as the novice handler. The physical stresses of racing mean that every greyhound will at some point sustain some form of injury and it is therefore essential that the greyhound handler has some knowledge of injuries. Accordingly the author places a strong emphasis on injury prevention, diagnosis, treatment and rehabilitation. Contents include: Choosing your first dog, The fundamental aspects of training, Kennelling, Breeding, rearing and training puppies, Exercising the training routine and race preparation, Feeding, Examining your dog, minor ailments and serious illnesses, Foot problems, Injury rehabilitation and the skill of massage, Retired greyhounds. This wide ranging and practical book is aimed at all greyhound enthusiasts including those who train and race them, care for them or own them as pets. Fully illustrated with 69 colour photographs and 20 drawings. *Richard II* Jeanne T. Newlin, 2015-04-10 Originally published in 1984. The four parts of this collection of articles from 1601 to the 1970s look at the historical and political dynamics of the play, the play in the theatre, the psychology of its characters and its poetry and rhetoric. Bringing together the best that was written about *Richard II*, this volume represents the collective wisdom of Shakespeare scholars and provides the most insightful criticism in one place. An unpopular play for many years due to the perceived weak main character and the theme of deposition, the play later gained popularity and interest in its psychology and political investigation. The poetry in particular has garnered enthusiastic response and is mentioned in most of the pieces included here. *The Theatre of Don Juan* Oscar Mandel, 1986-01-01 Many good things are provided for our instruction and delight in this handsome volume. Chief among them perhaps and most keenly wanted in a collection of this sort are sanity and wit. *The Romanic Review* A most interesting literary history of the *Don Juan* theme with the plays or works themselves serving as illustrations. Professor Mandel's general introduction and his shorter introductions and commentaries throughout the book are solid, wise and engaging. Robert E. Taylor, *Renaissance News*. This anthology is exhaustive and informative, expertly translated and by virtue of its subject, damned exciting. *Quarterly Journal of Speech*. The

translations are lively and quite faithful to the originals The long introduction could well stand alone fruitful in original observations on the nature of Don Juan spirited argumentative and quite personal Armand F Singer *Hispania* The eternal Don Juan the creation more than 350 years ago of a monk and dramatist known as Tirso de Molina has appeared on the boards as a thinker and fool hero and villain but never as anything less than a great lover Oscar Mandel's *Theatre of Don Juan* presents different aspects of the Don's spectacular progress through a half dozen countries epochs and intellectual climates Here are full length plays by Molina Molière Shadwell Da Ponte Grabbe Moncrieff Zorrilla and Rostand excerpts from plays by Shaw Montherlant and Frisch plus a dozen critical and interpretative essays In his introduction Mandel examines the legend of Don Juan The Poetical Works of Ebenezer Elliott Ebenezer Elliott,1840 *The Oxford and Cambridge Shakespeare, with notes prepared specially for the Oxford and Cambridge local examinations. [10 pt. Wanting King Lear and Midsummer night's dream].* William Shakespeare,1881 *Abrams' Angiography* Jeffrey Geschwind,Michael Dake,2013-10-18 The Interventional Radiology volume of the landmark reference *Abrams Angiography* has now been expanded and thoroughly revised to reflect dynamic advances in interventional radiology More than 60 contributors representing a Who's Who of the specialty provide comprehensive step by step coverage of all contemporary vascular and nonvascular interventional procedures Major sections discuss today's equipment and describe interventions for specific disorders of each organ system as well as for trauma pediatric diseases abscess drainage and miscellaneous disorders More than 1 100 illustrations complement the text This edition incorporates an extensive new section on interventional oncologic procedures The section covers all organ specific cancers for which interventional therapies are used Other sections include arteriovenous malformations liver diseases arterial occlusive disease aneurysms traumatic arterial injuries hemorrhage and venous diseases It also has full color
