The Haunted Whaley House II:

The Haunted Whaley House II Robert James Wlodarski, Anne Powell Wlodarski, 2004-01-01 Presents an account of paranormal events at the home where a twenty two year old Whaley daughter killed herself with a pistol in 1885 *Haunted Restaurants, Taverns, and Inns of Texas* Robert Wlodarski, Anne Powell Wlodarski, 2018-08-01 Loaded with tangy tales of spirits who inhabit places where you can spend a night or have a bite to eat Listed by city each haunted locale provides in depth history about the spirited occupants current facts and additional references This book would be fully revised and would not include detailed travel information just the stories **The Haunted Whaley House** Robert James Wlodarski, Anne Powell Wlodarski, 1997-01-01 **American Myths, Legends, and Tall Tales** Christopher R. Fee, Jeffrey B. Webb, 2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father s cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today s urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic **The Complete Idiot's Guide to Ghosts & Hauntings, 2nd Edition** Tom Ogden, 2004-09-07 A unique guide to the world of the paranormal The Complete Idiot s Guide to Ghosts and Hauntings is a perennial favorite Now updated revised and expanded with new information on ghost hunting and observing this new edition includes new tips on gathering and recording paranormal data and a new section devoted to faking it showing readers how to haunt their own houses to amuse and bewilder friends Expanded appendixes featuring new Internet sites devoted to the paranormal as well as modern day haunted houses open to the public Additional information on the origin of spiritualism and its followers Strong seller for Halloween season Completely reorganized for easier reading and referencing *A Brief Guide to Ghost Hunting* Leo Ruickbie, 2013-08-15 There has been an upsurge in books television programmes films and websites

exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce A Brief Guide to Ghost Hunting leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more
