Sir Henry Pottinger The First Governor Of Hong Kong:

Sir Henry Pottinger George Pottinger, 1997 Hong Kong Island was occupied by Britain in 1841 and formally ceded by the Chinese government under the Treaty of Nanking the following year The Kowloon Peninsula was acquired under the 1860 Peking Convention and the New Territories secured on a ninety nine year lease from 1898 At the end of more than 150 years of British rule this book examines the career of an outstanding imperial servant in order to explain why and how the British came to assume power there at all Sir Henry Pottinger soldier and diplomat was involved in some of the great issues of nineteenth century foreign and military policy As this book shows Pottinger s role in Hong Kong was decisive Without his influence it is most unlikely that the island would have been brought under the Crown It was his decision against advice from London to make Hong Kong the British base and he became the first Governor and Commander in Chief of the colony and its dependants Pottinger created the structure of Hong Kong s administration applying a British system of government to an overwhelmingly Chinese population and initiating its development into a major centre for Sino British trade during the late nineteenth and early twentieth centuries *Hong Kong History* Man-Kong Wong, Chi-Man Kwong, 2021-11-10 This book aims at providing an accessible introduction to and summary of the major themes of Hong Kong history that has been studied in the past decades Each chapter also suggests a number of key historical figures and works that are essential for the understanding of a particular theme However the book is by no means merely a general survey of the recent studies of Hong Kong history it tries to suggest that the best way to approach Hong Kong history is to put it firmly in its international context

The History of the Laws and Courts of Hong-kong James William Norton-Kyshe, 1898 The history of the laws and courts of Hongkong, tracing consular jurisdiction in China and Japan and including parliamentary debates, and the rise, progress and successive changes in the various public institutions of the colony from the earliest period to the present time James William Norton-Kyshe, 1898 **History of the Laws and Courts of Hongkong. Tracing Consular Jurisdiction in China and Japan and Including Parliamentary Debates, and the Rise, Progress, and Successive Changes in the Various Public Institutions of the Colony from the Earliest Period to the Present Time. With Illustrations** James William Norton-Kyshe, 1898 A Biographical Sketch-book of Early Hong Kong G. B. Endacott, 2005-01-01 The biographical essays in this book first published in 1962 give a sharp and fascinating picture of some of the Europeans who helped establish the colony of Hong Kong and lived through its early years **The Englishman in China During the Victorian Era, Vol. I (of 2)** Alexander Michie, 2020-08-05 Reproduction of the original The Englishman in China During the Victorian Era Vol I of 2 by Alexander Michie **Networks of Domination** Paul K. Macdonald, 2014 In the nineteenth century European states conquered vast stretches of territory across the periphery of the international system This book challenges the conventional wisdom that these conquests were the product of European military dominance or technological superiority In contrast it claims that favorable social conditions helped fuel peripheral conquest European states enjoyed greatest

success when they were able to recruit local collaborators and exploit divisions among elites in targeted societies Different configurations of social ties connecting potential conquerors with elites in the periphery played a critical role in shaping patterns of peripheral conquest as well as the strategies conquerors employed To demonstrate this argument the book compares episodes of British colonial expansion in India South Africa and Nigeria during the nineteenth century It also examines the contemporary applicability of the theory through an examination of the United States occupation of Iraq

Urbanization and the Pacific World, 1500-1900 Lionel Frost, 2017-05-15 Between 1500 and 1900 there was a constant growth in the numbers of large cities and networks of smaller towns throughout the Pacific world in which traders and primary producers did business The essays in *Urbanization and the Pacific World* explore the increasingly complex economic relationships that connected cities in and around the Pacific world to each other and pay particular attention to the impact that growing cities had on the economies of their hinterlands The volume also contains articles that examine the problems that city growth created and the ways in which people were able to cope with them Along with the new introduction the essays cover all of the regions of the Pacific world in which city growth took place and will allow the reader to consider a wide range of common and contrasting urban experiences

Colonial Administration and Land Reform in East Asia Sui-Wai Cheung, 2017-07-14 The legal recognition of private land ownership Conclusion Notes PART V Land reform in China to the 1930s 12 Too little too late China catching up on land registration in the 1930s Compiling the cadastral record Ownership under the Land Law Conclusion Notes Glossary of Chinese characters Index

The Decline and Fall of the British Empire, 1781-1997 Piers Brendon, 2010-02-09 A WASHINGTON POST BOOK WORLD NOTABLE BOOK After the American Revolution the British Empire appeared to be doomed Yet it grew to become the greatest most diverse empire the world had seen Then within a generation the mighty structure collapsed a rapid demise that left an array of dependencies and a contested legacy at best a sporting spirit a legal code and a near universal language at

worst failed states and internecine strife The Decline and Fall of the British Empire covers a vast canvas which Brendon fills with vivid particulars from brief lives to telling anecdotes to comic episodes to symbolic moments **A Sketch of Chinese History** F.L. Hawks Pott,1908 Civil Unrest and Governance in Hong Kong Michael H. K. Ng,John D Wong,2017-07-14

This book examines important social movements in Hong Kong from the perspectives of historical and cultural studies Conventionally regarded as one of the most politically stable cities in Asia Hong Kong has yet witnessed many demonstrations and struggles against the colonial and post colonial governments during the past one hundred years Many of these movements were brought about in the name of justice and unfolded against the context of global unrest Focusing on the local developments yet mindful of the international backdrop this volume explores the imaginaries of law and order that these movements engendered revealing a complex interplay among evolving notions of justice governance law and order and cultural creations throughout the under explored history of instability in Hong Kong Underscoring the apparently contrasting discourses on the relationship among the rule of law law and order and social movements in Hong Kong the contributors emphasise the need to re examine the conventional juxtaposition of the law and civil unrest Readers who have an interest in Asian studies socio political studies legal studies cultural studies and history would welcome this volume of unique interdisciplinarity **A Political Chronology of Central, South and East Asia** Europa Publications,2003-09-02 Profiles the major political events in the histories of the countries of Central South and East Asia An individual chronology for each country of the region Provides a concise profile of events from early history up to the mid twentieth century as well as presenting greater detail on more recent events A Political Chronology of Central, South and East Asia Ian Preston,2001 Profiles the major political events in the histories of the countries of Central South and East Asia An individual chronology for each country of the region Provides a concise profile of events from early history up to the mid twentieth century as well as presenting greater detail on more recent events **Policing in Hong Kong** Kam C. Wong,2016-04-22 This book is one of the first to document the challenges and opportunities facing the Hong Kong police force following the reversion of political authority from the UK to China in 1997 Thematically organized and oriented towards those issues of greatest concern to the public such as police accountability assaults on police police deployment surveillance powers and policing across borders it provides a detailed discussion of these and other contemporary issues The opening chapter sets the work within historical context while the final chapter provides a comparison of policing in Hong Kong with public security in the PRC The book will be of value to students and researchers working in the area of comparative policing and comparative criminal justice as well as police professionals and policy makers *The Chinese Repository* ,1843
