Gregson,1998 The word was that the legendary Marshal Stoddart was after a hardcase called Abel Crane That sure caused some alarm for even the likes of Sam Yorke and Billy Brett were leery of Stoddart Yet nothing was quite as it seemed and the outlaws were in for a few surprises In the end death was the only certainty Sour Creek Valley Max Brand,2018-02-01 After hitting a rich vein of gold on the back of Champion Mountain Blondy Kitchin heads to the big city to have a good time but there his luck runs out and he ends up spending two years in prison The prison s chaplain helps educate him tries to smooth out his rough edges and convinces him that the range is the place for Kitchin to make use of his brute strength and free spirit *The Indians' Last Fight; Or, The Dull Knife Raid* Dennis Collins,2022-09-04 In *The Indians Last Fight Or The Dull Knife Raid* Dennis Collins intricately weaves historical narrative and rich character studies to recount a significant episode in the Cheyenne s resistance against U S government forces during the late 19th century This book employs a vivid storytelling style that delves into the emotions of the individuals involved while maintaining an educational tone that elucidates the political and cultural backdrop of Native American struggles Collins meticulous research informs his prose offering readers insight into the historical context of the Dull Knife Raid highlighting themes of survival identity and the relentless pursuit of freedom Dennis Collins a historian and writer has dedicated much of his career to exploring the complexities of Native American history and the conflicts between indigenous peoples and encroaching settlers His deep rooted passion for social justice and historical accuracy has compelled him to document lesser known events like the Dull Knife Raid Collins work reflects a desire to honor the voices and stories often overlooked in mainstream narratives providing a platform for understanding the enduring impact of historical events over time This compelling narrative comes highly recommended for readers interested in American history Native American studies and social justice Collins adeptly creates a bridge between past and present making this book essential for anyone seeking to understand the resilience of Native cultures in the face of adversity Readers will find themselves both informed and moved by this powerful account
