## **Sourcebook Of Marriage And Family Evaluation:**

**Sourcebook of Marriage and Family Evaluation** Luciano L'Abate,1993      **Marriage and Family Assessment** Erik E. Filsinger,1983      **Marriage and Family Assessment** Erik E. Filsinger,1983-09 Family studies scholars describe the use in therapy of techniques for the assessment of family characteristics and problems Each author was given an outline to follow in order that a wide range of theoretical or therapeutic approaches would be coherently presented Evidence for the validity of each assessment technique suggestions for its practical administration and interpretation illustrations by case example of its function and utility and the actual questionnaire itself or instructions on how to get it are provided The use of third party observers and techniques for getting information from the family itself about marital relations or the full family structure are described      **The Assessment of Child and Adolescent Personality** Howard M. Knoff,2002-12-31 Now available in paper for the first time this volume brings together leading contributors to provide a comprehensive review of theory research and practice in child and adolescent personality assessment Organized for easy reference the book is divided into four parts Part I summarizes basic theories issues and concepts setting forth a framework for assessment as a hypothesis generating problem solving process Part II describes and evaluates a wide range of relevant approaches tests and techniques marshaling the available data and reviewing administration procedures scoring and interpretation In Part III the process by which personality assessment is translated into effective intervention strategies and programs for children is examined in depth A summary of major perspectives and recommended practices is presented in Part IV which also considers future needs and directions for the field      **Assessment of Couples and Families** Len Sperry,2004 This book represents an up to date comprehensive survey of the major contemporary and cutting edge tools and strategies used in the clinical assessment of couples and families      **Child and Family Assessment** Ian Wilkinson,2003-09-02 Child and Family Assessment is based on Ian Wilkinson s extensive experience of working with troubled children and families over the last twenty years This completely revised and updated edition of Family Assessment Gardner Press 1993 combines a clear summary of current knowledge with practical detailed and adaptable procedures for practitioner use Part one reviews the literature on child and family assessment part two discusses the practical issues involved and provides detailed guidelines for practitioners a final part examines the relationship between clinical practice assessment and science with respect to children and families Written from an eclectic point of view in a clear and precise style using common sense terms this book will be an essential guide for all those in the helping professions including therapists psychologists doctors nurses social workers and lawyers      **Handbook of Psychotherapies with Children and Families** Sandra W. Russ,Thomas H. Ollendick,2013-11-11 The aim of this book on psychotherapies with children and families is to present a comprehensive overview of the current array of intervention approaches in the child mental health field There is a focus on the integration of theory research and practice throughout the book The book proceeds from the more global pre sentations of basic theoretical approaches to applications

of these approaches with specific problems and populations It then presents more integrated intervention approaches and overviews of the research literature One of the unique features of this book is its focus on future directions for each approach both in clinical practice and in research A second unique feature is its structured format across diverse approaches with a focus on empirical validation of approaches Another innovation is the presentation of interventions that integrate major components of different theoretical approaches Thus the book reflects the current trends in the field of interventions with specific problems and populations empirical validation of the approach and the integration of treatment approaches There are five major sections in this book Part I consists of four chapters that address a variety of issues related to child psychotherapy Chapter 1 by the editors examines the historical roots of child psychotherapy and explores current trends in the treatment of diverse child disorders It emphasizes the movement to treatments that work and sets the stage for the chapters that follow

*Handbook of Family Therapy* Mike Robbins, Tom Sexton, Gerald Weeks, 2004-03-01 This new Handbook of Family Therapy is the culmination of a decade of achievements within the field of family and couples therapy emerging from and celebrating the dynamic evolution of marriage and family theory practice and research The editors have unified the efforts of the profession's major players in bringing the most up to date and innovative information to the forefront of both educational and practice settings They review the major theoretical approaches and break new ground by identifying and describing the current era of evidence based models and contemporary areas of application The Handbook of Family Therapy is a comprehensive progressive and skillful presentation of the science and practice of family and couples therapy and a valuable resource for practitioners and students alike

Assessment of Parenting Dr Peter Reder, Clare Lucey, 2014-02-04 These are the sorts of questions that face mental health practitioners who are increasingly involved in complex child care cases which come before the courts They have been given little guidance to date on how these assessments should be made especially where a decision has to be taken as to whether a child has experienced significant harm In this much needed book senior clinicians consider the principles and practice of parenting assessments and how they guide courts decisions about children's welfare They describe a number of frameworks for assessment and discuss the factors which help predict the risk of future maltreatment or the likelihood of successful rehabilitation Throughout the book the emphasis is on the need to integrate the assessments of all relevant professionals in order to serve the best interests of the child while also addressing the parents potential to improve their caretaking skills Offering guidance in areas of crucial significance for child family and professional alike Assessment of Parenting will be widely welcomed

*Handbook of Marriage and the Family* Marvin B. Sussman, Suzanne K. Steinmetz, Gary W. Peterson, 2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide

information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p      **Evaluating Family-Based Services** Peter J.
