Value and Values Roger T. Ames, Peter D. Herschok, 2015-02-28 The most pressing issues of the twenty first century climate change and persistent hunger in a world of food surpluses to name only two are not problems that can be solved from within individual

disciplines nation states or cultural perspectives They are predicaments that can only be resolved by generating sustained and globally robust coordination across value systems The scale of the problems and necessity for coordinated global solutions signal a world historical transit as momentous as the Industrial Revolution a transition from the predominance of technical knowledge to that of ethical deliberation This volume brings together leading thinkers from around the world to deliberate on how best to correlate worth value with what is worthwhile values pairing human prosperity with personal environmental and spiritual flourishing in a world of differing visions of what constitutes a moral life Especially in the aftermath of what is now being called the Great Recession awareness has mounted of the imperative to question the modern divorce of economics from ethics While the domains of economics and ethics were from antiquity through at least the eighteenth century understood in many cultures to be coterminous and mutually entailing the modern assumption has been that the goal of maximizing human prosperity and the aim of justly enhancing our lives as persons and as communities were functionally and practically distinct Working from a wide array of perspectives the contributors to this volume offer a set of challenges to the assumed independence of the quantitative and qualitative dimensions of human and planetary well being Reflecting on the complex interrelationship among economics justice and equity the book resists one size fits all approaches and struggles to revitalize the marriage of economics and ethics by activating cultural differences as the basis of mutual contribution to shared human flourishing The publication of this important collection will stimulate or extend critical debates among scholars and students working in a number of disciplines in the social sciences and humanities including philosophy history environmental studies economics and law Contributors Roger T Ames James Behuniak Jr Steve Bein Nalini Bhushan Purushottama Bilimoria Steven Burik Amita Chatterjee Baoyan Cheng Gordon Davis Jay L Garfield Steven F Geisz Peter D Hershock Larry A Hickman Kathleen M Higgins Heidi M Hurd Thomas P Kasulis Workineh Kelbessa Lori Keleher Oliver Leaman James McRae Jin Y Park James Peterman Naoko Saito May Sim Robert Smid Paul Standish Kenneth W Stickers Karsten J Struhl Meera Sushila Viswanathan Wu Shiu Ching Xu Di T Yamauchi Yang Liuxin

Reimagining Nation and Nationalism in Multicultural East Asia Sungmoon Kim, Hsin-wen Lee, 2017-09-14 Since the late 1980s many East Asian countries have become more multicultural a process marked by increased democracy and pluralism despite the continuing influence of nationalism which has forced these countries in the region to re envision their nations Many such countries have had to reconsider their constitutional make up their terms of citizenship and the ideal of social harmony This has resulted in new immigration and border control policies and the revisiting of laws regarding labor policies sociopolitical discrimination and socioeconomic welfare This book explores new perspectives concepts and theories that are socially relevant culturally suitable and normatively attractive in the East Asia context It not only outlines the particular experiences of nation citizenship and nationalism in East Asian countries but also places them within the wider theoretical context The contributors look at how nationalism under the force of multiculturalism or vice versa affects East Asian societies including China Japan

Korea Taiwan and Hong Kong differently The key themes are Democracy and equality Confucianism s relationship with nationalism cosmopolitanism and multiculturalism China s use of its political institutions to initiate and sustain nationalism the impact of globalization on nationalism in South Korea Taiwan and Japan the role of democracy in reinvigorating indigenous cultures in Taiwan

Tears from Iron Kathryn Edgerton-Tarpley,2008-04-02 This multi layered history of a horrific famine that took place in late nineteenth century China focuses on cultural responses to trauma The massive drought famine that killed at least ten million people in north China during the late 1870s remains one of China s most severe disasters and provides a vivid window through which to study the social side of a nation s tragedy Kathryn Edgerton Tarpley s original approach explores an array of new source materials including songs poems stele inscriptions folklore and oral accounts of the famine from Shanxi Province its epicenter She juxtaposes these narratives with central government treaty port and foreign debates over the meaning of the events and shows how the famine which occurred during a period of deepening national crisis elicited widely divergent reactions from different levels of Chinese society

The Origins of the Modern Chinese Press Xiantao Zhang,2007-09-12 This book traces the emergence of the modern Chinese press from its origins in the western Christian missionary press in the late nineteenth century It shows how the western missionaries and their evangelical educational newspapers changed the long standing traditional practices styles content print culture and printing technology of Chinese newspapers and in the process introduced some of the key ideas of western modernity which were to have a profound effect on Chinese society Xiantao Zhang demonstrates how missionary publications reshaped print journalism rather indirectly from a centuries long monopoly by the state the Imperial press into a pluralized modernizing and frequently radical public journalism She focuses in particular on the relationship between the missionaries and the class of gentry scholars literati and civil servants educated via the traditional state examination system in the Confucian classics who were the prime target readers of the missionary publications This key group and the independent press they established at the end of the nineteenth century played a crucial role in shaping the ongoing struggle for a modern democratic media culture in China

A History of East Asia Charles Holcombe,2011 This book traces the story of East Asia from the dawn of history to the present

Sources of Japanese Tradition Wm. Theodore De Bary,Carol Gluck,Arthur Tiedemann,2002-04-10 *Sources of Japanese Tradition* is a best selling classic unrivaled for its wide selection of source readings on history society politics education philosophy and religion in the Land of the Rising Sun In this long awaited second edition the editors have revised or retranslated most of the texts in the original 1958 edition and added a great many selections not included or translated before They have also restructured volume 1 to span the period from the early Japanese chronicles to the end of the sixteenth century New additions include readings on early and medieval Shinto and on the tea ceremony readings on state Buddhism and Chinese political thought influential in Japan and sections on women s education medieval innovations in the uses of history and laws and precepts of the medieval warrior houses Together the selections shed light on the

development of Japanese civilization in its own terms without reference to Western parallels and will continue to assist generations of students and lay readers in understanding Japanese culture

Learning from Chinese Philosophies Karyn Lai, 2016-04-22 Learning from Chinese Philosophies engages Confucian and Daoist philosophies in creative interplay developing a theory of interdependent selfhood in the two philosophical traditions. Karyn Lai draws on the unique insights of the two philosophies to address contemporary debates on ethics, community and government. Issues discussed include questions on selfhood, attachment, moral development, government, culture and tradition, and feminist queries regarding biases and dualism in ethics. Throughout the book, Lai demonstrates that Chinese philosophies embody novel and insightful ideas for addressing contemporary issues and problems

Gentz, 2013-09-04 This collection of essays by major scholars analyzes the religious diversity in Chinese religion, bringing together topics from traditional and contemporary contexts and Chinese religions' encounters with Western religion

Culture Matters to Mathematics Teaching and Learning Mun Yee Lai, Rongjin Huang, 2025-07-19 This book, compiled in honor of Chair Professor Frederick K. S. Leung, contributes to revisiting, renewing, and enriching the knowledge of cultural matters to mathematics education, widening the horizon in the use of cultural perspectives to explain the characteristics of classroom teaching and learning in East Asia and to explain and interpret the differences in teacher knowledge and beliefs between East Asian and Western countries. Multiple research methods are used to explore how different cultures influence mathematics education. In particular, the book discusses the comparative studies of mathematics education, the influence of different cultures on mathematics teaching and learning, and the use of the Confucian Heritage Culture to explain the phenomenon of superior mathematics achievement of East Asian students. The research methods include qualitative approaches, quantitative approaches such as structured equation modelling, exploratory factor analysis, and confirmation factor analysis, case studies, and a meta-analysis of the literature review. This book is dedicated to Chair Professor Frederick K. S. Leung, Hans Freudenthal Medallist 2013 and President of ICMI 2021-2024, one of the pioneers in investigating the cultural differences in mathematics education and establishing a framework for the relationship between cultures and mathematics education. This book acknowledges his many contributions to the field and showcases promising research advancements that sparked directly or indirectly from his intellectual contributions to different mathematics educators globally

Warfare and Culture in World History, Second Edition Wayne E. Lee, 2020-08-31 An expanded edition of the leading text on military history and the role of culture on the battlefield. Ideas matter in warfare. Guns may kill, but ideas determine when, where, and how they are used. Traditionally, military historians attempted to explain the ideas behind warfare

in strictly rational terms but over the past few decades a stronger focus has been placed on how societies conceptualize war weapons violence and military service to determine how culture informs the battlefield Warfare and Culture in World History Second Edition is a collection of some of the most compelling recent efforts to analyze warfare through a cultural lens These curated essays draw on and aggressively expand traditional scholarship on war and society through sophisticated cultural analysis Chapters range from an organizational analysis of American Civil War field armies to an exploration of military culture in late Republican Rome to debates within Ming Chinese officialdom over extermination versus pacification In addition to a revised and expanded introduction the second edition of Warfare and Culture in World History now adds new chapters on the role of herding in shaping Mongol strategies Spanish military culture and its effects on the conquest of the New World and the blending of German and East African military cultures among the Africans who served in the German colonial army This volume provides a full range of case studies of how culture whether societal strategic organizational or military could shape not only military institutions but also actual battlefield choices

Zen Sanctuary of Purple Robes

Sachiko Kaneko Morrell, Robert E. Morrell, 2012-02-01 Zen Sanctuary of Purple Robes examines the affairs of Rinzai Zen's T'keiji Convent founded in 1285 by nun Kakusan Shid after the death of her husband H'j Tokimune It traces the convent's history through seven centuries including the early nuns Zen practice Abbess Y'd's imperial lineage with nuns in purple robes Hideyori's seven year old daughter later to become the convent's twentieth abbess Tenshu spared by Tokugawa Ieyasu at the Battle for Osaka Castle T'keiji as divorce temple during the mid Edo period and a favorite topic of senryu satirical verse the convent's gradual decline as a functioning nunnery but its continued survival during the early Meiji persecution of Buddhism and its current prosperity The work includes translations charts illustrations bibliographies and indices Beyond such historical details the authors emphasize the convent's inclusivist Rinzai Zen practice in tandem with the nearby Engakuji Temple The rationale for this inclusivism is the continuing acceptance of the doctrine of Skillful Means h'ben as expressed in the Lotus Sutra a notion repudiated or radically reinterpreted by most of the Kamakura reformers In support of this contention the authors include a complete translation of the Mirror for Women by Kakusan's contemporary Muj Ichien

Discovering World Religions at 24 Frames Per Second Julien R. Fielding, 2008-09-26 Traditionally university students have gained access to world religions by reading primary texts Discovering World Religions at 24 Frames Per Second takes students beyond the written page offering an exploration of the same religious traditions through the study of feature films The many definitions of religion are examined along with its various components including doctrine myth ethics ritual and symbol Specific religious traditions including Hinduism Sikhism Zoroastrianism Buddhism Confucianism Daoism popular religion and Shinto are examined Biographical sketches of directors whose films tend to focus on a particular religious tradition are also included such as Zhang Yimou Hayao Miyazaki Deepa Mehta and Akira Kurosawa Discovering World Religions at 24 Frames Per Second is unique in the area of religion and film studies in that it isn't just a collection of

essays Instead it provides the introductory student with the necessary background information on the various religions before looking at how their ideas can be understood not through texts but through the cinematic medium To keep the conversation fresh most of the films used in the book were made within the last decade Furthermore examples range from popular mainstream fare such as Star Wars and the Lord of the Rings trilogy to lesser known foreign films such as The Wooden Man s Bride and The Great Yokai War Several films with a cult like following are also discussed including Fight Club Princess Mononoke Spirited Away and Jacob s Ladder This book is also unique in that instead of drawing upon the Judeo Christian tradition it draws from Eastern traditions *Great Literature East & West* U.S. National Commission for UNESCO.,1967 The Chinese Tao of Business George T. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
