South Africa and the Non-aligned Movement Uma Shankar Jha,2001 This Book May Help To Understand Not Only The Leadership Role Of South Africa But Also The Relevance Of The Non Aligned Movement In The Twenty First Century

Framing Foreign Policy in India, Brazil and South Africa Jörg Husar,2016-05-04 This book analyses the India Brazil South Africa Dialogue Forum IBSA focusing on the communalities and differences in the way foreign policy is conceptualized in its member states Utilizing 83 interviews with foreign policy makers and experts as well as the analysis of 119 foreign policy speeches the author traces key shifts in official foreign policy discourse In order to evaluate the degree of support for key IBSA Dialogue Forum concepts within national discourse the author also examines the interplay between official and broader societal discourses on foreign policy This analysis combines political science factors foreign policy role conceptions with linguistic factors thus enabling a qualitative and quantitative comparison of different framings of foreign policy Extensive empirical material collected during six months of field research in India Brazil and South Africa allows the author to present a differentiated account of their alleged like mindedness

Nuclear Disarmament in the Twenty-first Century Wade L. Huntley,Mitsuru Kurosawa,Kazumi Mizumoto,2005-03-06 This work provides a comprehensive examination of the current state and future prospects for nuclear disarmament at the turn of the century The work juxtaposes a sober review of progress made during the last decade with a proactive agenda of proposals for new disarmament initiatives in the next decade Taken together the contributions to this volume suggest that contrary to current conventional wisdom the increasing global cache of nuclear weapons and the waning progress on nuclear disarmament of recent years need not become the defining features of the post Cold War era Rather by examining the new conditions that have emerged at the dawn of the of the 21st century through both national and issue based perspectives this work reveals how the likelihood of continuing uncertainty and change in world affairs creates opportunities as well as the need for renewed progress toward significant nuclear disarmament

SouthSouth Trade and Finance in the Twenty-First Century Omar Dahi,Firat Demir,2016-10-10 This book is a contribution to the international trade and economic development literature and is based on a decade of joint research and collaboration on South South economic relations Given the increasing focus on the economic power of some developing countries for example the 2013 Human Development Report s Rise of the South it is particularly appropriate and timely NP The book s findings are based on rigorous empirical examination of South South trade and finance and it provides an even handed assessment from the perspective of long term development goals rather than mainstream welfare approaches or ideological theoretical worldview NP This work directly engages with the new developmentalism literature that has challenged the neoliberal orthodoxy and its policy approach which focuses on liberalization privatization and deregulation It also engages with literature by examining whether the increase in South South trade facilitates or inhibits the possibilities for developmentalist economic policy in developing countries The book shows concrete and positive results from South South

trade particularly related to industrial development and also documents how South South trade is dominated by large developing countries and that South South trade liberalization may be counterproductive *Japan's Foreign Policy in the Twenty-First Century* Purnendra Jain, Lam Peng Er, 2020-03-09 This edited collection analyzes the innovative changes in Japan's foreign policy Pursuing new relationships with South Asia Africa and Eastern Europe Japanese initiatives include regional peace building and human security activities Asian multilateralism and the Indo Pacific concept This collection focuses on these evolving international relationships through Japan's unique approach to political change and continuity

International History of the Twentieth Century and Beyond Anthony Best, 2008 This major global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors cover events in Europe Asia the Middle East Africa and the Americas from the last century and beyond Among the areas this book covers are the decline of European hegemony over the international order the diffusion of power to the two superpowers the rise of newly independent states in Asia and Africa the course and consequences of the major **Slaying the Nuclear Dragon** Tanya Ogilvie-White, David Santoro, 2012-03-01 In recent decades the debate on nuclear weapons has focused overwhelmingly on proliferation and nonproliferation dynamics In a series of Wall Street Journal articles however George Shultz William Perry Henry Kissinger and Sam Nunn called on governments to rid the world of nuclear weapons helping to put disarmament back into international security discussions More recently U S president Barack Obama prominent U S congressional members of both political parties and a number of influential foreign leaders have espoused the idea of a world free of nuclear weapons Turning this vision into reality requires an understanding of the forces driving disarmament forward and those holding it back *Slaying the Nuclear Dragon* provides in depth objective analysis of current nuclear disarmament dynamics Examining the political state level factors that drive and stall progress contributors highlight the challenges and opportunities faced by proponents of disarmament These essays show that although conditions are favorable for significant reductions numerous hurdles still exist Contributors look at three categories of states those that generate momentum for disarmament those with policies that are problematic for disarmament and those that actively hinder progress whether openly secretly deliberately or inadvertently Nuclear deterrence was long credited with preventing war between the two major Cold War powers but with the spread of nuclear technology threats have shifted to other state powers and to nonstate groups *Slaying the Nuclear Dragon* addresses an urgent need to examine nuclear disarmament in a realistic nonideological manner *American Book Publishing Record*, 2001 **Regional Leadership in the Global System** Daniel Flemer, 2016-04-08 We assume that the ideas interests and strategies of regional powers are highly significant variables with the power to influence foreign policy Yet while comparative research projects involving OECD countries are fairly common comparative research integrating developing regions is still rare despite the fact that these countries are among the key actors of the twenty first century This collection emphasizes the

role of regional powers in intra regional interregional and global contexts analyzing the rise of regional powers from a comparative perspective In so doing the book explains how these powers have power to shape regional and global politics

United States Relations with South Africa Y. G.-M. Lulat,2008 Relations between the United States and South Africa or the parts of the world these nations now occupy go nearly as far back as the very beginning of their inception as permanent European colonial intrusions This book is a critical overview of these relations from the late seventeenth century

to the present Unprecedented in its scope and supported by substantive and detailed notes together with an extensive bibliography chronology glossary and appendices the book distinguishes itself from extant works in a number of other ways Set against the backdrop of a wider interdisciplinary exploration of both ideational and structural issues of historical context it not only gives attention to the importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geo political location of South Africa within southern Africa where the presence of other nations particularly Angola Mozambique Namibia and Zimbabwe looms large Methodologically written from the perspectives of both traditional narrative history and Khaldunian interpretive historical analysis the book consequently sits at the interdisciplinary interstice of political economy and sociology where the aim is to advance our understanding of the Braudelian interconnectedness of world history as an important diachronic determinant of the diplomacy of foreign relations Written for both scholars and policy analysts this book s examination of the agency of the marginalized should also be of interest to activists and the reading public
