**South** ,1965      **The Antarctic Dictionary** Bernadette Hince,2000-11-10 The world s most isolated continent has spawned some of the most unusual words in the English language In the space of a mere century a remarkable vocabulary has evolved to deal with the extraordinary environment and living organisms of the Antarctic and subantarctic Here for the first time is a complete guide to the origin and definitions of Antarctic words Like other historical dictionaries The Antarctic Dictionary gives the reader quotations for each word These quotations are the life blood of the dictionary more than 15 000 quotations from about 1000 different sources give the reader a unique insight into the way the language of Antarctica has evolved The reader will find out what it means to be slotted the shortcomings of homers the joys of a donga and the hazards of a growler The Antarctic Dictionary has been meticulously researched and will appeal to all those who have been to the frozen continent or have ever dreamed of going there It will also appeal to those fascinated by the development of language With a forward by Sir Ranulph Fiennes      **Wagner and Venice Fictionalized** John W. Barker,2012 The first account of how Wagner s last years and his death in Venice have been mythologized in novels and other works of the creative imagination The vast literature about Richard Wagner and his works includes a surprising number of fictional works including novels plays satires and an opera Many of these deal with his last years and his death in Venice in 1883 and even a fabricated eleventh hour romance These fictional treatments many presented here in English for the first time reveal a striking evolution in the way that Wagner s character and reputation have been viewed over more than a century They offer insights into changing contexts in Western intellectual and cultural history And they make clear how much Wagner s associations with Venice have become part of the accumulated mythology of the floating city John Barker s Wagner and Venice Fictionalized Variations on a Theme will be of interest to all lovers of opera Venice and European culture generally John W Barker is Emeritus Professor of History at the University of Wisconsin Madison specializing in medieval including Venetian history He is also a passionate music lover and record collector and an active music critic and journalist      *South.
