made her an advocate for racial equality Anna Lillios's *Crossing the Creek* is the first book to examine the productive and complex relationship between these two major figures Is there truth to the story that Hurston offered to work as Rawlings's maid Why did Rawlings host a tea for Hurston in St Augustine In what ways did each write the friendship into their novels Using interviews with individuals who knew both women as well as incisive readings of surviving letters Lillios examines these questions and many others in this remarkable book      **Encyclopedia of the American Novel** Abby H.
