Robert Whitaker,2008-11-05 In the early years of the 18th century a band of French scientists set off on a daring decade long expedition to South America in a race to measure the precise shape of the earth Like Lewis and Clark s exploration of the American West their incredible mission revealed the mysteries of a little known continent to a world hungry for discovery Scaling 16 000foot mountains in the Peruvian Andes and braving jaguars pumas insects and vampire bats in the jungle the scientists barely completed their mission One was murdered another perished from fever and a third Jean Godin nearly died of heartbreak At the expedition s end Jean and his Peruvian wife Isabel Gramesen became stranded at opposite ends of the Amazon victims of a tangled web of international politics Isabel s solo journey to reunite with Jean after their calamitous twenty year separation was so dramatic that it left all of 18th century Europe spellbound Her survival unprecedented in the annals of Amazon exploration was a testament to human endurance female resourcefulness and the power of devotion

Drawing on the original writings of the French mapmakers as well as his own experience retracing Isabel s journey acclaimed writer Robert Whitaker weaves a riveting tale rich in adventure intrigue and scientific achievement Never before told The Mapmaker s Wife is an epic love story that unfolds against the backdrop of the greatest expedition the world has ever known *U.S. Air Services* ,1932 **A Lost Wife's Tale** Marion McGilvary,2009-02-05 Edith Lutz doesn t want to be found She s left behind a comfortable home in a flurry of hastily packed bags fleeing for an anonymous life in the city With a new look new name and new job as live in housekeeper to wealthy publisher Adam she s hoping to outwit her past and build herself a new life Again A breath of fresh air in newly divorced Adam s empty home Edith soon becomes more than just the woman who does the dishes Over long summer nights Edith finds herself experiencing love for the first time while Adam knows nothing of the real woman he s falling for Haunted by an impossible choice she faced as a teenager and the devastating repercussions that ended her closest friendship Edith s been running ever since She can never be quite sure

whether her past is behind her In fact she s pretty sure it s not **From Rage to Reason** Emily Horowitz,2023-06-30 Analyzing sex offense laws and false claims this book shows that laws based on vengeance rather than justice or evidence create new forms of harm while failing to address the real and pervasive problem of sexual violence In this timely and extensively researched book sociologist Emily Horowitz shows how current sex offense policies in the United States create new forms of harm and prevent those who have caused harm from the process of constructive repentance or contributing to society after punishment Horowitz also illustrates the failure of criminal justice responses to social problems Sharing detailed narratives from the experiences of those on registries and their loved ones Horowitz reveals the social impact and cycle of violence that results from dehumanizing and banishing those who have already been held accountable From Rage to Reason offers a new perspective on how and why false claims about sex offenses became so pervasive and how these myths fostered ineffective policies that have little to do with the reality of most sexual abuse It argues that to truly prevent sexual abuse we must unearth the sources of these misunderstandings debunk these claims in a systematic way and have frank and genuine discussions about the limits of legal responses to complex social problems **Journal of the American Association of University Women** ,1928 The American Christian Record AMERICAN CHRISTIAN RECORD.,1860 **The Popular Science Monthly** ,1877 *Nectar and Ambrosia* Tamra Andrews,2000-10-26 A publishing first Nectar and Ambrosia presents an encyclopedic treatment of the magic properties and uses of food by mortals and immortals alike from the pages of myth and legend Now for the first time the magic properties and uses of food by both mortals and immortals as represented in the world s myths and legends are brought together and explained in Nectar and Ambrosia This A Z volume is filled with an abundance of exotic lore and legend Hearings United States. Congress. House. Committee on Appropriations,1941 Hearings United States. Congress. House,1941 Sex Scandals, Gender, and Power in Contemporary American Politics Hinda Mandell,2017-04-17 Examining how gender impacts political sex scandals in the United States this book explains how political sex scandals contribute to the mistrust of government and identifies why these events have serious consequences for our political system The increasing tabloidization of politics and focus on politicians involved in sex scandals is both problematic and important When a major political sex scandal occurs it occupies as much as 25 percent of all news coverage in the United States Even if people may deny it they enjoy consuming and talking about political sex scandals Written by a former journalist who has frequently explored the intersections of politics sex and gender in the United States Sex Scandals Gender and Power in Contemporary American Politics investigates how political sex scandals contribute to the mistrust of government and why these events have great significance in our frenzied media environment The book makes use of comprehensive descriptive data including statistics to explain how political sex scandals are a representation of society s broader gender dynamics conveying subtle messages about power and morality It addresses the roles of men and women in political sex scandals over time the increasing tabloidization of politics and the often

overlooked consequences of sex scandals for the political system Author Hinda Mandell also documents how scandals multiple negative effects for the politicians themselves and for society include turning politics into a spectator sport contributing to the mistrust of government the questioning of politicians competence and judgment as a group and politicians diminishing effectiveness in office *Reports of the Tax Court of the United States* United States.
