Population, Ethnicity, And Nation-building Calvin Goldscheider,2019-07-11 This volume focuses on the linkages between ethnicity and population processes in the context of nation building Using historical and contemporary illustrations in a variety of countries parts of this complex puzzle are scrutinized through the prisms of sociology history political science anthropology and demography Themes of ethnic group formation and transformation persistence and assimilation demographic transitions and convergences and the processes of political mobilization and economic development are described and compared Case studies from Southeast Asia China Africa Brazil Israel the former Soviet Union Canada Europe and the United States are presented by leading scholars The examples illustrate the diversity of contexts that connect population ethnicity and nation building raising new questions and comparative problems The importance of ethnic conflict for issues of inequality and group disadvantage in the emerging societies of Asia Africa and the Middle East in the politics of race and immigration in western societies and in European and American history emerges from the research The multidisciplinary emphasis addresses core themes of ethnicity and nation building in comparative perspectives *The Cambridge History of Southeast Asia: Volume 2, The Nineteenth and Twentieth Centuries* Nicholas Tarling,1992 Southeast Asia has long been seen as a unity although other terms have been used to describe it Further India Little China the Nanyang The region has had a protracted maritime history Confucianism Buddhism Islam Hinduism Christianity are all represented It has seen a quintet of colonial powers Britain France The Netherlands Spain the United States Most recently it has become

one of the fastest growing parts of the world economy The very term Southeast Asia is clearly more than a geographical expression The Cambridge History of Southeast Asia is a multi authored treatment of the whole of mainland and island Southeast Asia from Burma to Indonesia Unlike other histories of the region it is not divided on a country by country basis and is not structured purely chronologically but rather takes a thematic and regional approach to Southeast Asia s history This volume the second and final in the series takes us into the nineteenth and twentieth centuries from the late eighteenth century of the Christian era when most of the region was incorporated into European empires to the complexity and dramatic change of the post World War II period It covers the economic and social life as well as the religious and popular culture of the region as they develop over two centuries The political structures of the region are also closely examined from the insurgencies and rebellions of early this century to the modern Nationalist movements which challenged the control of the colonial powers and led to the formation of independent states Under the editorship of Nicholas Tarling Professor of History at the University of Auckland New Zealand each chapter is well integrated into the whole Professor Tarling has assembled a highly respected team of international scholars who have presented the latest historical research on the region and succeeded in producing a provocative and exciting account of the region s history **The Comprehensive and**

Progressive Agreement for Trans-Pacific Partnership Cassey Lee, Prithvi Bhattacharya ,2021-01-15 The Comprehensive and Progressive Agreement for Trans Pacific Partnership CPTPP is a free trade agreement involving major countries across the Asia Pacific region The trade pact which entered into force on 30 December 2018 is considered by many to be the gold standard given its ambitious scope and depth This volume offers multi dimensional insights into the CPTPP and its impact on Southeast Asia It begins with broad analyses covering the historical economic and geopolitical aspects of the CPTPP Subsequent chapters focus on the nature and implications of three key path breaking provisions in the trade agreement namely investor state dispute settlement intellectual property rights and state owned enterprises The effect of the CPTPP on Southeast Asia in terms of regional production networks is also examined from the perspective of Japanese multinational enterprises The potential economic impact of the agreement is analysed for member countries Vietnam and Malaysia as well as countries that aspire to join the CPTPP in the future Indonesia and Thailand The world trading system is in disarray the World Trade Organization has been weakened perhaps terminally the world s two economic superpowers are locked in deep politicized disputes the forces of populism and nationalism are everywhere complicating the return to a more liberal rules based order These trends are challenging one of the building blocks of ASEAN economic development namely these countries outward looking trade and investment policies With impeccable timing this important volume by a group of eminent authors assesses these issues with reference to the Comprehensive and Progressive Agreement for Trans Pacific Partnership The CPTPP excludes the three largest traders China the EU and the US but it is a welcome second best initiative that may have broader positive ripple effects This is the volume to read to gain a deeper understanding of the many complex issues at play

Hal Hill H W Arndt Professor Emeritus of Southeast Asian Economies College of Asia the Pacific Australian National University *Global Shift* Mike Mason,2013 A striking portrait of states in the non Western world from the dismantling of European empires to their inclusion into a universe of global capitalism **The Making of Southeast Asia** Amitav Acharya,2013-02-22 Developing a framework to study what makes a region Amitav Acharya investigates the origins and evolution of Southeast Asian regionalism and international relations He views the Association of Southeast Asian Nations ASEAN from the bottom up as not only a U S inspired ally in the Cold War struggle against communism but also an organization that reflects indigenous traditions Although Acharya deploys the notion of imagined community to examine the changes especially since the Cold War in the significance of ASEAN dealings for a regional identity he insists that imagination is itself not a neutral but rather a culturally variable concept The regional imagination in Southeast Asia imagines a community of nations different from NAFTA or NATO the OAU or the European Union In this new edition of a book first published as *The Quest for Identity* in 2000 Acharya updates developments in the region through the first decade of the new century the aftermath of the financial crisis of 1997 security affairs after September 2001 the long term impact of the 2004 tsunami and the substantial changes wrought by the rise of China as a regional and global actor Acharya argues in this important book for the crucial importance of regionalism in a different part of the world **Flying Blind** Nguyen Vu Tung,2021-02-10 This book discusses Vietnam s relations with ASEAN in the period from the early 1970s to mid 1990s It focuses on the evolution of Hanoi s view on ASEAN from denial to integration in the organization Further it reveals the reasons behind Hanoi s decision to join ASEAN in 1995 in the context of the transformation of the overall Vietnam s foreign policy when the Cold War ended Relaxation of the Cold War conditions allowed Hanoi to improve understanding of ASEAN that resulted in better Vietnam ASEAN relations and subsequent Vietnam s membership in ASEAN The author has had access to documents and interviewees that few other researchers can rival And the richness of the empirical evidence of this book makes a significant contribution to the studies of Vietnam foreign relations in specific and Southeast Asian international relations in general *Asian Labor in the Wartime Japanese Empire* Paul H. Kratoska,2014-12-18 During the Pacific War the Japanese government used a wide range of methods to recruit workers for construction projects throughout the occupied territories Mistreatment of workers was a major grievance both in widely publicized cases such as the use of prisoners of war and forced Asian labor to construct the Thailand Burma Death Railway and in a very large number of smaller projects In this book an international group of specialists on the Occupation period examine the labor needs and the recruitment and use of workers whether forced military or otherwise throughout the Japanese empire This is the first study to look at Japanese labor policies comparatively across all the occupied territories of Asia during the war years It also provides a graphic context for examining Japanese colonialism and relations between the Japanese and the people living in the various occupied territories
