Southeast Asian Of The Dead:

Animism in Southeast Asia Kaj Arhem, Guido Sprenger, 2015-11-19 Animism refers to ontologies or worldviews which assign agency and personhood to human and non human beings alike Recent years have seen a revival of this concept in anthropology where it is now discussed as an alternative to modern Western naturalistic notions of human environment relations Based on original fieldwork this book presents a number of case studies of animism from insular and peninsular Southeast Asia and offers a comprehensive overview of the phenomenon its diversity and underlying commonalities and its resilience in the face of powerful forces of change Critically engaging with the current standard notion of animism based on hunter gatherer and horticulturalist societies in other regions it examines the roles of life forces souls and spirits in local cosmologies and indigenous religion It proposes an expansion of the concept to societies featuring mixed farming sacrifice and hierarchy and explores the question of how non human agents are created through acts of attention and communication touching upon the relationship between animist ontologies world religion and the state Shedding new light on Southeast Asian religious ethnographic research the book is a significant contribution to anthropological theory and the revitalization of the concept of animism in the humanities and social sciences The Southeast Asian Book of the Dead Bill Shields, 1993

The Dead as Ancestors, Martyrs, and Heroes in Timor-Leste Lia Kent, Rui Feijo, 2025-10-01 During the 24 year Indonesian occupation of East Timor thousands of people died or were killed in circumstances that did not allow the required death rituals to be performed Since the nation s independence families and communities have invested considerable time effort and resources in fulfilling their obligations to the dead These obligations are imbued with urgency because the dead are ascribed agency and can play a benevolent or malevolent role in the lives of the living These grassroots initiatives run sometimes critically in parallel with official programs that seek to transform particular dead bodies into public symbols of heroism sacrifice and nationhood **The Dead as Ancestors Martyrs and Heroes in Timor Leste** focuses on the dynamic interplay between the potent presence of the dead in everyday life and their symbolic usefulness to the state It underlines how the dead shape relationships amongst families communities and the nation state and open an important window into are in fact pivotal to processes of state and nation formation **Hearing on Americans Missing Or Prisoner in Southeast**

Living Dead in the Pacific Mark Munsterhjelm, 2014-01-31 Colonized since the 1600s Taiwan is largely a nation of settlers Yet within its population of 23 million are some 500 000 Aboriginal people Genetic research has permeated both the political and popular spheres as Taiwanese nationalists and Chinese nationalists argue over the significance of migration theories and as the media proliferates genetic theories on predispositions to alcoholism As this book demonstrates genetics serve on the one hand to reinforce claims to a unique national identity and on the other hand to reinforce anti Aboriginal prejudices Increasingly genetic research on Aborigines is being integrated into biotechnology planning both in the country and through controversial US patent applications The legacy of this work has been mass violations of the rights of Taiwanese Aborigines Examining a troubling revival of racially configured genetic research and the questions of sovereignty it raises *Living Dead in the Pacific* details a history of exploitation and resistance that represents a new area of conflict facing Aboriginal people both within Taiwan and around the world

The Ayahuasca Lodge & Postcards to the Dead Tim Deppe, 2024-05-22 The Ayahuasca Lodge deals with a river trip in the Peruvian Amazon made by two young Americans on their way to participate in some ayahuasca ceremonies at a lodge owned by another American On the riverboat journey the two befriend another foreigner a Canadian ethnologist who informs them somewhat about ayahuasca and some of the sordid history of exploitation and violence in the Peruvian Amazon against the place and the Native people during the rubber days of the early 20th century Though warned yet the two had to discover things for themselves and became involved with the results of a murder at the lodge *Postcards to the Dead* contains several short stories on various topics including death philosophy and war Each

story is independent and presents a unique point of view Enjoy the journey Tim Deppe was born in Grand Rapids Michigan in 1953 but left rather quickly for the West Coast at age 19 to escape felony charges for growing marijuana Then he spent most of the next 50 years working around the world only interrupted by getting a BA from The Evergreen State College in Washington State and an MA in philosophy and theology from the Graduate Theological Union in Berkeley California For the last three decades he has been the field worker for his tiny 501c3 NGO Bookseed Most of his time he spends as a delivery boy bringing books and seeds to impoverished schools orphanages refugee camps jails and subsistence farmers in needy places around the world He has one prior book titled Little Gardens of Words about the work he did in Latin America mostly with indigenous people If you see him on the road give him a ride
