

# The Southern Strategy Explained

How the traditionally Democratic South turned into a modern Republican stronghold.

◁ ○ ○ ○ ○ ○ ▷

## Reagan and the Modern GOP, 1984 to 2016

Ever since the 1964 election, the South has been a reliably Republican voting bloc. There have been a few exceptions such as Southern Democrats Jimmy Carter and, to a lesser extent, Bill Clinton winning Southern states, but all in all, the South remains red. The transition from Democrat to Republican was not a straight line, and you will find a few people who will debate that the transition even took place, but today the results are obvious.

The Republican Party of Lincoln backed strong federal support for the rights of all. The Democrat Party of the time opposed these ideas and preferred small government due to their desire to preserve the institution of slavery. Democrats continued to believe these ideas until they became disgruntled with the pressure for Civil Rights within their own party. White anxieties around desegregation and Civil Rights were especially noticeable with the 1948 and 1968 campaigns of Strom Thurmond and George Wallace, respectively.

The Democratic Party was obviously not fulfilling the desires of Southern white voters, so they eventually found their way to Barry Goldwater, Richard Nixon, Ronald Reagan, and eventually Donald Trump.

# Southern Strategy

**Charles William Calhoun**

## **Southern Strategy:**

The ^ALong Southern Strategy Angie Maxwell,Todd Shields,2019-06-24 In The Long Southern Strategy Angie Maxwell and Todd Shields trace the consequences of the GOP s decision to court white voters in the South Over time Republicans adopted racially coded anti feminist and evangelical Christian rhetoric and policies making its platform more southern and more partisan and the remodel paid off This strategy has helped the party reach new voters and secure electoral victories up to and including the 2016 election Now in any Republican primary the most southern presenting candidate wins regardless of whether that identity is real or performed Using an original and wide ranging data set of voter opinions Maxwell and Shields examine what southerners believe and show how Republicans such as Donald Trump stoke support in the South and among southern identified voters across the nation

**The Southern Strategy Revisited** Joseph A. Aistrup,2021-10-21 The 1994 elections represented a watershed year for southern Republicans For the first time since Reconstruction they gained control of a majority of national seats and governorships Yet despite these impressive gains southern Republicans control only three of twenty two state legislative chambers and 37 percent of state legislative seats Joseph A Aistrup addresses why this divergence between the national and subnational levels persists even after GOP national landslides in 1972 1980 1984 1988 and 1994 Explanations for this divergence lie in the interaction between the Republicans Southern Strategy a set of coherent ideological tactics designed to lure southern whites to support GOP candidates and the Republicans top down party development efforts Aistrup analyzes the historical evolution of the Republican Southern Strategy from Goldwater in 1961 to the Contract with America in 1994 Examining the roles of ideology intra party politics gerrymandering and Democratic incumbency in Republican top down advancement he predicts the extent to which these will remain significant obstacles to GOP success in subnational elections after 1994 Aistrup reveals the strengths and weaknesses of the Southern Strategy as it relates to candidate ideology and examines the influences of Republican victories in national and statewide offices on the party s subnational advancement He shows a clear connection between Republican presidential success and southern Republican advancement in local elections

**The Origins of the Southern Strategy** Bruce H. Kalk,2001-01-01 The Origins of the Southern Strategy is a detailed study of the rise of two party competition in South Carolina during the mid twentieth century In 1950 when the study begins there was for all practical purposes no functioning Republican party in that state nor was there much of one anywhere in the deep South During the two decades covered by this study the interplay between two clear factions economic and racial conservatives shaped the growth of the party Bruce H Kalk amply demonstrates the implications of these developments for the rightward shift in national politics and charts their effect on the resurgence of assertive economic conservatism as a new southern base became the core of the Republican party s presidential strategies after 1968

**The Long Southern Strategy** Angie Maxwell,Todd G. Shields,2019 In The Long Southern Strategy Angie Maxwell and Todd Shields trace the consequences of the GOP s decision to court white voters in the

South Over time Republicans adopted racially coded anti feminist and evangelical Christian rhetoric and policies making its platform more southern and more partisan and the remodel paid off This strategy has helped the party reach new voters and secure electoral victories up to and including the 2016 election Now in any Republican primary the most southern presenting candidate wins regardless of whether that identity is real or performed Using an original and wide ranging data set of voter opinions Maxwell and Shields examine what southerners believe and show how Republicans such as Donald Trump stoke support in the South and among southern identified voters across the nation     **The Southern Strategy** Reg Murphy, Hal Gulliver, 1971     **Democracy Heading South** Augustus B. Cochran, 2001 For Cochran the sense of deja vu is overwhelming and alarming BOOK JACKET     *The Liberals' Moment* Bruce Miroff, 2007 Revisits the largely forgotten story of how the McGovern campaign represented the zenith of sixties style liberalism and how its historic defeat still haunts Democrats to this day and in the process identifies what Democrats must do before they can reassume their role as agents of progressive change     Conceiving a New Republic Charles William Calhoun, 2006 He also examines their struggle to revive the experiment with the Lodge Federal Elections bill of 1890 the last serious attempt at civil rights legislation until the 1950s     *The Southern Strategy* David K. Wilson, 2005 America's popular memory of the Revolutionary War casts New England minutemen facing off against redcoats at Concord Bridge but David K Wilson challenges the generally accepted notion that the war was fought primarily in the North He closely examines battles and skirmishes in North Carolina South Carolina and Georgia to construct a comprehensive military history in the South through May 1780 Wilson includes detailed original battle maps and orders of battle for each engagement     *The Presidencies of James A. Garfield & Chester A. Arthur* Justus D. Doenecke, 1981 This is the first single volume to focus on the presidencies of both James A Garfield and Chester A Arthur Drawing from a host of studies on the foreign and domestic policies of the nation during the Gilded Age as well as from his own primary research the author presents a somewhat revisionist look at Garfield and Arthur revisionist in that he gives the reader a renewed appreciation of both men Far from being cynical spoilsmen or naive incompetents individuals whose presidencies provide studies in ineptitude Garfield and Arthur emerge as men of considerable ability While making no claims of greatness Doenecke maintains that each was a significant transitional figure playing a crucial role as the institution of the presidency moved from the weak leadership of Andrew Johnson to the forceful direction of Theodore Roosevelt According to Doenecke Garfield saw the office of chief executive primarily in administrative terms and his great battle was over keeping the power of appointment in his own hands His victory over the Stalwarts enhanced both the power and prestige of the office His knowledge of how government worked was unmatched long before Woodrow Wilson made his mark Garfield was the scholar in politics The diplomacy of Secretary of State James G Blaine comes under critical scrutiny Doenecke evaluates his performance in the Chile Peru War War of the Pacific the Guatemala Mexico dispute the isthmian canal issue Irish American activities in Britain and efforts to secure markets in Korea br Garfield was assassinated less than six months after he entered

office he had yet to be tested on major issues of public policy Chester A Arthur was ill prepared to be chief executive was in poor health much of the time while he was in office and was faced with a hopelessly divided party Nevertheless he was one of the nation s great political surprises His administration pioneered in the development of the navy sought foreign markets for American surpluses fostered civil service reform and pressed for a scientific tariff Doenecke devotes one chapter to the spoils system and the background to the Pendleton Act one to Arthur s strategy regarding the South and then offers an in depth analysis of diplomacy during Arthur s tenure During the presidencies of Garfield and Arthur the United States attempted to intervene in a war between Chile and Peru sought to turn Nicaragua into a protectorate supplied leading advisers to Madagascar and Korea and took a major part in the Congo conference of 1884 In examining these activities even while pointing to uncoordinated statecraft and inept diplomacy Doenecke challenges the long held view that from 1881 to 1885 the nation was withdrawn and insular His fresh perspective on the Garfield and Arthur years will be of considerable interest to historians of the Gilded Age     Jefferson Davis, Confederate President Herman Hattaway, Richard E. Beringer, 2002 Now two Civil War historians Herman Hattaway and Richard Beringer take a new and closer look at Davis s presidency In the process they provide a clearer image of his leadership and ability to handle domestic diplomatic and military matters under the most trying circumstances without the considerable industrial and population resources of the North and without the formal recognition of other nations BOOK JACKET     Minority Victory Charles William Calhoun, 2008 Shines a spotlight on the overlooked importance of Benjamin Harrison s tight victory over the Democratic incumbent Grover Cleveland foreshadowing the modern campaign by putting a focus on voters pocketbook concerns elevated trade policy and candidate accessibility

**See Government Grow** Gareth Davies, 2007 An award winning historian s pathbreaking book uses federal education policy from the Great Society to Reagan s New Morning to demonstrate how innovative policies become entrenched irrespective of who occupies the White House     Little Rock on Trial Tony Allan Freyer, 2007 In 1957 a violent mob barred black students from entering Little Rock s Central High School and was faced off against paratroopers sent by a reluctant President Eisenhower This book provides a summary of that historic case and shows that it paved the way for later civil rights victories It describes the work of the Little Rock NAACP     **The Presidency of Rutherford B. Hayes** Ari Arthur Hoogenboom, 1988 Covers all issues decisions and developments of consequence during the Hayes presidency from the withdrawal of troops from Louisiana and South Carolina that signaled the end of Reconstruction through the Great Strike of 1877 the most violent general strike in American history to the Nex Perce War and the removal of the Poncas to the Indian Territory     Quest and Response Donald R. McCoy, Richard T. Ruetten, 1973     Watergate and Afterward Leon Friedman, William F. Levantrosser, 1992-08-24 This volume brings together a distinguished group of scholars journalists and former Nixon Administration officials to examine the Watergate controversy and its legacy Particular attention is paid to Nixon s misuse of government power for political ends his administration s obsession with secrecy and the control of

information and the impeachment proceedings in Congress This is the second in a trilogy of titles based on the Hofstra Presidential Conference on Richard M Nixon the first Richard M Nixon Politician President Administrator Greenwood 1991 was also edited by Friedman and Levantrosser Watergate and Afterward includes a final assessment of the Nixon Presidency by a group of biographers who have written extensively about the man and his politics as well as appraisals of Nixon s accomplishments and failures by both administration figures and outside historians Special effort was made throughout to incorporate opposing points of view on the various issues under discussion making this one of the most comprehensive and balanced assessments of the Watergate scandal and its aftermath available in print The book begins with essays that describe the political reactions to Watergate and Nixon s attempt to remove the first special prosecutor on the case In the discussion section that follows new insight into what the break in was supposed to accomplish is provided by Reverend Jeb Stuart Magruder speaking for the first time in a public forum Subsequent papers discuss the different efforts by the Nixon Administration to uncover information about political opponents the politicization of the Justice Department the constitutional confrontation in the Supreme Court over the Nixon tapes and the Pentagon Papers case Discussants include Charles Colson who was in the White House at the time Tom Brokaw of NBC and Ron Ziegler and Gerald Warren of the White House press office Finally the impeachment proceedings are reexamined in chapters that explore the specific charges against the president and the political coalitions that formed in Congress around them Ideal as supplemental reading for courses on the presidency and modern American politics Watergate and Afterward is an important contribution to our understanding of this critical period in postwar history

*Richmond College Historical Papers* ,1915      **Richmond College Historical Papers** Dice Robins Anderson,1915      The Crisis of the Confederacy Cecil William Battine,1905
