# SOVIET CRIMINAL JUSTICE UNDER STALIN

PETER H. SOLOMON, JR.

# Soviet Criminal Justice Under Stalin

**J Dewey**

## **Soviet Criminal Justice Under Stalin:**

**Soviet Criminal Justice Under Stalin** Peter H. Solomon, 1996-10-28 Soviet Criminal Justice under Stalin first published in 1997 is a comprehensive account of Stalin's struggle to make criminal law in the USSR a reliable instrument of rule. Using recently declassified archives, Peter Solomon tells the revealing story of non-political justice on the local scene as well as in the center. Contrary to conventional wisdom, Solomon emphasizes the initial weakness of the Soviet state and the limits of Stalin's capacity to rule. Solomon's study also offers new perspectives on collectivization, the Great Terror, the politics of abortion, and the disciplining of the labour force. This book should appeal to anyone interested in the political, social, or legal history of the USSR, judicial reform in post-Soviet states, law in authoritarian regimes, or comparative legal development.

*Soviet Law After Stalin* Donald D. Barry, George Gingsburgs, Peter B. Maggs, 1979 **Stalin's Liquidation Game** Filip Slaveski, Yuri Shapoval, 2025-10-14 Millions of innocent people were arrested in Stalin's Soviet Union during the 1930s and forced to confess to crimes they did not commit. Oleksandr Shumskyi, the Ukrainian Marxist revolutionary, was one of the few to have refused and to protest. Stalin's Liquidation Game opens a window into understanding Soviet repression in the Ukraine.

Stalin's Soviet Justice David M. Crowe, 2019-06-13 From the show trials of the 1920s and 1930s to the London Conference, this book examines the Soviet role in the Nuremberg IMT trial through the prism of the ideas and practices of earlier Soviet legal history, detailing the evolution of Stalin's ideas about the trial of Nazi war criminals. Stalin believed that an international trial for Nazi war criminals was the best way to show the world the sacrifices his country had made to defeat Hitler, and he together with his legal mouthpiece Andrei Vyshinsky maintained tight control over Soviet representatives during talks leading up to the creation of the Nuremberg IMT trial in 1945 and the trial itself. But Soviet prosecutors at Nuremberg were unable to deal comfortably with the complexities of an open, western-style legal proceeding which undercut their effectiveness throughout the trial. However, they were able to present a significant body of evidence that underscored the brutal nature of Hitler's racial war in Russia from 1941-45, a theme which became central to Stalin's efforts to redefine international criminal law after the war. Stalin's Soviet Justice provides a nuanced analysis of the Soviet justice system at a crucial turning point in European history, and it will be vital reading for scholars and advanced students of the legal history of the Soviet Union, the history of war crimes, and the aftermath of the Second World War. *Social Control under Stalin and Khrushchev* Immo Rebitschek, Aaron B. Retish, 2023-08-31 How did the Soviet Union control the behaviour of its people? How did the people themselves engage with the official rules and the threat of violence in their lives? In this book, the contributors examine how social control developed under Stalin and Khrushchev. Drawing on deep archival research from across the former Soviet Union, they analyse the wide network of state institutions that were used for regulating individual behaviour and how Soviet citizens interacted with them. Together, they show that social control in the Soviet Union was not entirely about the monolithic state imposing its vision with violent force. Instead, a wide range of institutions such as the police, the

justice system and party sponsored structures in factories and farms tried to enforce control The book highlights how the state leadership itself adjusted its policing strategies and moved away from mass repression towards legal pressure for policing society Ultimately Social Control under Stalin and Khrushchev explores how the Soviet state controlled the behaviour of its citizens and how the people relied on these structures [Raised under Stalin](#) Seth F. Bernstein,2017-08-15 In *Raised under Stalin* Seth Bernstein shows how Stalin s regime provided young people with opportunities as members of the Young Communist League or Komsomol even as it surrounded them with violence shaping socialist youth culture and socialism more broadly through the threat and experience of war Informed by declassified materials from post Soviet archives as well as films memoirs and diaries by and about youth *Raised under Stalin* explains the divided status of youth for the Bolsheviks they were the new people who would someday build communism the potential soldiers who would defend the USSR and the hooligans who might undermine it from within Bernstein explains how although Soviet revolutionary youth culture began as the preserve of proletarian activists the Komsomol transformed under Stalin to become a mass organization of moral education youth became the targets of state repression even as Stalin s regime offered them the opportunity to participate in political culture *Raised under Stalin* follows Stalinist youth into their ultimate test World War II Even as the war against Germany decimated the ranks of Young Communists Bernstein finds evidence that it cemented Stalinist youth culture as a core part of socialism

**Reforming Justice in Russia, 1864-1994: Power, Culture and the Limits of Legal Order** PeterH. Solomon,2017-07-05 Measuring Russian legal reform in relation to the rule of law ideal this study also examines the legal institutions culture and reform goals that have actually prevailed in Russia Judgements about future prospects are measured adding new dimensions to our understanding of the Soviet legacy *Reforming Justice in Russia, 1864-1996* Peter H. Solomon,1997 Based on a set of papers prepared for a spring 1995 conference held at Massey College University of Toronto reflecting collaboration and discussion among specialists in law and justice in tsarist Russia and their counterparts working on the subject in the USSR and post Soviet Russia Organized in sections on varieties of justice in imperial Russia courts and Soviet power and justice and the Russian transition papers examine areas such as rural arson in European Russia in the late imperial era sexual harassment claims of the 1920s criminal justice under Stalin and trials in modern Russia Annotation copyrighted by Book News Inc Portland OR

**The Oxford Handbook of European Legal History** Heikki Pihlajamäki,Markus D. Dubber,Mark Godfrey,2018-07-04 European law including both civil law and common law has gone through several major phases of expansion in the world European legal history thus also is a history of legal transplants and cultural borrowings which national legal histories as products of nineteenth century historicism have until recently largely left unconsidered The Handbook of European Legal History supplies its readers with an overview of the different phases of European legal history in the light of today s state of the art research by offering cutting edge views on research questions currently emerging in international discussions The Handbook takes a broad approach to its subject

matter both nationally and systemically Unlike traditional European legal histories which tend to concentrate on heartlands of Europe notably Italy and Germany the Europe of the Handbook is more versatile and nuanced taking into consideration the legal developments in Europe s geographical fringes such as Scandinavia and Eastern Europe The Handbook covers all major time periods from the ancient Greek law to the twenty first century Contributors include acknowledged leaders in the field as well as rising talents representing a wide range of legal systems methodologies areas of expertise and research agendas

**Stalin's School** Larry E. Holmes, 2010-11-23 A different kind of history Stalin s School brings a unique human dimension to the Soviet Union of the 1930s and a new understanding of Stalinism as a cultural and psychological phenomenon From 1931 to 1937 School No 25 was the most famous and most lavishly appointed school in the Soviet Union instructing the children of such prominent parents as Joseph Stalin head of the Communist Party Viacheslav Molotov head of the Soviet State and Paul Robeson American actor and singer Relying on published records materials in eleven archives accounts left by visiting foreigners including the prominent American educator George Counts and thirty six interviews with surviving pupils from the 1930s Holmes brings the school to life The school s administrators teachers pupils friends and foes become companions as well as objects of this study as we walk the schools halls enter its classrooms eavesdrop on feuding officials who debate its fate and learn something of what the school and the period meant for its youth Photographs of the school s teachers and students and reproductions of the students notebooks drawings and watercolors add personality to this compelling story Holmes uses the experience of School No 25 as a microcosm and mirror of Stalinism illuminating the interplay of state and society in decision making and providing an opportunity to examine Stalinism from ideological cultural and psychological perspectives While placing the school s history in the context of the coercion corruption and repression of the 1930s Holmes challenges the prevailing view that state and public spectacle on the one hand and society and private life on the other were contrasting entities School No 25 molded these elements into an organic whole In the intimate setting of Stalin s School the degree of acceptance of Stalinism transcends historians customary reference to the fear or privilege a Soviet citizen experienced In a mutually reinforcing way forced compliance and voluntary choice moved individual teachers and pupils to accept a structured environment both at school and in society as the means to a powerful prosperous and just Soviet Union

Life in Stalin's Soviet Union Kees Boterbloem, 2019-09-05 Life in Stalin s Soviet Union is a collaborative work in which some of the leading scholars in the field shed light on various aspects of daily life for Soviet citizens Split into three parts which focus on Food Health and Leisure the Lived Experience and Religion and Ideology the book is comprised of chapters covering a range of important subjects including Food Health and Housing Sex and Gender Education Religion Christianity Islam and Judaism Sport and Leisure Festivals There is detailed analysis of urban and rural life as well as explorations of life in the gulag life as a peasant life in the military and what it was like to be disabled in Stalin s Russia The book also engages with the wider Soviet Union wherever possible to ensure the most in depth discussion of life in all its

minutiae under Stalin This is a vitally important book for any student of Stalin's Russia keen to know more about the human history of this complex period of dictatorship Stalin's World Sarah Davies, James Harris, 2014-10-14 Drawing on declassified material from Stalin's personal archive this is the first systematic attempt to analyze how Stalin saw his world both the Soviet system he was trying to build and its wider international context Stalin rarely left his offices and viewed the world largely through the prism of verbal and written reports meetings articles letters and books Analyzing these materials Sarah Davies and James Harris provide a new understanding of Stalin's thought process and leadership style and explore not only his perceptions and misperceptions of the world but the consequences of these perceptions and misperceptions

Revisioning Stalin and Stalinism James Ryan, Susan Grant, 2020-11-12 This thought provoking collection of essays analyses the complex multi faceted and even contradictory nature of Stalinism and its representations Stalinism was an extraordinarily repressive and violent political model and yet it was led by ideologues committed to a vision of socialism and international harmony The essays in this volume stress the complex multi faceted and often contradictory nature of Stalin Stalinism and Stalinist style leadership and explore the complex picture that emerges Broadly speaking three important areas of debate are examined united by a focus on political leadership The key controversies surrounding Stalin's leadership role A reconsideration of Stalin and the Cold War New perspectives on the cult of personality Revisioning Stalin and Stalinism is a crucial volume for all students and scholars of Stalin's Russia and Cold War Europe **The Dictators:**

**Hitler's Germany, Stalin's Russia** Richard Overy, 2006-01-17 A book of great importance it surpasses all others in breadth and depth Commentary If the past century will be remembered for its tragic pairing of civilized achievement and organized destruction at the heart of darkness may be found Hitler Stalin and the systems of domination they forged Their lethal regimes murdered millions and fought a massive deadly war Yet their dictatorships took shape within formal constitutional structures and drew the support of the German and Russian people In the first major historical work to analyze the two dictatorships together in depth Richard Overy gives us an absorbing study of Hitler and Stalin ranging from their private and public selves their ascents to power and consolidation of absolute rule to their waging of massive war and creation of far flung empires of camps and prisons The Nazi extermination camps and the vast Soviet Gulag represent the two dictatorships in their most inhuman form Overy shows us the human and historical roots of these evils **Crime and Punishment in**

**Russia** Jonathan Daly, 2018-02-22 Crime and Punishment in Russia surveys the evolution of criminal justice in Russia during a span of more than 300 years from the early modern era to the present day Maps organizational charts a list of important dates and a glossary help the reader to navigate key institutional legal political and cultural developments in this evolution The book approaches Russia both on its own terms and in light of changes in Europe and the wider West to which Russia's rulers and educated elites continuously looked for legal models and inspiration It examines the weak advancement of the rule of the law over the period and analyzes the contrasts and seeming contradictions of a society in which capital punishment

was sharply restricted in the mid 1700s while penal and administrative exile remained heavily applied until 1917 and even beyond Daly also provides concise political social and economic contextual detail showing how the story of crime and punishment fits into the broader narrative of modern Russian history This is an important and useful book for all students of modern Russian history as well as of the history of crime and punishment in modern Europe

**Road to Terror** J. Arch Getty, Oleg V. Naumov, 2010-01-01 Now updated with new facts and abridged for use in Soviet history courses this gripping book assembles top secret Soviet documents translated into English from the era of Stalin's purges The dossiers police reports private letters secret transcripts and other documents expose the hidden inner workings of the Communist Party and the dark inhumanity of the purge process book cover

**Late Stalinist Russia** Juliane Fürst, 2006-09-27 With cutting edge research and contributions from top scholars the late Stalinist period is thoroughly explored in this impressive work It explores a wide range of aspects of late Stalinist society focusing on the experience of the Soviet people and their interaction with ideology state policy and national and international politics

*The Art of the Bribe* James Heinzen, 2016-11-29 The first archive based study of official corruption under Stalin and a compelling new look at the textures of everyday Soviet life after World War II In the Soviet Union bribery was a skill with its own practices and culture James Heinzen's innovative and compelling study examines corruption under Stalin's dictatorship in the wake of World War II focusing on bribery as an enduring and important presence in many areas of Soviet life Based on extensive research in recently declassified Soviet archives *The Art of the Bribe* offers revealing insights into the Soviet state its system of law and repression and everyday life during the years of postwar Stalinism

**Stalin's Curse** Robert Gellately, 2013-03-05 A chilling riveting account based on newly released Russian documentation that reveals Joseph Stalin's true motives and the extent of his enduring commitment to expanding the Soviet empire during the years in which he seemingly collaborated with Franklin D Roosevelt Winston Churchill and the capitalist West At the Big Three conferences of World War II Joseph Stalin persuasively played the role of a great world leader whose primary concerns lay in international strategy and power politics and not communist ideology Now using recently uncovered documents Robert Gellately conclusively shows that in fact the dictator was biding his time determined to establish Communist regimes across Europe and beyond His actions during those years and the poorly calculated responses to them from the West set in motion what would eventually become the Cold War Exciting deeply engaging and shrewdly perceptive *Stalin's Curse* is an unprecedented revelation of the sinister machinations of Stalin's Kremlin

**Illness and Inhumanity in Stalin's Gulag** Golfo Alexopoulos, 2017-04-25 A new and chilling study of lethal human exploitation in the Soviet forced labor camps one of the pillars of Stalinist terror In a shocking new study of life and death in Stalin's Gulag historian Golfo Alexopoulos suggests that Soviet forced labor camps were driven by brutal exploitation and often administered as death camps The first study to examine the Gulag penal system through the lens of health medicine and human exploitation this extraordinary work draws from previously inaccessible archives to offer a

chilling new view of one of the pillars of Stalinist terror

If you ally obsession such a referred **Soviet Criminal Justice Under Stalin** ebook that will have the funds for you worth, get the agreed best seller from us currently from several preferred authors.
