## **Soviet Education The Gifted And The Handicapped:**

**Soviet Education** James Riordan,1988-01-01      *Soviet Society Under Perestroika* David Lane,2002-09-11 This is an up to the minute revised edition of a text which since its publication in 1990 has been extremely influential The great changes of the past 18 months have entailed a comprehensive updating of the book This edition takes account of new developments that include the independence of the Baltic states and the treaty which sparked 1991 s attempted coup      World Yearbook of Education 1991 Patricia L. Jonietz,Duncan Harris,2012-11-12 Published in the year 2005 World Yearbook of Education 1991 is a valuable contribution to Major Works      **The Routledge International Handbook of Disability Human Rights Hierarchies** Stephen Meyers,Megan McCloskey,Gabor Petri,2023-10-31 Disability is defined by hierarchy Regardless of culture or context persons with disabilities are almost always pushed to the bottom of the social hierarchy With the advent of the Convention on the Rights of Persons with Disabilities 2006 disability human rights seemingly provided a path forward for tearing down ableist social hierarchies and ensuring that all persons with disabilities everywhere were treated equally Despite important progress the disability human rights project not only remains incomplete but has often created new hierarchies among persons with disabilities themselves or across the human rights it promotes Certain groups of persons with disabilities have gained new voices while others remain silenced and certain rights are prioritized over others depending on what states international organizations or advocates want rather than what those on the ground need most This volume was inspired both by the continued need to expose human rights violations against persons with disabilities but to also explore the nuanced role that hierarchies play in the spread implementation and protection of disability human rights The enjoyment of human rights is not equal nor is the recognition of specific individuals and groups rights In order to change this situation inequalities across the disability human rights movement must be explored Divided into five parts Who counts as disabled Political social and cultural context Which rights on top whose rights on bottom Pushed to the periphery in the disability rights movement Representations of disability and comprised of 34 newly written chapters including case studies from the Anglophone Caribbean Bangladesh Bosnia Herzegovina China Ghana Haiti Hungary India Israel Kenya Latin America Poland Russia Scotland Serbia and South Africa and other countries this book will be of interest to all scholars and students of disability studies sociology human rights law and social policy      Portrait of a Soviet School under Glasnost James Muckle,1990-10-26 What Is It Like Inside A Soviet School James Muckle Spent The Autumn Of 1988 Teaching In MOSCOW And Leningrad Schools And This book Is About The Pupils And Teachers He Met In The Russian Capital During That Revealing And Sometimes Surprising Experience      *Soviet Education* Nellie Mary Apanasewicz,1964      Russia's Youth and its Culture Hilary Pilkington,2013-01-11 Since the political whirlwinds of the mid 1980s and the fall of communism in 1991 Russia has undergone dramatic social change much of which has escaped the attention of Western media In her new book Hilary Pilkington applies the methods of cultural studies research to the study of Russian youth She does this by

deconstructing the social discourses within which Russian youth has been constructed and by providing an alternative reading of youth cultural activity based on an ethnographic study of Moscow youth culture at the end of the 1980s The book also charts the passage of western youth cultural studies in the twentieth century and suggests some new ways forward in the light of the Russian experience Hilary Pilkington traces the cultural themes of youth culture in the Anglo American tradition and within the Soviet Union before examining the impact of perestroika on the media and its ramifications for the discussion of youth The book ends with a study of young people in Moscow and youth cultural groups the product of field work and interviews in the city

**Educational Freedom in Eastern Europe** Charles Leslie Glenn,1994

**Vygotsky's Educational Theory in Cultural Context** Alex Kozulin,2003-09-15 This 2003 book comprehensively covers all major topics of Vygotskian educational theory and its classroom applications

Democratization in Russia under Gorbachev, 1985-91 Anne White,1999-07-10 Self help organizations and charities were the most numerous but least studied of pressure groups to emerge during perestroika This book examines the social exclusion experienced before 1985 by non working citizens studies the pre 1985 disabled people s movement and its numerous unofficial but non dissident organizations discusses why the Gorbachev leadership adopted the non Soviet concept of charity analyses the failure of local authorities after 1985 to stave off pluralism and defeat the voluntary organizations and assesses how successfully the latter built the foundations of a civil society

**Sex and Russian Society** Igor' Semenovich Kon,James Riordan,1993 The seven essays in Sex and Russian Society by Russians and Western scholars graphically describe the consequences of decades of sexual neglect illiteracy and repression Sex and Russian Society reveals that beneath the repressive model of official morality an evolution in sexual mores was taking place particularly among the young The book s most alarming though not unexpected message is that homosexuals and women are bearing the brunt of a disintegrating health care system and repressive sexual attitudes and stereotypes Katrina vanden Heuvel The Nation Here is the first serious study of the main aspects of sexuality in Russian society today with contributors from both inside and outside the former Soviet Union From the 1930s sex was kept out of the public eye in the former USSR Low contraceptive use high abortion rates intolerance toward homosexuals and inadequate measures to combat AIDS are some of the consequences of the long neglect and repression of sexual culture

**Education and Society in the New Russia** David M Jones,2016-09-16 This survey of the changes in education and socialization in the former USSR examines the institutions that are shaping the first post Soviet generation Chapters provide reports on such questions as diversification and the development of independent schools curriculum reform and democratization

**Soviet Studies Guide** Tania Konn,1992 Critical bibliographic references to core literature on land environment and people Soviet history society and culture government and politics international relations armed forces economy business science and technology and general reference

**Ideology, Policy, and Practice** Devorah Kalekin-Fishman,2007-05-08 Systems of state education are a crucial means for realizing the state s focal aspiration of guaranteeing solidarity and civil loyalty Van

Kemenade 1985 pp 854ff The means at hand include the state's structuring and organization of schooling determination of what education is compulsory examinations that decide admittance to institutions of secondary and tertiary education the design of educational aids curricula textbooks didactic methods and the general distribution of resources to schools A further apparatus is that of teacher education and the regulations for appointment to the schools and remuneration van Kemenade 1985 p 850 There are indications that the issue of equality and equity for all in education is a dilemma prevalent in systems of state education among others because the advancement of equity is liable to interfere with the state's main goal It is highly likely that the failing does not derive from contingent misunderstandings but rather from systemic contradictions With this in mind this book suggests a broad spectrum approach to understanding how state education gets done so to speak and what in the process seems to obstruct impartiality The case that I will examine is that of the state system of education in Israel Underlying the study is the sociological assumption that an analysis of how one state system works is likely to bear a message that can be generalized

**Education and Society in the New Russia** Anthony Jones, 1994 This survey of the changes in education and socialization in the former USSR examines the institutions that are shaping the first post Soviet generation Chapters provide reports on such questions as diversification and the development of independent schools curriculum reform and democratization

*Disability and Mobile Citizenship in Postsocialist Ukraine* Sarah D. Phillips, 2010-11-26 Sarah D Phillips examines the struggles of disabled persons in Ukraine and the other former Soviet states to secure their rights during the tumultuous political economic and social reforms of the last two decades Through participant observation and interviews with disabled Ukrainians across the social spectrum rights activists politicians students workers entrepreneurs athletes and others Phillips documents the creative strategies used by people on the margins of postsocialist societies to assert claims to mobile citizenship She draws on this rich ethnographic material to argue that public storytelling is a powerful means to expand notions of relatedness kinship and social responsibility and which help shape a more tolerant and inclusive society
