Swords Into Plows Lillian D. Gardner, 2012-01-19 *Swords into Plows* is the story of an Ohio boy who wanted to be a blacksmith In the nineteenth century when this story takes place it was the custom to work for someone in the trade you wanted to learn However because John's father enlisted in the Union Army John was left to take care of the farm He farmed and found some time to work at the blacksmith shop too In the three years that John's dad was fighting in the South John did a lot of thinking about war and peace facing at home the daily reality of change Having few options he chose to find his inner strength and grow in reliance on God I wrote *Swords into Plows* in memory of my own grandfather John Fremont Dellinger whose life somewhat parallels the story Deciding to write the story I found William Dellinger's war record As I merge historical facts with family lore about my grandfather and watch families

become separated by war today it is my hope that children like John are also wondering how peace happens Lillian Gardner

Plowshares Kristen Tobey, 2016-07-28 In September 1980 eight Catholic activists made their way into a Pennsylvania General Electric plant housing parts for nuclear missiles Evading security guards these activists pounded on missile nose cones with hammers and then covered the cones in their own blood This act of nonviolent resistance was their answer to calls for prophetic witness in the Old Testament They shall beat their swords into plowshares and their spears into pruning hooks Nation shall not take up sword against nation they shall never again know war Plowshares explores the closely interwoven religious and social significance of the group's use of performance to achieve its goals It looks at the group's acts of civil disobedience such as that undertaken at the GE plant in 1980 and the Plowshares behavior at the legal trials that result from these protests Interpreting the Bible as a mandate to enact God's kingdom through political resistance the Plowshares work toward symbolic disarmament with the aim of eradicating nuclear weapons Plowshares activists continue to carry out such divine obediences against facilities where equipment used in the production or deployment of nuclear weapons is manufactured or stored Whether one agrees or disagrees with their actions this volume helps us better understand their motivations logic identity and ultimate goal The Salina Story R. A. McAuliffe, 1966 **Pragmatic**

Liberal Approach To World Order Nejat Dogan, 2012-12-21 There are two well known approaches to the study of international relations Realism and Idealism This book explores the writings of Inis L Claude Jr a preeminent scholar on international relations to define a third approach Pragmatic liberalism an in between approach argues that a liberal world order can be sustained and promoted by the pragmatic application of liberal principles It rejects both the over pessimism of Realism and the over optimism of Idealism while refusing to maintain that the anarchic nature of the international system is unchangeable or even that we can change it overnight However it is possible to eventually improve the international system This melioristic approach to world order and international relations can be explained through the sophisticated writings of Inis L Claude Jr who has remained a celebrated scholar and an example to students of international relations everywhere for over a half century **Let the Scriptures Speak** Dennis Hamm, 2001-08 Sheds light on the Sunday readings to help others preach and pray

Canons in Conflict James E. Brenneman, 1997-05-29 In this new study James Brenneman confronts the issue of conflicting canons with full force incorporating insights gained from both literary and biblical disciplines on the question of canon He begins with an illuminating tour through contemporary literary theory from Hans Robert Jauss to Stanley Fish and current discussions in theology about the canon He goes on to a consideration of true and false prophecy with a detailed examination of the three apparently conflicting versions of the Old Testament swords into plowshares prophecy as found in Isaiah 2 2 4 5 Joel 4 9 12 Eng 3 9 12 and Micah 4 1 5 Suggesting that the dynamics controlling the process for negotiating between contradictory readings of prophetic texts are the same as those at work in adjudicating between canons in conflict Brenneman concludes by pointing the way towards an integrative approach appropriate to the

question of canon and authority in a post modern pluralistic context Writing and Reading the Scroll of Isaiah Craig C. Broyles, Craig A. Evans, 1997 The studies in this volume investigate Isaiah's use of early sacred tradition the editing and contextualization of oracles within the Isaianic tradition itself and the interpretation of the book of Isaiah in later traditions as in the various versions and interpretations of the text
