Sylvia Pankhurst, Artist and Crusader Richard Pankhurst, 1979 Sylvia Pankhurst, Artist and Crusader Richard Pankhurst, 1979 **A Sylvia Pankhurst Reader** Estelle Sylvia Pankhurst, 1993 **The Visual Memory of Protest** Ann Rigney, Thomas Smits, 2025-10-01 Social movements are not only remembered in personal experience but also through cultural carriers that shape how later movements see themselves and are seen by others The present collection zooms in on the role of photography in this memory activism nexus How do iconographic conventions shape images of protest Why do some images keep movements in the public eye while others are quickly forgotten What role do images play in linking different protests movements and generations of activists Have the affordances of digital media made it easier for activists to use images in their memory politics or has the digital production and massive online exchange of images made it harder to identify and remember a movement via a single powerful image Bringing together experts in visual culture cultural memory social movements and digital humanities this collection presents new empirical theoretical and methodological insights into the visual memory of protest Christabel Pankhurst June Purvis, 2018-01-18 Together with her mother Emmeline Christabel Pankhurst co led the single sex Women s Social and Political Union WSPU founded in 1903 and soon regarded as the most notorious of the groupings campaigning for the parliamentary vote for women A First Class Honours Graduate in Law the determined and charismatic Christabel a captivating orator revitalised the women s suffrage campaign by rousing thousands of women to become suffragettes as WSPU members were called and to demand rather than ask politely for their democratic citizenship rights A supreme tactician her advocacy of militant unladylike tactics shocked many people and the political establishment When an end to militancy was called on the outbreak of war in 1914 she encouraged women to engage in war work as a way to win their enfranchisement Four years later when enfranchisement was granted to certain categories of women aged thirty and over she stood unsuccessfully for election to parliament as a member of the Women s Party In 1940 she moved to the USA with her adopted daughter and had a successful career there as a Second Adventist preacher and writer However she is mainly remembered for being the driving force behind the militant wing of the women s suffrage movement This full length biography the first for forty years draws upon feminist approaches to biography writing to place her within a network of supportive female friendships It is based upon an unrivalled range of previously untapped primary sources **"Women and Things, 1750-1950"** Maureen Daly Goggin, 2017-07-05 In contrast to much current scholarship on women and material culture which focuses primarily on women as consumers this essay collection provides case studies of women who produced material objects The essays collected here make an original contribution to material culture studies by focusing on women s social practices in relation to material culture The essays as a whole are concerned with women s complex and active engagement with material culture in the various stages of the material object s life cycle from design and production to consumption use and redeployment Also theorized and described are the ways in which

women engaged in meaning making identity formation and commemoration through their manipulation of materials and techniques ranging from taxidermy and shell work to collecting autographs and making scrapbooks This volume takes as its object of investigation the overlooked and often despised categories of women s decorative and craft activities as sites of important cultural and social work This volume is interdisciplinary with essays by art historians social historians literary critics rhetoricians and museum curators The scope of the volume is international with essays on eighteenth century German silhouettes Australian aboriginal ritual practices Brittany mourning rites and Soviet era recipes that provide a comparative framework for the majority of essays which focus on British and North American women who lived and worked in the long nineteenth century This volume will appeal to a broad range of students and scholars in women s history art history cultural studies museum studies anthropology cultural and social history literature rhetoric and material culture studies
