

Fifth Freedom Flight

According to ICAO, there is such a concept as;

Fifth Freedom of The Air - the right or privilege, in respect of scheduled international air services, granted by one State to another State to put down and to take on, in the territory of the first State, traffic coming from or destined to a third State (also known as a *Fifth Freedom Right*).

Therefore, a flight starting in Tahiti can land in the United States and take on plus disembark passengers before flying on to France. Then make a return trip from France to Tahiti via a full stop at an United States airport.
